### Tremont, Kern Park, Arleta.

Mrs. M. F. Whitney, of 63rd street, entertained a number of friends at a Five Hundred party on Saturday evening. The decorations were in green in honor of Ireland's patron saint. A most delightful evening was enjoyed. The following were present: Mr. and Mrs. H. Allen, Mr. and Mrs. Fred Alvord, Mr. and Mrs. Raymond Gollings, Mr. and Mrs. Coy Organ, Mr. and Mrs. Percy Harris, Mr. and Mrs. Wm. Taylor, Mrs. Lyda Tibbils, Miss Gertrude Taylor, Herman Rhower, and Mrs. Mae Hollman, of Mont. Mr. Taylor won the first gentlemen's prize and Mr. Allen the second prize; the first lady's prize was won by Mrs. Harris, while Mrs. Hollman won the second prize. Mrs. Taylor won the lady's booby prize and Miss Gertrude Taylor, who filled the place of a gentleman won the gentlemen's booby prize. Refreshments were served at the conclusion of the evening's pleasure.

The School Board has changed the name of Hoffman school, at 68th and Powell Valley road. It will hereafter be known as the Joseph Kellogg school.

The Arleta Artisan Lodge gave a card party on Monday. Leave it to the Artisans to have a good time.

Several of the Mount Scott people are taking advantage of the free course in First Aid to the Injured given at the Central Library, 10th and Yamhill Sts., by Dr. Green, of the American Red Cross Society. This is a splendid opportunity to get a free course of instruction along a line that is of as great importance as anything that could be mentioned.

L. Smith has had the misfortune to hurt his hand very badly twice recently. On March 7th, while engaged at his work in the Sash and Door factory at Kern Park, he cut the middle finger of his left hand, and on the 17th inst., he lost the middle finger of his right hand in a similar manner. Dr. Lockwood attended him both times. The first finger will undoubtedly be saved, but the last time the finger was so badly mangled as to necessitate its amputation.

Mr. W. J. Swope, the postmaster at Arleta, is confined to his home, recuperating from the effects of overwork. The home of Mr. and Mrs. E. B. Couey 6003-40 avenue S. E., was the meeting place of a happy throng Friday evening which spent the time in games, contests and music, all of which were appropriate for the celebrating of St. Patrick's Day. Mrs. C. C. Tripp delighted the audience with her Irish songs and Miss Johnston and Miss Dryden rendered piano duets to the entire satisfaction of all present. The guests were divided into two groups by finding of shamrocks which had been hidden about the rooms, the letter upon the shamrock indicating the group to which the finder belonged. At the close of the contest the losing side entertained the winners by relating Irish stories and singing Irish ditties.

The rooms were tastefully decorated with green and white garlands, hanging from the corners of the rooms and the electric chandeliers.

At quite a late hour refreshments were served, Mrs. Ferris, Mrs. Rogers, Mrs. Finzer, Mrs. Lasley and the Misses Couey assisted the hostesses in serving. The affair was planned by the ladies of the Anabel Presbyterian church. More than 65 persons were present.

On Sunday evening Rev. McLean, who has charge of the Missionary work of the Presbyterian Church in Mexico, spoke to a large and attentive audience at the Anabel Church. Rev. McLean went into the Mexican question very thoroughly, showing why the feeling of hatred of the American is so deeply rooted in the minds of the Mexicans. Rev. McLean is the father of Robert N. McLean of Dubuque, Iowa, who was at one time pastor of the Anabel Church. The Ladies Amphion Quartet under the direction of Mrs. C. C. Tripp rendered a couple of beautiful sacred selections.

Beginning with Sunday, April 1, the regular preaching service of the Anabel Presbyterian Church will be held at 7:30 instead of at 5 o'clock as has been the practice during the winter months. The Christian Endeavor Society will hold their meeting at 6:30. The early service during the winter months has proven quite satisfactory.

The Laurelwood Methodist Church is rejoicing at the successful culmination of raising a fund of \$500 with which to pay off some long-standing debts and to pay several hundred dollars on the new parsonage. The pastor, Dr. C. R. Carlos, was assisted in this work by Dr. W. W. Youngson, the District Superintendent, who is making a splendid record in inspiring many of the churches in making material improvements. Laurelwood Church was never in a better financial condition and with the splendid spirit of co-operation manifested by this achievement the future is most hopeful.

The Sunday School Board of the Laurelwood M. E. Church recently elected the following officers for the ensuing year: Supt. W. D. Rodabaugh; Asst. Supt., Miss Mary Metz; Supt. Primary Department, Mrs. Rose Grey;

Secretary of Board, George Grey; Secretary of Sunday School, C. W. Mollett; Supt. Home Department, Mrs. A. H. Moeller; Supt. Cradle Roll, Mrs. Mary Onslow; Treasurer, C. O. Sexton; Chorister, C. W. Mollett; Organist, Mrs. Lottie Carlos; Librarian, Miss Lillian Schmidt.

### Cherryville.

Spring is here once more. Everybody is anxious to get to work in the field and garden.

Snow is fast disappearing here, but it will be some time before it is gone in the mountains.

August Berlenstein has gone over the mountains to Eastern Oregon, where he intends to work the greater part of the season.

Carl Raultrel, of Brightwood, took a couple of dressed hogs to market and tells us that he had to bring his money home in a gunny sack. He does not understand what they wanted of the hogs as people certainly could not afford to eat them.

D. E. Smith, who lives down near Damascus, is the bean king of Oregon. He intends to plant 100 acres to beans this year, mostly the Lady Washington variety, a small white bean. He has purchased a bean threshing machine and a bean mowing machine. These beans yield about one-half ton to the acre and are now contracted at 8 1/2 cents a lb. He runs a chance of their being nipped by the frost, or ruined by a wet spell, but in the event of a hot dry summer, which is predicted, he stands a show of making a good piece of money. He will also cut 100 acres of white clover for seed, which is also high priced. He has rented land near La Grande for about \$10.00 an acre.

### THE SONG OF THE PROFITEER.

Oh! I am the son of a gambler,  
And a greedy, tight-clam profiteer.  
I boost the prices in a sudden sally,  
And up the cost of food-stuffs rally.  
I've made a pile of gold galore,  
But still I want a whole lot more.  
The spuds and meat are out of sight,  
And prices are sailing like a kite.  
What care I if children cry for bread!  
Let them live on air and wind instead.  
If they haven't the price I ask to live  
They can do without—I've nothing to give.  
A profiteer is a pirate and greedy plunger,  
Not caring a rap for those who hunger.  
Why don't the wise and smart and great  
Do something for those of poor estate?  
"Do good to all men" is written in the Book,  
For all to read if they will only look.

Friends and neighbors surprised Mr. Himebaugh at his home on Saturday evening. A most delightful time is reported. These neighborhood gatherings are getting to be quite popular events.

The Ladies' Needlecraft Club met at the home of Mrs. Henderson on Tuesday. The day was stormy, but several were present and a pleasant afternoon was enjoyed.

This district was well represented at Pomona Grange at Pleasant Valley on Wednesday.

Spring gardening is getting under way in this neighborhood and other evidences of Spring are numerous.

The many friends of Mrs. J. Howe Sr. will be pleased to know that she is improving from the effects of an operation recently undergone in California, where she is spending some time.

Mr. Fairfowl and son Dwight are finishing up their house on 65th Ave. This will be quite an improvement to the neighborhood as it is strictly modern and up to date.

Several pupils of Woodmere school are absent with either the measles or mumps.

Miss Helen Douglas visited her mother on 82nd St. a few days ago.

Mrs. Lawrence, of 83rd St. is still in California where she reports an enjoyable time.

Mrs. Tibbils of 64th Ave. is able to be out again after her recent serious illness.

We note the arrival of a new Ford delivery car for Katzy Bros., in our district. We extend best wishes to this firm, which is deserving of the patronage of the public.

Mr. Call has moved into the old Bennett house on 60th Ave. where he contemplates going into the chicken business.

Mrs. A. H. Nelson of 81st St. has been on the sick list for a few days, but is reported to be improving.

Messrs. A. H. Nelson, Fred Peters and R. E. Thomas went down to I. O. O. F. Temple a few nights ago to witness Hasslow Lodge put on the degree work, which is always a credit to that lodge.

W. A. Young is doing some building for R. E. Thomas of 68th Ave.

Mrs. F. M. Peters, Mrs. A. H. Nelson and Mrs. R. E. Thomas attended the Royal Neighbors Convention on Tuesday

evening to see the team work of the different lodges in competition for the prize. The work was of a very high order, reflecting great credit upon the various lodges of the district.

Harry Gross of 82nd St. 66th Ave. S. E. is involved in a bootlegging charge in company with two accomplices who have acknowledged their part in the transaction. Mr. Gross stoutly denies his guilt. Six trunks, each containing three five-gallon casks of whisky was the means employed to get the liquor into the State, but the scheme was too old to work.

## FISHING AND HUNTING LICENSES AS BARGAINS

### State Game Warden Presents Condensed Extracts Of The Fish and Game Rules for 1917.

Fishermen and hunters may save fifty cents on each license by buying them before May 21st, as on that date the law passed at the recent session of the Legislature goes into effect increasing the price of hunting and angling licenses from \$1.00 to \$1.50, and a combination license from \$2.00 to \$3.00. State Game Warden Carl D. Shoemaker says that there has been quite a rush for licenses in many parts of the state, due in all probability to the fact that the raise in licenses will become effective soon.

Other changes in the game code made at the session of the Legislature just closed are as follows:

Free running dogs, or dogs following upon the track of any game animal, may be declared a nuisance after notification in writing to the owner of dogs, and the animals may then be killed without any criminal or civil liability on the part of the person killing the same.

One-half of all fine moneys will hereafter be sent to the credit of the Game Protection Fund.

Women are exempt from purchasing angling licenses, but must obtain a hunting license if they desire to hunt for any of the game birds and game animals of the state.

The deer season for District No. 1, which is western Oregon, has been shortened two weeks and will hereafter open on August 15th and close on October 15th, the bag limit has been reduced from three to two deer in any season.

In Game District No. 2, the open deer season begins on September 1st and will close on October 31st, with the exception of Klamath, Malheur and Harney counties, where the season will be the same as in District No. 1. Bag limit is reduced to two deer.

The open season on migratory birds throughout the state will be from October 1st to January 15th, with the exception of Malheur and Harney counties, where the season will be free from September 16th to December 31st.

The Chinese pheasant hen has been protected and only male birds may hereafter be killed, the bag limit is five in any one day and not more than ten in any seven consecutive days.

In Hood River county a ten days' open season on male Chinese pheasants has been provided, from October 1st to October 10th, with a bag limit of three birds in any one day or ten during the season.

All over the state the bag limit on trout has been reduced from 75 to 50 trout, or 35 pounds in any one day.

Winter fishing for trout in game District No. 2 has been prohibited with the exception that trout over 18 inches in length may be caught.

The open season on six inch trout begins April 1st and sportsmen are urged to purchase their licenses and carry them on their person as strict orders have been given deputies to check up all anglers found fishing in the streams.
