REALLY NOT HIS LINE

"TERROR" SATISFIED HE WAS IN WRONG BUSINESS.
Of Course He Had Killed Eleven Men and Never Been Licked, but at That He Had Mistaken His Vocation.

When we opened the old "Four X" in Nevada, it was no time at all before a lively town was founded and hundreds of people came pouring in. In those days every community had its terror. He was supposed to be able to outdrink, outyell, outshoot and outfight everything on legs in his jurisdiction. Sometimes he was a freelance and again he was employed as a sort of policeman. We wanted a man to protect company property and one day a giant of a chap weighing 205 pounds and six feet tall applied for the place.
"Are you a fighter?" was the first question asked of him.
"I am," replied he. "I've had 29 fights in seven weeks."
"Afraid of anything mortal?"
"Nothing mortal or immortal."
"Shoot both handed?"
"I do."
"Use the bowie knife?"
"Perfectly at home with it, sir."
"How many men have you killed this last year?"
"Well, this has been an off year with me, as I was sick in bed for six weeks and so I haven't got but 'leven."
"Suppose, now, that a terror from some other camp should come over here to clean you out? Have you ever met any other terror and downed him—a genuine terror, from the headquarters of Fighting creek?"
"I can't say that I ever have, sir—not a regular terror, sir."
"Then you can't tell how you would act?"
"Why, I should probably fight him."
"But you can't say for sure. However, come back at four o'clock this afternoon."
We sent over to Cedar Flats, five miles away, for their terror. We knew him to be the genuine stuff, and when he arrived we posted him as to what was wanted. At four o'clock when our alleged terror returned to the shaft, the Cedar Flats terror suddenly waltzed out on him with a hair-raising whoop and called out:
"Whar's the bloody, bloomin' hyena who has been passing hisself off around here as a fighter? Whoop! Maugh, Ugh! Somebody p'int him out to me and then tie my hands and legs while I bite his ears off!"
Our alleged terror turned pale and looked nervous and the Cedar Flats man pranced around cracking his heels together and shouting:
"Whoop! Put him out! Let him stand before me! Tie me all up in knots, head me up in that bar!, and then I'll lick him or go over the cliff! Great snakes, but won't somebody show me the fellow who says—"
I pointed to our terror and the Cedar Flats man let out a scream and rushed for him. The chap who had only killed 'leven men just fell right down in a heap, and it was five minutes before we could bring him to. He was whiter than flour, and limpsy as a rag, and it was all of half an hour before he could walk away.
"How do you account for it?" I asked him as he was ready to go.
"I must have gone in the wrong business," he gloomily replied.
"How do you mean?"
"I ought to have been a preacher."—Chicago Daily News.

Drowning Season Here.
Don't rock the boat! It is not merely a foolish sort of joke to do it; it is very frequently a murderous or suicidal joke. If you cannot swim do not wade out where the water is up to your chin. If you do, you may suddenly step into a hole that lifts the water above your mouth and nose, and when that happens the chances are large that it will be your funeral the next day or as soon as your remains can be found. Don't dive from a high place without being sure the water is not so shallow as to result in your head striking bottom. Don't crowd five people into a boat made for three, or three people into a boat made for two. Don't play foolish pranks such as pushing a boy who cannot swim into deep water. Don't go out on the bay in a small motor boat. A storm may come up and your small ship be capsized.
The drowning season is here. There has never been a summer within the memory of the oldest citizen of the city that has not been marked by drowning tragedies.

Considerate Wife.
Senator John W. Weeks of Massachusetts smiled when one of a party in a Boston club alluded to henpecked husbands, and said that he was reminded of a man named Bates.
One afternoon Bates was having a little gabfest with an old acquaintance, when the latter spoke of married life and the beauty of having a happy home.
"That's where I have a whole lot to be thankful for," said Bates. "I have a wife who looks after me constantly. As a matter of fact, there are times when she even takes off my shoes for me."
"I see," thoughtfully mused the acquaintance. "I suppose that is when you come home tired at night."
"No, no," smilingly corrected Bates. "It is when she thinks that I am about to slide out early in the evening."—Philadelphia Telegraph.

Thought She Could Not Live.
Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live. Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong. "I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.
The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.
If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WHAT TO DO FOR YOUR ITCHING SKIN
Eczema, ringworm and other itching, burning skin eruptions are so easily made worse by improper treatment that one has to be very careful. There is one method, however, that you need not hesitate to use, even on a baby's tender skin—that is the Resinol treatment. Resinol is the prescription of a Baltimore doctor, put up in the form of resinol ointment and resinol soap. This proved so remarkably successful that thousands of other physicians have been prescribing it constantly for 20 years. Resinol stops itching instantly and almost always heals the eruption quickly and at little cost. Resinol ointment and resinol soap can be bought at any druggist's and are not at all expensive. Great for sunburn.—Adv.

The Wonder of It.
Rose had called on her afternoon out to see her friend, Arabella. Arabella's mistress had just purchased a parrot, and Rose was much interested in the bird.
"Birds is shore sensible," she observed. "You kin learn them anything. I uster work for a lady that had a bird in a clock, an' when it was time to tell de time ob day it uster come out an' say 'cuckoo' just as many times as de time was."
"Go along. Yo' doan' say so," said Arabella, incredulously.
"Shore thing," replied Rose, "and de mos' wonderful part was dat it was only a wooden bird, too."—Harper's Monthly.

That evening, when her grown-up sister was putting her to bed, she said she hoped the child would be a better girl tomorrow, and not make everybody unhappy with her naughty temper.

WHY DINING CAR CHEFS PREFER K.C. BAKING POWDER

Those who have had cakes ruined by jarring the stove, slamming the oven door or a heavy footstep, may have wondered how the dining car chef can turn out such marvelous biscuits, hot breads and pastry when his oven is being incessantly jarred and jolted and shaken by the motion of the train.
To get pastry to raise and stay raised under these conditions, a baking powder must be used that continues to give off its leavening gas—that sustains the raise—until the dough is baked through.

Dining Car Chefs have found a baking powder exactly suited to their needs in K.C. and you will find it just as well suited to your requirements. K.C. is really a blend of two baking powders, one active as soon as moistened, the other requiring both moisture and heat to start the generation of leavening gas. No matter how moist and rich you make your cake, K.C. Baking Powder will sustain the raise until a crust is formed and all danger of falling is past.
K.C. Baking Powder is pure and healthful. It is guaranteed under all pure food laws, and is guaranteed to please you. And it is sold at a reasonable price—no baking powder should sell for more.

A SAFE USED TRUCK TO BUY.
A REBUILT FEDERAL is as good value for the money as a new truck. By rebuilt we mean that the truck is entirely taken apart, each part examined and if necessary replaced by a new part made at the Federal factory, the entire truck repainted and refinished, and everything necessary done to make the truck practically as good as new in every detail.
When you buy a rebuilt Federal you are protected by the same policy and interest that we give to all Federal owners. We operate a repair department, in which the workmen are specialists on Federal, our supply of Federal parts is complete, and the stock room organization high class, which insures the prompt filling of all parts orders. We also operate a service department, which is open day and night, "always at your call." The Federal being a good truck in the first place and protected by a company which is equipped as good as the disposition to give you service—is consequently

WHAT TO DO FOR YOUR ITCHING SKIN
Eczema, ringworm and other itching, burning skin eruptions are so easily made worse by improper treatment that one has to be very careful. There is one method, however, that you need not hesitate to use, even on a baby's tender skin—that is the Resinol treatment. Resinol is the prescription of a Baltimore doctor, put up in the form of resinol ointment and resinol soap. This proved so remarkably successful that thousands of other physicians have been prescribing it constantly for 20 years. Resinol stops itching instantly and almost always heals the eruption quickly and at little cost. Resinol ointment and resinol soap can be bought at any druggist's and are not at all expensive. Great for sunburn.—Adv.
