**Electricity Will Save Your Back**

Electricity is ready to do all the hard work of your home—the washing, ironing, cooking, sewing, dish washing and cleaning.

Electric appliances in your home will save you hours of hard work—and they will perform your household tasks easily and thoroughly.

An electric vacuum cleaner gets ALL the dirt—you merely guide it over the floor. An electric washer cleans your clothes perfectly, yet it will not injure them. It is easy to operate, making washing a pleasure instead of a drudgery.

An electric iron saves countless steps and finishes your ironing better and more quickly than if you use the old-fashioned, troublesome "sad irons."

We have many other electrical appliances that will help you every day in your home. Come in and let us tell you how you can buy them on easy terms.
