#### Debate

The spirit which was shown by the students of the Vale school and by the town people in regard to debate seemed strangely contrasted with that shown by Pendleton Saturday, April 29, when a total of 26 witnessed a debate at the latter place. There were three judges from Walla Walla, two from Whitman college. The decision, of course, being two to one in favor of the negative, rather surprised Vale. However, even though we did lose this time we are hoping that the next principal we get will show such unselfish interest in debate as has Professor Ager, for we are certain that there is good material in the school. So with the sturdy cooperation of the town people, as we had this season, we can make next year a winning year.

### Sophomores to Entertain Freshies.

Saturday, May 6, the Sophomore class will keep up the spirit of spring by giving a weenie roast for the Freshmen in a secluded place about two miles and a half from Vale. The class will be accompanied by their class advisors and are greatly pleased on hearing that Mr. and Mrs. Miller will be amongst the guests. Two of the Sophomore boys will take the party to their destiny in hay racks, and all hope for a good time, but that no serious consequences will befall them as did occur last Monday at the Junior-Senior picnic.

### Here and There.

Dr. F. A. McGruder of the Oregon Agricultural College has been secured to deliver the Commencement address this year, on Friday, May 19.

Dr. Geo. B. Van Waters will deliver the Baccalaureate sermon in the Episcopal church on Sunday evening, May 14.

The eighth grade pupils are now "cramming" for final examinations which are held next week. The majority are well prepared according to reports from their instructor, Mr. Nitzel.

The Seventh grade reports much activity in track work. "Energy, mingled with enthusiasm, carries over the top," is their motto.

The April speed test in typewriting took place this week and several of the students did exceedingly well. There were four who wrote forty or more words a minute. Two wrote fifty words a minute. One other was given a thirty word certificate. They expect several more to make fifty words a minute, and a possible sixty next month. The commercial department uses the Underwood speed tests.

### Jokes.

Tom—"Why doesn't Herschel eat his belt, it's a peach?"  
Kenneth—"He would, but it goes against his stomach."

Thomas—"How are the Junior-Senior pictures, Si?"  
Ceel—"Why, they're just fine, but I forgot to load the camera."

The Seniors gave a wienie roast, and the Juniors were their guests; And everyone had lots of fun, All said it was the best.

The coffee, it was excellent,  
The pickles and dogs, the same;  
Engeldinger ate the cookies,  
But Cossman got the blame.

Si brot out his camera,  
And tried to "shoot" the crowd;  
The camera took a nose dive,  
Then Si said something loud.

Mack and John sang some duets,  
Just to pass the time away;  
The air soon filled with bread and cake,  
But Mack and John were gay.

Paul and Verdi got stranded,  
Upon a sage brush flat;  
Paul says that Verdi is some hiker,  
Even if she is a little fat.

Harold and Evelyn counted stars,  
While the rest were having fun;  
When somebody asked, "How many there were?"  
I think that Harold said "One."

When the jamboree was over,  
And the wienies all were gone,  
We rode the flivver back to town,  
All full of wienies, dirt and song.

Now in closing we must say,  
If a good time you would have,  
Go with that chosen few,  
The jolly, peppy good old crowd,  
The class of Twenty-two.  
—A Junior.

## FITHIAN WILL DEFEAT WILLIAMS--- Voters Want Live Committeeman

VOTE FOR

### O. H. FITHIAN

Republican Candidate For

### NATIONAL COMMITTEEMAN

ON MAY 19

### Portland, too, is for Fithian

REPUBLICANS ALL OVER THE STATE ARE GETTING READY TO VOTE ON MAY 19 TO ELECT O. H. FITHIAN NATIONAL COMMITTEEMAN, INSTEAD OF RALPH E. WILLIAMS, WHO HAS HAD THE JOB TOO LONG.

#### PORTLAND DAILY NEWS SAYS:

"It is a refreshing and healthy sign when a busy and successful man takes off his coat and runs for an office that is salary-less and dubious of honor."

"Such a man as O. H. FITHIAN, wholesale shoe merchant, candidate for the office of Republican National Committeeman. He is opposing Ralph E. Williams, who has served since 1908. Originally Williams was a Democrat."

"Fithian is the head of the Fithian-Barker Shoe Co., Portland. It is literally true this time that 'the office seeks the man.'"

#### MORNING OREGONIAN SAYS:

"That FITHIAN has organized a strong campaign and is conducting a vigorous battle, is evident to the public and it has undoubtedly caused uneasiness in the Williams camp."

#### PORTLAND TELEGRAM SAYS:

"Fithian, although a life-long worker in the Republican party, has never sought political office."

"Williams is a professional politician who, after serving 14 years as national committeeman, wants still another term."

"In the 1912 national convention Williams was antagonistic to Theodore Roosevelt, despite the fact that the Oregon delegation was pledged to the great American."

"Fithian promises to work in harmony with Oregon's delegation in Congress."

"Williams has never worked in harmony with the delegation."

VOTE FOR FITHIAN.
