NAME CANDIDATES AT CHICAGO CONVENTIONS

Hughes Nominated By Republi- cans and Roosevelt By Progressives.

Chicago.—Charles Evans Hughes, of New York, was nominated for president by the republican national convention on the third ballot. His vote was practically unanimous. * He received 949 1/2. Colonel Theodore Roosevelt received 18 1/2. Du Pont 5, Weeks 3, La Follette 3, and Lodge 7. One was absent. Before the roll call had covered half the states, Hughes had the necessary 494. New Jersey's vote touched the mark.

Charles Warren Fairbanks, of Indiana, was nominated for vice president on the first ballot, the official vote being, Fairbanks 863, Burkett 198, Johnson 1, Borah 8, Webster 2, Burton 1, not voting 3, and one absent. Total 987. The nomination was made unanimous.

While the demonstration on the floor was enthusiastic, it was orderly. The convention adjourned at 2:01 P. M. Saturday. There were expressions of harmony from all the leaders and among the delegates.

When the convention began business shortly before noon Saturday the withdrawal of the favorite sons was announced from the platform one after another, and votes began flopping into the Hughes column in solid blocks so rapidly that the nomination plainly was assured before the rollcall had gone five states.

Before the ballot was taken Saturday Senator Smoot, of Utah, announced the report of the latest meeting of the republican conferees with the conferees of the progressive convention, disclosing that the republicans had presented the name of Mr. Hughes for consideration as a candidate on which both conventions could unite. He also read the reply of the progressive conferees, which merely was an acknowledgment of receipt of the proposal. Then he read Colonel Roosevelt's statement to the progressive convention, which had been brought to the Coliseum by John McGrath, the colonel's secretary, suggesting that Senator Lodge be nominated by both conventions.

On the two ballots taken Friday, Justice Hughes led the field and gained strength. His supporters, confident that another ballot would give him a majority, resisted adjournment, but the convention, tired and worn with a continuous ten-hour session, was determined to rest until Saturday morning and adjourned until that hour.

On the first ballot the delegates followed their instructions, voting for favorite sons and primary choices. Senator Weeks got 105, Elihu Root 103, Cummins 85, Fairbanks 74 1/2, Sherman 56, Roosevelt and Knox 36. Henry Ford got Michigan's 30 votes by instruction, but his votes disappeared after the first ballot. Ex-President Taft got 14 from Texas and the scattering included complimentary votes for Borah, Willis and McCall, and the instructed vote for other candidates.

Chicago.—Colonel Roosevelt was nominated Saturday by the progressive national convention after four days of uproar and tumult, in which the delegates never wavered in allegiance or cast a passing glance on another man.

For his running mate, John M. Parker, of Louisiana, was nominated, after Governor Hiram W. Johnson, of California, had declined to let his name go before the convention. Both Roosevelt and Parker were nominated by acclamation.

Three minutes before the convention adjourned, Chairman Robins read to them a brief message from Oyster Bay in which Mr. Roosevelt declined to accept the nomination at this time.

The progressive national convention opened in the Auditorium with a record-breaking demonstration for Colonel Roosevelt.

For an hour and 33 minutes the delegates and spectators roared, shouted and cheered and applauded. They sang the progressive battle hymns, paraded the aisles and over the stage and howled down all attempts to check. The demonstration exceeded the previous record for such affairs.

July 7 has been set as the date for the opening of Albany's annual Chautauque assembly this year.

The senate has confirmed the nomination of Andrew J. Foster as receiver of the Lakeview land office.

CHAS. E. HUGHES

Charles Evans Hughes, who received the Republican nomination for President at Chicago.

HUGHES RESIGNS TO ACCEPT NOMINATION

Washington.—Charles Evans Hughes stepped down Saturday from the supreme bench and, again a private citizen, accepted the republican nomination for president. In a telegram ringing with denunciation of the administration's foreign policy and declaring for a dominating, thoroughgoing Americanism, he gave his decision to Chairman Harding, of the republican national convention, and broke the long silence which had kept the leaders of his party in the dark as to his attitude toward the great issues of the day.

On the subject of preparedness the telegram says, in part: "I believe in preparedness, not only entirely adequate for our defense with respect to numbers and equipment in both army and navy, but with all thoroughness, to the end that in each branch of the service there may be the utmost efficiency under competent administrative heads.

"I have not desired the nomination," said the telegram. "I have wished to remain on the bench. But in this critical period of our national history, I recognize that it is my right to summon and it is my paramount duty to respond."

PLATFORM ADOPTED BY REPUBLICANS

The leading planks of the platform adopted by the republican national convention at Chicago are devoted to preparedness, the Mexican situation, our foreign relations, the tariff, merchant marine, suffrage and the Philippines.

Declares that we believe in and will enforce the protection of every American citizen in all the rights secured to him by the constitution, treaties and the law of nations, at home and abroad, by land and by sea.

The preparedness plank declares both for military and industrial preparedness, and the increase in the strength of the army and navy to meet any possible foe.

Deplores conditions which exist as a result of the administration's policy with Mexico and speaks of the shame which it has inflicted on the United States.

The restoration of a protective tariff is declared essential to the prosperity of the nation.

Declares in favor of a merchant marine through the pursuance of a policy which has been productive of ship development abroad.

Believes that all who violate the laws in regulation of business should be individually punished. But prosecution is very different from persecution, and business success, no matter how honestly attained, is apparently regarded by the democratic party as in itself a crime.

Specifically calls for legislation for protection against child labor and declares for general workmen's compensation legislation and for legislation for compensation to workmen engaged in the federal service.

Reaffirms its faith in government of the people, by the people, for the people.

COFFMAN BACK ON "OLD CORNER"

For years and years and years and years Frank Coffman did the business of Lents on what came to be the "Old Corner," but four or five years ago Mr. Coffman decided he was getting old enough to take a rest. He sold his business to Clyde Sager and another gentleman and a short time later Mr. Sager took the entire business over. The business grew and as the town became more populous doubled up to big proportions. The rest sought by Mr. Coffman soon proved to be a burden. He is one of those restless souls that must be occupied. He tried first one thing and then another, finally bought some acreage and for the last two years has been raising spuds and other forms of agricultural collateral.

He kept thinking of his experience as a merchant and finally he persuaded Mr. Sager to consider a sale of his business. He immediately took charge and he is now "up to his eyes" on the old job. He hardly takes time to eat. He is happy and tired, and so busy his nerves are becoming adjusted to the old "swing." Sager's Store has been one of the very best in all Mt. Scott and Coffman's "Old Corner" doesn't expect to be second to Sager's. Mr. Sager's many friends regret to see him go. Mr. Coffman's friends welcome him back and wish him abundant success.

Valuable Machine Stolen

W. O. Ash drove his new automobile to the city the last of last week, left it while attending to business and when he returned to the place where he left it, it was gone. Since then no trace of the machine has been found. Anyone knowing the whereabouts of an unclaimed Ford will confer a favor on the Ashes by letting them know about it.

Rural Credits Petition Out

A copy of the new Rural Credits law and petition for placing it on the ballot has reached our office. Anyone desiring to consider the law or sign the petition will be at liberty to call and do so. There is room for plenty of names and all will have an opportunity to sign it, if you do not wait too long.

Club Elects Officers

The Five Point Club of Mt. Scott Chapter 110, O. E. S., held their May meeting at the home of Mrs. Emma Hawken of 72d street. A short musical program was given after which Mrs. Fredric Armstrong recited in her usual charming manner, "An old Sweetheart of Mine." Election of officers was then held, resulting in the election of Mrs. Emma Hawken as President, Mrs. S. J. Allen, Secretary, and Mrs. O. A. Hess, Treasurer. Dainty refreshments were served and much enjoyed. It is said that one of our Past Patrons has contracted the coffee habit. The June meeting will be held at the home of Mrs. Hainer near Stewart Station. All members of O. E. S. are cordially invited to attend.

Governor Moses Alexander, of Idaho, has accepted Governor Withycombe's invitation to be present at the Oregon state fair on Friday, September 29, governors' day. Governor Lister, of Washington, has also accepted an invitation to be present, so that, for the first time in its history, the Oregon state fair will have three state executives participating in its program at the same time.

The Pacific Livestock company, a cattle concern of southern Oregon, has fraudulently secured possession of 9772 acres of swamp land, of the approximate value of \$195,450, according to the complaint of Attorney General George M. Brown recently filed. This is one of a number of suits instituted by the attorney general to recover on vast tracts of land for the state of Oregon and from the present holders, who are alleged to have secured possession and to claim ownership by fraud.

ple, as a measure of justice to one-half the adult people of this country, favors the extension of the suffrage to women, but recognizes the right of each state to settle this question for itself.

Condemns the democratic administration for its attempt to abandon the Philippines.

Declares in favor of national control of transportation agencies through the interstate commerce commission by a constitutional amendment if necessary.

EGGIMAN BROTHERS OPEN NEW SHOP

Eggiman Bros., have just opened up their new market. It is one of the very neatest in the city. Lents is to be congratulated in having two of the best markets in all Portland. The new Eggiman Market is practically all new for even the furnishings have all been put in new since the fire which destroyed their old market a few months ago. The new building is a permanent structure of fireproof tile and brick, with one wall of frame, presumably because this wall will later be a partition wall in the building that will fill the entire corner. The work on the building has been in charge of T. Y. Cadwell and E. P. Tobin and has been completed on record time and in a most satisfactory manner. The largest plate glass window in Lents, to date, will adorn the front of this market.

The enterprise of the Eggiman Brothers and their success is a satisfaction to everybody, themselves included. Their reputation for good service has made them a host of patrons.

Returns After Extended Trip

Fred Katzy and wife returned from a two months trip through the east on Saturday evening. They went east by way of Salt Lake, Denver, St. Joe, St. Louis, Cincinnati, and Washington to New York. They visited the sights in Washington, called at the White House and left regrets for not having come in time for dinner. Then they went all over New York City. Fred happened to have an uncle supplied with a machine and there wasn't much left that they didn't see. Spent one Sunday at West Point and saw all the boys out on drill. Fred says that was a fine sight and he says West Point is a beautiful place.

They returned by way of Chicago and Minneapolis and while there renewed acquaintances with many old friends. But they are glad to be home. They say Oregon atmosphere suits them best of all and they wouldn't exchange it for all the advantages of the prosperous east.

Mrs. Zilphia Lewis Buried

Mrs. Zilphia Lewis, whose home was near Lents Junction, died June 6th at Salem, Ore. The body was brought to Kenworthy's last Saturday and the funeral was held at two o'clock in the afternoon, Rev. F. R. S. Browne officiating. She was buried at Multnomah cemetery. Mrs. Lewis was a native of New York state, having lived in Oregon the past six years. She leaves her husband, Frank J. Lewis, to mourn her loss, and other relatives in the east. She was fifty-three years of age.

John H. Toole Dead

John H. Toole, aged 76, of 6131 92nd street died June 11th of heart trouble. The funeral was held Tuesday the 13th at 2:30 at Kenworthy's. As Mr. Toole was a native of Ontario, Canada, his remains were returned to Sarnia, of that province for interment. He had lived in Oregon only a year. Mr. Toole was a widower, living with his daughter, Mrs. Susan F. Clark of this place. The funeral arrangements were conducted by the members of the Free Methodist congregation.

Christian Science Lecture

Fifth Church of Christ, Scientist, announces a Free Lecture on Christian Science to be delivered by Prof. Herman L. Hering, C. S. B., of Concord, N. H., member of the Board of Lectureship of the Mother Church, the First Church of Christ, Scientist, of Boston, Mass., at the Princess Theatre, Arleta Station, Monday, June 26th, at eight p. m. The public is cordially invited to attend.

"Valley of Dried Bones."

The island of Jamaica possesses a "valley of dried bones." It is near the Cunacuma gap, in the Maroon country. This valley, though in the heart of the "wet country," is bare of leaf and life. The limestone rock is hot. Giant trees, which seem to have been blighted suddenly, stand up gaunt and dead. Although vegetation seems to have been dense here in former years, nothing will grow now. During the hot season the temperature is almost unbearable. It is visited by seismic disturbances, which cause the dead trees and hot stones to rattle like dry bones.

CHAS. W. FAIRBANKS

Charles W. Fairbanks, who received the Republican nomination for Vice President at Chicago.

RUSSIANS BREAK AUSTRIAN FRONT

Petrograd.—Sweeping with irresistible force westward, General Brusiloff's great fighting machine has broken the Austrian front at three places and threatens the capture or annihilation of several Austrian divisions.

The Austrian retreat in many places is becoming demoralized as the Russians press westward toward the numerous prisoners taken daily and by the immense amount of booty found strewn along the path of the retreating forces. About 108,000 Austrians have been captured since the Russian offensive began.

More than 200 miles of the most complicated Austrian defenses have been smashed to pieces, not counting the miles of enemy works wrecked at points where the lines were broken. Many of these positions had been constructed by 10 months of hard work, prisoners reported. They went down under overwhelming fire from the Russian guns.

OUTLAW BAND IS ROUTED

Twenty Cavalrymen Surprise and Defeat 25 Mexicans in Dashing Fight.

Field Headquarters of General Pershing, via radio to Columbus, N. M.—The finishing blow was given the largest surviving band of Villa followers in Chihuahua by 20 men of the 13th United States cavalry, under Captain Otto W. Rethorst, in a dashing fight 20 miles north of Santa Clara near here. The Americans were unhurt. The Americans routed 25 Villa bandits, killing three, wounding several and capturing all their horses and saddles, some rifles and several thousand rounds of ammunition, crippling the band completely.

Germans Claim New Gains at Verdun.

London.—Heavy artillery actions occurred on all sectors of the Verdun front while the Germans re-distributed their forces for a fresh assault on the northeastern forts. The German war office announces further progress northeast of the fortress where ground has been gained southwest of Fort Douaumont and west of Fort Vaux. In taking a field work in the latter sector, more than 500 men and 22 machine guns were captured by the Germans, who announce that since June 8 their captures have totalled more than 1500 men.

Austro-Germans Check Big Offensive.

Berlin, by wireless to Sayville, N. Y.—German and Austro-Hungarian troops delivered a heavy counter attack on Russian forces advancing in northeastern Bukowina and drove them back, the official Austrian statement says.

Italian Cabinet Members Resign.

Rome.—The Italian cabinet, headed by Premier Salandra, resigned. This action of the ministry resulted from the failure of the Italian chamber of deputies to pass a vote of confidence in the government, following the presentation of the budget of the minister of the interior.

Letter Lost Twice.

Oxford university had to send to America three sets of papers for the last Rhodes scholarship examinations. The first set went down with the Arabie and the second set with the Heperian. The third set got across in safety.

DEMOCRATS' WORK LAID OUT FOR THEM

Wilson and Marshall Expected to Be Renominated at St. Louis.

St. Louis.—Out of the echoes of the Chicago convention there came the sound of the advancing hosts of democracy to name the standard-bearers of their party for the presidential campaign.

The renaming of Wilson and Marshall after the 1892 delegates have adopted a platform which in the main has been sketched by President Wilson, is expected to be carried through without a hitch late Friday night or early Saturday morning.

Every one of the delegates to the convention either is instructed for or committed to the renomination of President Wilson, and the vast majority of them, according to many national committeemen, are read to re-name Vice-President Marshall. A few votes are expected to be cast for some favorite sons for the vice presidential place, but the party leaders assembling here predict the other names may be withdrawn and that Marshall's renomination, like that of President Wilson, will be made by acclamation.

Principal Planks for Platform.

The principal planks that await presentation to the platform committee are:

Foreign relations, the Mexican situation, preparedness and tariff. The foreign relations plank will set forth the unprecedented conditions that have arisen as a result of the war, and it will be pointed out that while President Wilson has kept the nation from strife, he has also maintained a neutrality both "strict and honest."

The plank on the Mexican situation will develop that this question has been approached with the idea not only of keeping peace with the Mexican republic, but of maintaining peace within the borders of the United States.

On the question of preparedness the platform will assert that the party has met the demands of the worldwide situation by an advanced stage of preparedness of the navy, the enlargement of the army and the reorganization of the national guard.

The tariff plank will point out that the reduction of tariff duties so that the income from that source in normal times would meet the demands of the government is an achievement of the democratic party.

MEXICAN ANTIPATHY GROWS

Carranza Authorities, in Many Instances, Appear to Be Indifferent.

Washington.—Increasing excitement and anti-American feeling throughout northern Mexico is described in dispatches to the state department. In many cases, it was said at the department, the Carranza authorities appear to be indifferent to what is going on. Details of the reports were not made public.

With 1500 additional regular troops ordered to the Mexican border and reports of the rapid spread of anti-American feeling continuing to pour in from consuls all over northern Mexico, administration officials made no attempt to disguise their uneasiness. It was officially admitted that there is a growing alarm over what the agitation may produce and the possibility of an attack on General Pershing's expedition. Part of the increasing apprehension here is due to the renewed raids in the Laredo region.

Kitchener's Death Was Due to Mine.

London.—The British cruiser Hampshire, on which Field Marshal Earl Kitchener and members of his staff were lost, was sunk as the result of striking a mine, it was officially announced. All hope has been abandoned for all save 12 men from the Hampshire, who were washed ashore on a raft, the statement says.

Italian Cabinet Members Resign.

Rome.—The Italian cabinet, headed by Premier Salandra, resigned. This action of the ministry resulted from the failure of the Italian chamber of deputies to pass a vote of confidence in the government, following the presentation of the budget of the minister of the interior.

The fourth annual convention of the Pacific coast division of the Religious Education association will be held in Portland Nov. 19 and 21.
