FOR FRENCH FRUIT PUDDING

Delicacy Contains the Usual Ingredients and is Also Excellent When Re-Steamed.

Materials—Butter, one-third cup; chopped suet, one cup; molasses, one cup; milk, one cup; soda, one teaspoonful; cinnamon, one-half teaspoon; salt, one-half teaspoon; raisins, one-half cup; currants, three-fourths cup; citron, one-fourth cup; whole wheat flour, two and one-fourth cups.
 Directions—Add the molasses and milk to the butter and suet with the flour, salt, soda and spice sifted well together in a mixing bowl. Add the fruit, mix and turn into a buttered mold and steam slowly three or more hours. This keeps well and is all the better re-steamed. Serve with lemon or any kind of fruit sauce.

WHEN FRYING PAN IS USED

Test for Proper Temperature—Take Care to Prevent the Food Absorbing the Fat.

For uncooked articles, fritters, doughnuts, etc., the fat should be hot enough to brown a bit of bread in 40 seconds.

For cooked articles, fritters, croquettes, etc., the fat should be hot enough to brown bread in 20 seconds.

Care After Frying—Hold frying basket over hot fat till well drained. Drain fried articles on unglazed paper. Do not pile the articles until cold.

To Prevent Food Absorbing Fat—Have fat hot enough to answer above test. Do not put in too many articles at one time. Do not have the mixture too rich. Do not use too much baking powder. Have an unbroken coating of egg and crumbs on croquettes.

Baked Bean Luncheon.

For the woman who wishes to entertain at a small cost, such a luncheon would be charming. Crepe paper napkins with wreath of tiny yellow flowers should be laid on a polished table for centerpiece and plate doilies, and in the center of the table there should be placed a glass bowl filled with small yellow flowers, and each place favor should be a larger yellow flower. The quaint brown bean pot may grace one corner of the table and diagonally across from that may be a plate of old fashioned gingerbread. On another corner place sandwiches of thin slices of brown and white bread laid together, while the fourth corner may hold hot Boston brown bread. Salted peanuts and tiny cucumber pickles will keep within the color scheme and sliced bananas with whipped cream for dessert make a good ending to a brown and yellow luncheon.

Bean Soup.

Boil a quart of white beans for 20 minutes, adding half a teaspoonful of soda while boiling. Drain through a colander, rinse off with cold water, and boil again, in a gallon of water, for one hour. Boil separately for half an hour two pounds of salt pork. Scrape this well and add to the beans. Season with pepper and salt, and cool till the meat is tender. Pea soup may be made in the same way.

Cooking Hint.

If you have oatmeal left in your cooker after breakfast, do not throw it away or scrape it out. Simply cover it with cold water. The next morning pour off the water, chop the oatmeal into pieces with a spoon, add hot water and whatever more oatmeal is needed, and cook as usual. Oatmeal is better for much cooking, and a penny saved is a penny earned.

New Glassware.

The newest glassware is of rock crystal and the tumbler for water has a tall, slender stem, and other glasses the same shape in miniature. With the home dinner finger bowls of rock crystal, with a little plate to match, and a pretty lace doily under the bowl, are brought in with the dessert plates, and with the plates for fruits and bonbons at a more formal affair.

Stuffed Potatoes.

Select fine smooth potatoes; cut off the end of each and scrape out the inside. Mix this with chopped ham, onion and parsley, and a tablespoon of butter. Season with salt, pepper and lemon juice. Fill the potato with the mixture; let bake in moderate oven until tender; serve hot.

Cranberry Pudding.

One and a half cups sour milk, one teaspoon soda, three quarters cup molasses, one teaspoon salt, three cups flour. Stir well together and add two cups raw cranberries. Pour into a buttered tin and steam one and a half hours. Serve with a sauce.

Rinse Out Starch.

Starch cracks and rots linen and for this reason do not put wearing apparel away starched. Rinse the articles free from starch, dry, fold away in blue paper. This will prevent their coming forth in the spring yellow and the fabric broken.

Armstrong Pudding.

One cup finely chopped suet, one cup molasses, one cup milk, one cup raisins, one cup currants, two and one-half cups flour, one teaspoon of soda, spices of all kinds. Steam three hours.

For Iron Rust Stains.

Put the juice of one lemon, two teaspoonfuls of salt and a cup of water on the fire and as soon as it boils dip the stained article in it.

Suffered Twenty-One Years—Finally Found Relief

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp-Root. Injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefited me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity.

Gratefully yours,
 MRS. JOSEPH CONSTANCE, Avoyelles Par. Markville, La.
 Personally appeared before me, this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.

PISO'S REMEDY

Best Cough Syrup. Tastes Good. Use in Coughs and Croup.
FOR COLDS AND COLIC

Puzzling Mnemonics.

Helplessly he lay by the roadside groaning and writhing with pain. A policeman, hearing the groans, hastened toward him and proceeded to investigate what ailed him. But all he could get from the sufferer was this:

"I ate one, too—I ate one, too!"

The policeman was puzzled, but not for long.

"Poison!" was his diagnosis. Now, poison cases, so the policeman remembered, need immediate treatment; and poisons have antidotes. Hastily he procured what he believed to be a suitable antidote. Then he administered it.

The result was astonishing. Like a rocket the recipient sat up and abusively demanded the reason for such treatment. On being told he only became more angry.

"What did I eat?" he yelled. "Why, you idiot, I-812 is the number of the car that knocked me down!"—New York Globe.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

A Contradictory Idea.

"How is it Colonel," asked the hopeful bunko steerer, addressing the soary-headed master of the craft, "that you have always been so successful in picking out juicy suckers and never have to waste your time upon unprofitable subjects?"
 "I simply wait till I hear a man say that he is a pretty good judge of human nature," replied the veteran, "and then I know he is just what I am looking for."—Punch.
