Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound of imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation. It is apparent that the old credit system must give way to business methods in financing the crop.

The Philadelphia Society for the Promotion of Agriculture is the oldest association of its kind in America. This was organized by George Washington and Benjamin Franklin in 1785.

NEWS NOTES OF EVENING STAR GRANGE

This being the last meeting day before election the afternoon program was made up principally by talks on various amendments which will be voted upon on November 3. The talks were short, but considered carefully, and in an entertaining manner.

"The Eight Hour Day Amendment," was discussed by James Kelly. The "Eight Hour Day and Room Ventilation Law for Female Workers," was considered by Mrs. I. B. Garriott, who was one of the initiators of this bill. "Public Docks and Water Frontage," by J. J. Johnson, who also talked on the "Primary Delegate Election Bill." R. C. Wright, the "Tax Measures," especially the \$1500 Exemption." Dr. Chance considered the "Dentistry Bill," and J. R. Pierce, the "Prohibition Constitutional Amendment." The literary part of the program was as follows: Piano Duet, Nellie Sanders and Harold Ball; Reading, Mrs. Lostpiech; Violin Solo, Usona Haid; Vocal Solo, Mr. H. P. Scougall.

At the afternoon secret session a resolution was passed endorsing the stand taken by the fruit inspector against the importation of potatoes from California infected with the tuber moth. Everyone should do all in their power to keep this pest from our field and gardens.

A little town boasts a church whose pastor, besides being an eloquent preacher, is a man of stalwart proportions. A revival was started, and at one of the evening meetings the services were disturbed by two young men who audibly scoffed at everything they saw or heard. Finally the pastor reconstituted with them on their behavior, and asked them why they had attended the meeting. "We came to see miracles performed," imprudently replied one of the rascals.

Leaving the pulpit and walking quietly down the aisle, the minister seized one after the other by the collar, and as they disappeared out of the door, remarked: "We don't perform miracles here, but we do cast out devils."
