## GALKINS HALL DEDICATED

### Informal Event, Chicken Supper and Literary and Musical Program Completes Most Interesting Meeting.

According to schedule the opening of Galkins Hall at Gilbert Station was the big event in this part of the county last Saturday evening. The supper and program was under the directions of the Ladies Aid of the Bennett Chapel M. E. Church and the Epworth League. The supper took up a good part of the evening. Genuine stewed country chicken was the big feature on the bill of fare. And gravy. There was potatoes, and kraut, and pickles, and tea and coffee, and cream—real cream that added to coffee developed that delightful golden brown shade that makes you want to empty the coffee tank. Yes and cake, chocolate, layer cake, and cream cake, real cream, too. My but those people are careless about their cream. Why they seem to be as used to using cream as most people are about taking a bath in ordinary water. And the way the provender did disappear. It kept about two dozen women red in the face trying to feed the crowd. Places at the table were at a premium and there were no vacancies for a long time.

After the supper was done there was one of the best socials you ever saw. Just real old time country style. Crowd most quiet and courteous you ever saw. Everybody visited and people who came to stay a half hour, or until they relieved their physical distress were around there until ten thirty.

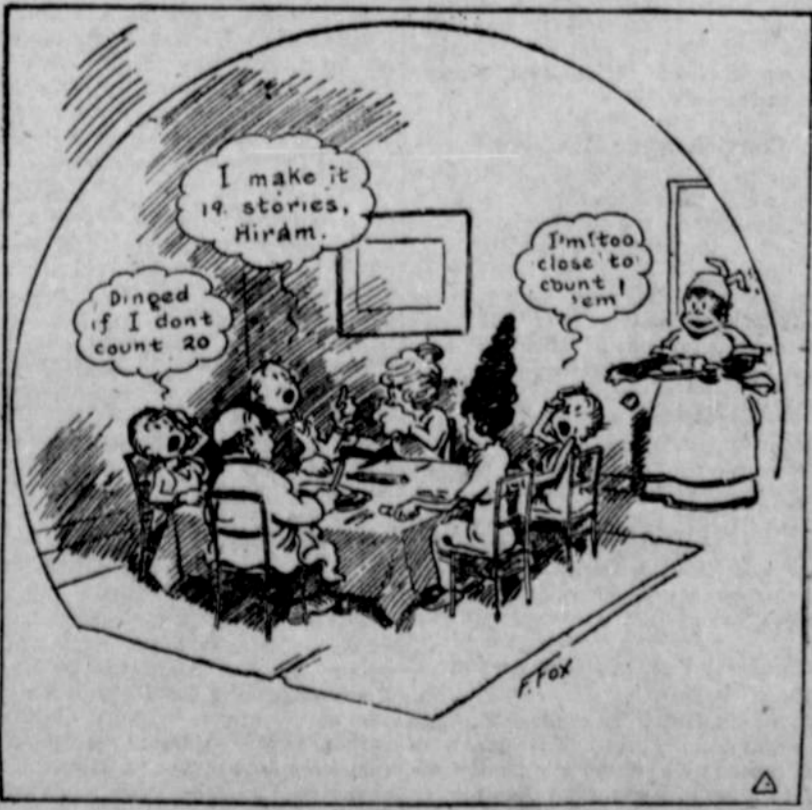

After the tables were cleared away the music was brought out and the young people got ready—no, no! The music was a brass band. Gilberts boasts of a brand new brass band. Only two weeks old. The only one in the county outside of Portland. How's that? There are ten members in the band and they are being lead by a leading Portland musician. The first selection to be delivered was, "My Country 'Tis of Thee." And they got an encore. In fact most everything got an encore, except a few unfortunates who were supposed to speak extemporaneously. Below you will find the program in full.

## LENTS MAN UNJUSTLY HELD

As an outcome of the assault on John Anderson, January 17, P. I. Keith of Arden Park was placed under arrest Wednesday the 4th. The preliminary was held Monday afternoon in the district court. The evidence depended upon the point of whether Mr. Keith wore a mustache in January. Several witnesses testified that he did not wear one. His neighbor across the street says Keith never wore a mustache. A man by the name of Campbell testified that he did. But it developed that Campbell had a grudge against Keith and Campbell's own general character will be attacked when he is called to testify before the grand jury.

The introduction of a steel rod about a foot long seems to have had influence, though there was absolutely nothing shown to prove that Keith ever had been connected with it.

Keith was bound over to the grand jury under \$5000 bond. He will have to wait in jail. That the action is unjust is the general sentiment among all of Keith's acquaintances. Any number can be found around Lents who are willing to testify that Keith never wore a mustache. Others feel that while Anderson is honest in his view of Keith's connection with the case, and some of those who have been most interested in the matter and have talked it over repeatedly with Anderson, say they do not believe he has wholly recovered from the beating he got.

In the meantime Keith's sick wife and four children are wholly at the mercy of charitable people. Two of the children were sick with measles and the mother was called from her bed, being down with measles, to attend the trial.

## BASE BALL SEASON OPENS MARCH 15

As the open season for baseball approaches, the players and fans are full of baseball dope. The Lents Giants the coming season will be stronger in every department than ever before. A few of last year's players will be on the team this year and new talent is coming forward in abundance. Manager Forte states that the first game of the season will be played next Sunday, March 15, the Oregon Law Team being lined up against the Giants. Three or four new men will try out, including Mann in the outer field and Sutherland a twirler who comes to the Giants with a gilt edge passport. Next Thursday evening there will be a baseball meeting at the residence of Manager Forte where the situation will be gone over thoroughly. Anyone interested in the baseball game is asked to attend.

For destroying a live chicken belonging to Mrs. Annie Brunzell, last Saturday, Peter Dahlberg was fined \$20 Monday morning in the municipal court. Both parties live in the Mt. Scott district, Dahlberg was accused of catching the chicken, which had strayed upon the lawn, pulling the neck from the body, then throwing it back in the woman's yard. He was also ordered to put up a bond of \$250 to keep the peace, as charges were made that he threatened her life.

## AROUND THE COUNTY

Neal is the name of a new station on the Mt. Hood road a mile west of Gresham.

The Public Market idea is still prevalent. A Committee representing all the grangers in the county has been called for Monday March 16, to discuss the market question. The personnel of the committee is not certain yet.

R. W. Gill, has announced his candidacy for Representative in this county. Mr. Gill is well known throughout the eastern part of the County, particularly, and his Worth is generally recognized. He is one of the careful, reliable kind of men everyone respects, thoroughly dependable to do what he considers right, irrespective of outside influences. He is a farmer, granger, and wide awake middle aged man whom we should all take pleasure in supporting.

John Rathkey, has served his connection with the Lents Grange to take up the occupation of a farmer near Drain. He and a cousin expect to produce honey on an extensive plan. Lents friends will regret to see John leave us as he has always been well liked.

Charlie Eatchel saw Lents Tuesday for the first time in months. He is now nearly well and will return home permanently in another week.

Lents lodge I. O. O. F. is coming to be one of the strongest in the state. Forty to fifty is an average attendance and some of the team work they are putting on will compare favorably with the best.

## LENTS MAN SUFFERS DAMAGE

J. G. McDougal and wife of Lents visited one of the Broadway theatres Tuesday evening, leaving their auto on Yamhill near by. Some time during the evening a careless smoker dropped fire in the gutter and it was communicated to the machine, doing about \$350 in damage. Three divisions of the fire department were called out to put out the fire. The proprietor of the "New Method Laundry" will now travel afoot.

## REBEKAH OFFICER RECEIVES PLEASANT SURPRISE

On Wednesday evening, March 4, a representation of members from Lents Rebekah lodge met at the home of Mrs. Cora Wright on S2nd avenue, to pay their respects to her as she is about to leave for her new home in Yamhill. Mrs. Wright has been warden of the Lents lodge for some time, and has been a most faithful and attentive worker in all lodge affairs and loved by all who know her. To show their esteem the lodge members presented her with a beautiful toilet set. The Noble Grand, Mrs. F. R. Peterson, made the presentation and gave an appropriate address. All wished her success and happiness in her new home.

The evening was spent with refreshments and discussions of travel in Oregon, the United States and abroad, and comparing the Columbia river with the Hudson and Rhine. Everything went finely till Dr. Gartner met with a slight accident which might have proven serious but for the timely discovery on his own part, but which left some of the fair members speechless for a time.

Those present were: Meedames Peterson, Ferrill, Douglas, Allen, Smith, Keller, Greenleaf, McNeil, Jones, Manz, Blaufus, Thomas and Mr. and Mrs. Gartner.

Mrs. Jones has been appointed to fill the position as warden for the unexpired term.

## Foster Road Work Urged

Property owners along the Foster road, between East Fifty-second streets, have petitioned the County Commissioners to defray one-third of the expenses of paving that part of the highway, with the understanding that the property owners pay the rest of the cost. The plan is to take over the 35-foot right of way of the Portland Railway, Light & Power Company, making the street 95 feet wide. The company has agreed to move its double tracks to the middle of the street.

It is announced that the people of Lents have taken steps to widen the Foster Road to 95 feet from East Seventy-second street to Main street in Lents, making it correspond with the west end of the road.

Mr. F. C. Thayer and son spent Sunday with E. P. Smith and family last Sunday.

## GRANGE ENJOYS MADE-IN-OREGON DINNER

Mrs. Edith Tozier Weathered of the Manufacturer's Association of Oregon provided Evening Star Grange at their last meeting with a "Made in Oregon Dinner." The gift was much appreciated by all, and they have our thanks and also those of the dinner committee. The day was fine and the attendance was large.

Mrs. Weathered in a nice little speech told about Oregon made goods, and urged all present to use home products, and not the eastern factories' and goods, when ever possible.

Miss Lucy Broad, a missionary, described a wedding ceremony in Corea, in a very entertaining manner, being dressed in costume.

Mr. J. G. Kelly talked about "Chickens and Setting Hens," from experience.

Mr. H. A. Rice, an experienced pigeon raiser spoke on the relation of "Pigeons to the high cost of living." He told how pigeons should be cared for and fed so as to bring best results, and he thought that the raising of pigeons was cheaper and easier than of chickens.

Prof. V. R. Gardner of O. A. C. came from Corvallis to tell us how to prune fruit trees in the correct way. His talk was interesting and should be of profit to all.

Miss Bernice Elliott rendered a piano solo: Gladys Johnson a vocal solo to her own accompaniment. Miss Rudd favored us with a vocal solo and four little children sang "The Little Shoemaker." Miss Harriet Burns gave a very fine reading and was twice recalled.
