Graham Nut Bread

Beat one egg till very light, add one-third cup sugar and beat well, stir in 1 cup milk and add one cup graham flour and seven-eighths cup white flour, four teaspoons baking powder and half teaspoon salt sifted together; mix well and add one cup walnuts chopped fine. Bake in a moderate oven for 45 or 50 minutes. This makes one good sized loaf of bread.

Third Notice

JUST THE RIGHT PRESENT. Don't take chances in the matter of Christmas presents. You don't want yours, like so many others, to be received with indifference or worse, and ten days after Christmas to be cast aside and forgotten. You take no such chance in giving The Youth's Companion for a year. Did you ever know of a home in which it came amiss, or of one in which it was not conspicuous on the library table or in some one's hands all through the year?

It is worth while to make a gift of that sort, and it is worth while to receive it, too, for The Companion illustrates the best traits in American life in its stories and sketches, upholds the best standards in its articles and other contributions, and combines the practical and informing with the entertainment and blood-stirring.

If you do not know The Companion as it is today, let us send you one or two current issues free, that you may thoroughly test the paper's quality. We will send also the Forecast for 1916.

Every new subscriber who sends \$2.00 for the fifty-two weekly issues of 1916 will receive free all the issues for the rest of 1915 and The Companion Home Calendar for 1916.
