Industries are like orchards

THEY have to be fostered, cared for and

encouraged until they get a good start.

But once they start to bear fruit, they are the source of wealth and prosperity for all of us.

Industries are no longer for the autocrats and the "landed gentry." Fundamentally they benefit the workers-they make jobs-

they give us all the opportunity to earn a good living and to advance and prosper in

proportion to our ability, energy and am-

bition. America is a great country because of her great industries. Oregon is rapidly becoming a great state because of her great.
