KELSO

 for painting jobs. Are you looking for a painter? Let us get together and have a talk. I can tell you what it will cost you. I can suggest color schemes and will tell you what materials I use. I mix my own paint after studying the conditions of the surface to be painted. These conditions have a direct bearing on the way the paint should be mixed.
I USE PIONEER OR Selby "Dutch Boy" White Lead and pure linseed oil. I consider paint made from these materials to be the best.

It is with great pleasure that I address this letter to the voters of Multnomah, Clackamas and Columbia counties, in behalf of Geo. M. McBride, Republican Candidate for Joint State Senator. Mr. McBride is a son of Justice Thos. McBride of the Supreme Court of this State.

I have known Mr. McBride for over thirty years and have had considerable business transactions with him, and always found him the soul of honor, regarding his word as a bond. He is a married man, and a taxpayer. He was Inspector of Customs at Astoria for about six years. He is practicing law in St. Helens at the present time. Was associated with Emmons & Emmons, in law business in Portland. I am sure Mr. McBride will keep his campaign pledges to the people. He is of the common people and will always be found lined up on the side of justice and common rights. He is a man that anyone, regardless of party, can feel proud to support.
 Yours truly,
 M. S. Hazen,
 Lents, Ore.
