good time. The program throughout  
the day was excellent.

Methodist Church by Rev. Hopper Sun-

the proud parents of a nine pound girl  
born July 1.

When it is necessary to face a skirt in  
order to lengthen it, wash the material  
to be used for the facing before putting  
it on the skirt. This will do away with  
the wrinkles that so often come after  
the lengthened skirt has been laundered.

Pulverized burnt alum is excellent for  
cleaning gold-lace which has become tar-  
nished. Dip a brush into the alum and  
go over the lace very thoroughly. If  
the lace is very badly tarnished it may  
be necessary to go over it more than  
once.

Pacific Exposition, the vessel to be  
used as a hotel, or club room, during  
the stay in San Francisco, and to be so  
decorated with banners and electric  
signs as to be a floating advertisement  
of Oregon.

An excellent contrivance for cleaning  
off muddy shoes can be made at home  
with little labor or expense. Get a large  
sized scrub brush of a coarse variety  
and fasten it upside down on the porch  
step or floor, being careful to fasten it  
securely. This will clean off the shoes  
quickly, thus saving work, and to the  
busy housekeeper who has to keep the  
porches and floors clean it is invaluable  
as a time saver.
