of the new station and from whom Lenox avenue is named, entertained twenty-three ladies one day recently, who represented the Women's Missionary Society of the Third United Presbyterian Church. The subject discussed was, topic for June, viz., "The Unity of the Kingdom." Each realized that both pleasure and profit were results of the meeting.

Mr. and Mrs. Cyrus Dickinson, whose home was located on Johnson creek near Deerhoff road, are at present sick in the city. Mrs. Dickinson has been under treatment over a month. Mr. Dickinson has been sick since the first of the month. On the 3rd inst., fire was discovered in their home about six o'clock in the afternoon. Friends in the neighborhood were compelled to see their house and all its contents completely destroyed. It is believed to be the work of an incendiary. We understand it was insured, but the sympathy of the community goes out to them in their loss. Their absence and sickness touch all who hear of it.

Miss Audrey Dozier who went to visit with her old chum, Mrs. A. Blatchford, at Shelburn, Oregon, was taken violently ill and confined to her bed two weeks. We are glad to report that she is convalescing. Her many friends here will rejoice at her recovery and welcome her home again.

It is with pleasure that we report Miss Huber as recovering from her long and serious illness.

Mrs. Rindie has so far recovered from her operation that her nurse is gone and she is able to be about. A rapid recovery is the wish of her friends.

The glorious fourth passed in quiet in the country district, but Old Glory floated from many homes—"The Union Forever."

Miss Lily Blum has gone to Seattle for a well earned vacation.

Do you know:
That a bag of hot sand often relieves neuralgia.

That warm boracic acid solution will remove dandruff.

That a little soda water will relieve sick headache caused by indigestion?

That a cupful of strong coffee will remove the odor of onions from the breath?

That well ventilated bedrooms will prevent morning headaches and lassitude?

That a cupful of hot water before meals will sometimes relieve nausea and dyspepsia?

That one in a faint should be laid flat on the back, with the head lower than the rest of the body if possible, the clothes loosened, cold water applied to the face; and otherwise let alone?

That the best time to bathe is just before going to bed, as any danger of taking cold is thus avoided and the complexion is improved by keeping warm for several hours after leaving the bath?

The Garden Variety.
A slim chicken who was so thin that she nicked the counter where she leaned against it, trickled up to the hostelry department of a Sixteenth street store and said:
"Cawn you give me a pair of hose that won't bag at the knees?"
Mame shifted her chicle against her back molars, oozed a wise slant over the customer and replied listlessly:
"Not unless yuh take garden hose!"
