We Vouch for Them

Of all the tires that are made, why do you suppose we prefer to sell United States Tires?

Because they are made by the biggest rubber company in the world. And they know how to build good tires.

They have choice of materials,—they have immense

facilities,—they employ many exclusive methods.

They can go to greater lengths in testing, improving and perfecting the things that make good tires.

We find it good business to sell United States Tires.

And—you will find it good business to buy them. They are here—a tire for every need.

United States Tires are Good Tires
