No end to the dust.
 "Dust thou art to dust returneth was not spoken of the soul."
 E. T. Dilley of Darien, Conn., sends out a bird catalogue containing prices on rare birds. Pink pelicans are priced at \$100 each.
 A strange old bird is the pelican. His mouth holds more than his bellican, He will put in his beak,
 Enough grub for a week,
 I don't see how in the hellican.
 The German and English Governments have cut a very sorry figure in this Mexican business. Recognizing that old drunkard Huerta, their bankers loaned him \$40,000,000 to carry on war against the rebels, when anyone with brains enough to feed a goose knew the old wretch could not hold out long. Now they are out and when he rushed to the sea-shore to escape the fate he richly deserved, German and English war ships were waiting for the old sneak and took him into their waiting arms with many expressions of respect. They now have this old soak and much good may it do them! They have cut a very sorry figure in this whole fiasco and have lost a lot of money. Who now can laugh, the Americans or the Dutch?
 Phillip Evans of Dover has five acres in carrots. This is probably the largest piece of carrots in the county. They are of the half-long Yellow Belgian and Yellow Giant varieties.
 Hon. Fred Hollister of North Bend and the Democratic candidate for Congress in this District is expected here in a few days. He is making an active canvass and winning golden opinions everywhere. Hawley is in danger of losing out in this fight as his record has not been much of a recommendation to him.

 Mr. Ex.—What! Another new dress! Perhaps you will tell me, madam, how I shall get the money to pay for it?
 Mrs. Ex.—You must excuse me. I am your wife, not your financial adviser.

SANDY

Sandy soon will enjoy the luxury of electric lights. The City Council already has granted a franchise to the Portland Railway, Light & Power Company and has passed to the first and second readings a street-lighting contract that calls for 20 lights. The company is willing and ready to furnish light for Sandy as soon as the contract has passed the Council in its final reading. Service will be supplied from Bull Run, which will make necessary a transmission line of less than three miles in length.
 Sandy has seen many improvements this year. Dr. Barendick, who is building a most modern bungalow, soon will have it completed and ready for occupancy.

 The annual school fair will be held in Sandy this fall and the different committees are busy at work on arrangements now. The fair has been held for several years and always has proved to be a paying proposition, and it has been getting better every year.
 The Booster Band, Sandy's musical organization elected a new set of officers Tuesday night. H. H. Thomas was chosen president and F. L. Mack secretary. No change was made in the office of treasurer.
