

HAYS AGAIN HEADS REPUBLICAN PARTY

E. M. BLODGETT OF NYSSA IS NEW SECRETARY

SUPPORT IS PLEDGED

VACANCIES IN CENTRAL COMMITTEE ARE ALL FILLED AT SATURDAY MEETING.

George W. Hayes, of Vale, was unanimously re-elected chairman of the Malheur County Republican Central committee at the meeting of precinct committeemen held in this city last Saturday afternoon.

In nominating Mr. Hayes, Judge George McKnight asserted a critical time was ahead for the republican party in Oregon. The principles of true Americanism as founded upon the constitution of the United States which the party has stood for all through the years are about to be put aside, he said, and racial hatred and religious bigotry substituted for them.

"Malheur County saved Governor Olcott," said Judge McKnight, "and it may be up to us to save him again in November. The officers of the party in the county conducted a good campaign two years ago and I ask for the retention of George W. Hayes as chairman."

E. M. Blodgett of Nyssa, was elected secretary of the central committee; Mrs. W. H. Brooke, of Ontario, treasurer; Lloyd Riches, of Vale, state committeeman and Jeff Billingsley, congressional committeeman.

Twelve of the nineteen committeemen elected at the recent primary election were represented at the meeting. The following vacancies on the committee were filled:

Applegate, Otto Miller, Arcady, E. M. Blodgett; Boulah, M. V. Scott; Bully, R. L. Scott; Corl, Thos. Turnbull; Crowley, I. K. Venator; Jamieson, C. H. Oxman; Juntura, Dan Gallagher; Harper, J. D. Fairman; McDermitt, George Williams; Malheur, Judson Hill; Owyhee, Frank Morgan; Nyssa, Mrs. J. J. Sarazin; Ontario No. 1, Jeff Billingsley; Rome, W. F. Stine; Riverside, Jas. M. McEwan; Skullsprings, S. R. Copeland; Snake River, A. P. Grant; Basin, S. P. Colt; Rockville, Finley McKenzie.

Upon the recommendation of Mrs. W. H. Brooke, committeeman from Fair, Mrs. Rox Marquis was appointed as woman committeeman from that precinct. Chairman Hayes will appoint other women committeemen as fast as he receives recommendations from the precinct committeemen.

Calling upon republicans of the county to get behind their party nominees and declaring that any defeated candidate who worked for the candidate of another party should be read out of the party, Chairman Hayes introduced the following resolution, which was unanimously passed:

"Be it resolved by the Malheur County Republican Central Committee, in regular meeting assembled, 'First: That we hereby ratify and approve the nomination of each individual for the various offices, be they county, district, state or congressional, as announced by the result of the bi-annual primary election held on the 19th day of May, 1922, by the republican party of Malheur county, and the state of Oregon.

"Second: We hereby pledge our earnest and undivided support to secure the election of every republican nominee, be it for county, district, state or congressional office, and as members of the Malheur county Republican Central Committee and of the Republican party of the state of Oregon, it shall be our aim and endeavor by all honorable means to secure the election of the entire republican ticket, from the lowest to the highest office in our county, district, state or congressional district."

W. G. GIVE SCHOLARSHIP.

PIPE READY TO INSTALL

NEW MUNICIPAL WATER SYSTEM TO BE COMPLETE JULY 4TH.

The water pipe for the new municipal water system at Vale arrived Tuesday and the contractors began laying the pipe immediately. This will require about ten days work and then the system will be completed with the exception of the pumps which should arrive any day.

The contract was let to Hartenbower Brothers of Caldwell and they expect to complete the work by July 4th or within 100 days from the day of commencing on the system, according to agreement.

The dream of an adequate supply of good pure water for the city of Vale will soon be realized. The cost to the city is about \$18,500.

EASTERN SERVICE BETTERED

Standard Oil Will Open Main Service at Walla Walla.

In order to improve the service in Eastern Oregon and Eastern Washington the Standard Oil company will open on July 1 a main station at Walla Walla with J. P. Cruden as district sales manager and R. T. Vivian as assistant sales manager. The Vale sub-station will be under the Walla Walla office.

Mr. Cruden was in Vale recently looking over the Standard Oil's properties here and expressed himself as deeply impressed with the future prosperity ahead for Vale and the Warm Springs project.

Mr. and Mrs. Timbrall plan to return in September and will probably make a trip through Southern California on their way home.

RODEO IS POSTPONED

LAST SUNDAY MANY PEOPLE ENJOY HORSE RIDING AND OTHER SPORTS.

Last Sunday saw again a large crowd at the Hope stockyards for the rodeo. The horse riding was exceptionally good. It was decided that the Hope Sunday rodeo would be postponed until September because of the hot weather.

The participants in the horse riding events were Robbie Copeland, Bud Sherman, Luther Prewitt and Short Boy. The mule peeling contest was won by Chris Turner and in the potato race Clarence Stacey won first, with George Carpenter second and Frank Tyree third. The egg race was carried off by George Carpenter and Bill Carpenter. Erna Reed won the ladies' horse race, Lizzie Hanson second, Verna Small third, Vernetta Herrett fourth. The stake race was run twice to decide the winners and in the outcome Clarence Stacey won first, Frank Turner second, George Stacey third. In the saddle horse race George Stacey came out ahead, Frank Turner second and Clarence Stacey third. In the running race George Stacey also came in first with Bob Brown second, and Chris Turner third.

GODDESS OF LIBERTY CONTEST WILL CLOSE NEXT SATURDAY

Let's all go to Vale The Fourth of July. They'll look up the jail, So we can "get by." Let's be Gay and Festive And spend a few Bones. Who's doin' this rootin'?

Rainwater Jones. Hurrah for Rainwater Jones and Hurrah for the two-days celebration at Vale.

The whole county is going to be here. You don't want to be lonesome so come along.

The feature of this week's preparations for the big celebration is the start of the contest for Goddess of Liberty.

A number of popular girls have already been nominated and their friends are beginning to cast votes.

The votes cost one cent each and can be cast at any of the following places or sent by mail to Chairman Robinette of the celebration committee: Vale Drug Store, McGillivray's Drug Store, Kelley's pool hall, Smith pool hall, Vale News Stand and the Postoffice News Stand.

The contest will close at 8 o'clock next Saturday evening, July 1, in order to allow sufficient time for the elected girl to prepare for the big parade which will be on the morning of July 4.

The following have been nominated for the contest: Leah Lumpe, Vina Mueller, Freda Weibrecht, Crystal Stacey, Elsie O'Neil, and Grace Daley, all of Vale and Zenola Lamberson, of Westfall.

The committee wants candidates from Ironside and Juntura and from any other community in the county which would like to elect its popular girl as Goddess of Liberty.

The standing of the different candidates will be posted each morning at 10 o'clock at the different polling places and can be secured by any of the out of town districts by telephoning to the Malheur Enterprise after 10:30 o'clock each day.

Other features of the celebration are being arranged for with the usual Vale thoroughness. Word coming in from all parts of the county indicate that the largest crowd ever in the county seat will be here to participate in the festivities.

A large number of Vale people are planning to drive to Westfall to help the community celebrate on Sunday, July 2.

Votes Cost \$2.50 Each.

While you are thinking of the high cost of taxation just contemplate what Malheur county paid for the votes cast in recent primary election. A total of 1000 votes was cast, in round numbers, and the direct cost to the county for election supplies, distributing and collecting ballot boxes, official count and pay of election officials will amount to about \$2500. This makes each vote cost \$2.25. And in addition to this, Malheur county must pay its share of the direct state expense of something like \$100,000.

TO INSPECT NEW CROPS

FARM BUREAU OF VALE TO HOLD CROP IMPROVEMENT MEETING.

The Vale local of the county farm bureau through crop improvement committeeman, Jake Russell, and the county agricultural agent have called a meeting for all farmers interested in crop improvement and crop rotation next Friday, June 30, at 2:30 p. m. for the purpose of inspecting the various new crops, new varieties and new practices now on trial. Everyone is invited and urged to be present at the appointed hour in order that all may move together from place to place without delay. Assembled at the Jake Russell farm just out of town on Bulley Creek where Hybrid No. 128 winter wheat, Federation spring wheat, soy beans and Ladino clover will be inspected. The potatoes will be studied in regard to disease and red clover will be examined.

LARGE STILL FOUND.

One of Best Equipped Plants Ever Located, Say Officers.

A large copper still, plated with nickel, was found by officers from Sheriff Noe's office and District Attorney Lytle this week just outside the city limits of Vale and Aron Mathews was arrested for violation of the prohibition laws. A small quantity of finished product was found and about 250 gallons of grain mash.

Upon request of the alleged moonshiner, his trial was set for June 20 and he was placed under \$750 bonds.

JUNTURA MAN ACQUITTED.

LaVern Steers Was Accused of Branding Colt.

LaVern Steers was acquitted in Justice of the Peace Rogers' court Wednesday morning of branding a colt belonging to Jim Jones with his own iron. In giving his decision Judge Rogers held that Jones' ownership of the colt was not established by the evidence.

Mr. and Mrs. A. M. Highsmith, who have taught in the Westfall school a number of years, left Vale for Portland on Friday. They are going to the coast city for the summer and will take the summer course offered by the University of Oregon. Both teachers have accepted the Westfall school for the coming term and will return in the fall to their home in the interior of the county.

POTATO GROWERS MEET

WILL FORM POOL OF 200 CARS AND SELL TO THE HIGHEST BIDDER.

Nyssa, Or., June 23.—(Special)—A well attended meeting of the potato growers was held at Community Hall Tuesday evening and many matters of interest to potato growers was considered.

The matter of forming a pool of growers whose aggregate tonnage would equal about 200 cars was discussed and was considered favorably by nearly all the growers present. Growers representing about 100 cars signified their willingness to enter such an agreement and there were enough others not present who are known to favor such a move to bring the amount up to the desired limit. It is proposed to enter into an agreement with Mr. Tab, a Caldwell buyer, to handle the selling end of the pool, with the provision that if he does not secure prices justified by the market the agreement is to null.

The matter of securing sacks was also taken up and a letter from the Walla Walla penitentiary indicated that sacks suitable for potatoes can be secured for about 7c.

Nyssa Team

Takes Easy Victory.

From Vale Last Sunday and Wins Pennant

By Safe Lead Over Next Highest Teams

In League

By Sport Writer.

Standing of Teams.

Team	Won	Lost	Percentage
Nyssa	6	2	.750
Huntington	4	4	.500
Ontario	4	4	.500
Vale	2	6	.250

The expected results of last Sunday's games in the Big Four league are a reality and the big, little city of Nyssa has a "cinch" on the pennant with a comfortable lead over Huntington and Ontario—led to second place.

Nyssa had an easy victory over Vale on the home grounds of the county seat team last Sunday. The Vale boys played good ball for the first two innings and then seemed to go to sleep and stay in a semi-coma state until the game ended. I believe the score was something like 13 to 0 but lost count of the run, along towards the last.

Earl Neclay, out in center field, said he thought a barrage was being laid down when the visitors started cracking out Bolliver's fast ones. Newbill of Nyssa was at his best and the home boys connected but twice for safe ones.

Nyssa's runs and hits and Vale's errors, if all added together, would make quite an imposing sum.

Ontario fell victim to the wiles of the railroad boys at Huntington Sunday to the score of 5 to 3. It is said that no team, even the New York Giants, can whip the Huntington bunch on their own grounds and the results of the home games this year at the little railroad center would rather bear out that statement.

Vale will be the center of baseball fans of Malheur county during the big celebration week after next. Westfall and Ironsides are thirsting for each other's "gore" and will battle on the afternoon of July 3. Now comes forth Juntura, declaring they can clean up the earth with any such small fry and wants to play the winners of that game on the morning of July 4. Manager Carey is going to see if he can arrange that little thing.

Of course, the loyal backers in Vale and Ontario are busy reading the Top weeklies and Charles E. Vanston yawns to learn the very latest and most effective manner of "margin" the players. It is also said they are digging back little into the Christmas sock for a few shillings with which to back up their loud and vuperative talk.

You'll have a lot of fun watching these games, and be careful you don't slip on someone's toes in the grandstand.

FIRE TRUCK WOULD COST VERY LITTLE

CHEMICAL AND LADDERS CAN BE PLACED ON TRUCK

WANT THIRTY FIREMEN

FIRE MARSHAL MUELLER CALLS MEETING FOR WEDNESDAY NIGHT, JUNE 28.

Providing the suggested plan for re-organization of the volunteer fire department improvement of the fire-fighting apparatus which has been proposed by Fire Marshal C. C. Mueller is put into effect, Vale will have as efficient fire protection as any other town of its size in Eastern Oregon.

The new water system will be completed within a few weeks. It will insure a sufficient amount of water for fire fighting at all times, day or night, and Fire Marshal Mueller proposed to put the department in shape to utilize this and provide all reasonable fire protection that the city can expect.

"There will be several thousand dollars left from the bond sale when the water system is completed and I believe that this money, or any part of it desired, can be legally spent for improvements to the fire-fighting apparatus of the city, inasmuch as the water system is the foundation of the fire department," said Mr. Mueller. "I have advised the council to secure 1000 feet of new hose. I believe this will be necessary. The old hose has been in use for a number of years and I believe it will be dangerous to depend upon it sustaining the heavy pressure the new system will develop.

"We have a good chemical engine and scolding ladders and I suggest that the city purchase the chassis of a 1-ton Ford truck and have machinists of Vale build it into an efficient fire-fighting truck. The two chemical tanks could be placed on it, scolding ladders arranged on its sides and the bed of the truck utilized to store fully 1000 feet of water hose. I believe the truck could be purchased and built over for less than \$1000 and it will be worth it to the city.

"I want a volunteer fire department of fully 30 members. This can be divided into units and trained will be sufficient for all needs and can be divided into units and trained to take care of the different duties. I want to urge all those in Vale who are interested in having adequate fire protection in the city to be at my office next Wednesday evening, June 28, to talk over the suggested plan and lend their assistance in the re-organization of the department."

MARIAN LOWE HONORED

OWYHEE GIRL TO REPRESENT WHITMAN AT DELTA GAMMA CONVENTION.

An honor which few college girls attain, has fallen to a Malheur county girl, Miss Marian Lowe, of the Owyhee. She was chosen a delegate from Whitman college to the Delta Gamma convention at Spring Lake, New Jersey.

Miss Lowe left for Salt Lake City Tuesday where she will join several girls who represent other western colleges. From there the party will journey on to Chicago, where a special train will carry them to their destination on the Atlantic coast. Royal entertainment is promised the young ladies during the month they spend in the eastern city.

Miss Lowe is a daughter of Mr. and Mrs. T. M. Lowe of the Owyhee. She is a girl of unusual ability. During her three years at Whitman college she has been active in social and school activities, and in Y. W. C. A. work. She is vice president of the Y and vice president of the student body also.

The honor of membership in Phi Beta Kappa was conferred upon Miss Lowe in this last term of school, her Junior year at college. Membership in this sorority is only conferred each year upon those seniors who have shown the highest scholarship during their four years' work. Sometimes, in instances of very high standing, it is given to a few Juniors as well, as was the case in this particular instance. Miss Lowe will be a Senior the coming term.
