PORTLAND WILL SPEND $300,000 TO ADVANCE 600 ACRE FAR LANDS

Portland, Dec. 29 — Report is received that the Portland Chamber of Commerce is planning to spend $300,000 to aquire 600 acres of land at an average price of $500 an acre to be used for a state fair grounds. This is the first step in the development of a state fair grounds, which will be used to further the interests of agriculture and education.

The land will be used for the development of the fairgrounds, and it is expected that the state will be able to make a substantial return on its investment. The fairgrounds will be used for various purposes, including educational programs, agricultural exhibitions, and entertainment.

The land will be located on the outskirts of the city, providing a convenient location for visitors and exhibitors. The fairgrounds will be designed to accommodate large crowds and provide adequate facilities for various events. This investment is expected to bring significant benefits to the state and its residents, including economic growth and improved quality of life.

The land acquisition is an important step in the development of the fairgrounds, and it is anticipated that the project will be completed within the next few years. The state is committed to providing the necessary resources to ensure the success of this project.

The fairgrounds will provide a venue for various events, including agricultural exhibitions, educational programs, and entertainment. The state is committed to ensuring the success of this project and will continue to work with various stakeholders to ensure the development of a world-class fairgrounds.
