

'That Feeling of Security'

Have you noticed the decreasing number of cords attached to eyeglasses?
That is largely because a recent improvement known as the AO-Loop makes it possible for us to adjust Fits-U Eyeglasses to fit your nose so that they positively cannot fall off or blow off under any ordinary circumstances.

Fits-U Eyeglasses

are guaranteed to give perfect comfort and you'll certainly admit, when you see them, that they present a remarkably handsome appearance.
Drop in and examine a pair. They will surprise you.

How To Choose Your Drug Store

Select your drug store with the same care that you select your doctor.
Trade at a drug store that pays more attention to making a customer than to making a sale.

Trade at the drug store where you can be sure that you are getting the most and the best for your money.
Trade at the drug store where you can "feel at home". Where you can feel at liberty to make use of all the resources a real drug store peculiarly has for your help, convenience and accommodation.

It is that kind of a drug store we take pride in running.
The relations between a druggist and his customers are akin to those between a doctor and his patients. The moment a druggist forgets this fact he ceases to be a real druggist.

We want you to make use of all the advantages our Service holds out to you.
We are always ready to refund your money without question or quibble on any purchase you make here that is not perfectly satisfactory to you in every respect.

Local and Personal

Word has been received that Mr. and Mrs. F. Earle Wing, of Hutton, Alberta, Canada, are the proud parents of a little daughter, who arrived on April 28th. Mother and daughter are reported as doing nicely. It will be recalled that Mr. Wing was formerly a Lents boy and has many friends in this vicinity. He is now the owner of a 400 acre wheat ranch in Alberta.

I. F. Coffman of 92nd street, has just completed the painting of the interior of his house and has now commenced on the outside. He is inclined to believe this task will serve to keep him out of mischief for some time to come.

Paul Bradford, who has been for some time an employe of the Lents Post-office, is now driving a car for John D. Quite a rise from a humble postal clerk to that of chauffeur for a great financial magnate.

Born, to Mr. and Mrs. E. E. Ulrich, of 85th street, on May 1st, a son.

Mr. and Mrs. Wm. Anderson, of 90th street, spent several days with relatives and friends at Troutdale over the weekend. Mr. Anderson has just received his honorable discharge from the Army and is taking a few days vacation before returning to his former position which has been kept waiting for him.

Mrs. Minnie McCord left Saturday for Shells, Ore., where she expects to remain for some time.

Dr. A. Klaptocz is leaving Lents this week, to be absent indefinitely. We trust he will decide to return and locate permanently in this vicinity.

Governor Withycome and President Doney, of Willamette University, put their hands to the plow on Thursday last and assisted in turning up a portion of the Willamette University campus, which will be planted to potatoes. The Governor and president not only assisted in plowing, but they also planned some of the potatoes and beans which will be grown by the students.

Floyd Murphy, the barber, has moved his shop from Woodstock Ave. on the car line, to Foster Road in the building adjoining the Home Telephone Co's. office, opposite the postoffice. The change was effected the first of the week.

The Lents Hardware Co. have fairly outdone themselves in arranging their window display this week. It is very attractive and highly educational as well.

Miss Hockstra leaves this week for a visit to her grandmother in Montana.

The many friends of Peter Leipzig, Agent at Lents Junction, will be pained to know that he has suffered a nervous breakdown and at the present time is tilling the soil in Forest Grove. Pete, as he is familiarly called, maintains that he is benefitting physically and financially. He is following the plow and planting spuds. We hope that he may soon be back in his old stand at the Junction selling Mothers' home made pies, candy and cigars.

A Million Back Yards.

What of your back yard? Is it littered up with refuse, or abandoned to weeds? Plow it up and plant potatoes or other foodstuffs. It may yield only a dozen bushels or so, and as only one back yard its effect upon the national yield would be but an atom.

But if a million back yards were thus tilled, think of the result. Twelve million bushels or more of potatoes or other foods from back yards alone!

Church Notes.

(Continued From Page 3.)

Methodist Church.

The service on Sunday morning will be appropriate to the observance of "Parents' Day." The pastor will preach a sermon appropriate to the occasion. The Junior League will contribute some special music to the program of the morning service. At the evening service will occur the installation of the newly elected officers of the Epworth League, with appropriate and impressive ceremonies. The pastor will briefly present the interesting subject of the Old People's Home at Salem.

The Epworth League will present the Anniversary Day program at their service at 7:00 o'clock. Miss Luzelle Kearney will be the leader.

On Tuesday afternoon and evening a group meeting will be held at the Lents church, Brentwood, Kendall and Laurelwood churches participating. The complete program for this meeting will be found on page 1, of this issue.

On Friday evening of next week the Epworth League will give an entertainment at the church for the benefit of the Church Improvement Fund. An interesting program is being arranged which will include a short play entitled, "Young Dr. Frances Devine." There will also be readings and musical selections. A social time follows the presentation of the program. No admission will be charged, but a silver offering will be taken. Friends of the League are urged to loyally support them upon this occasion and rejoice their hearts by a liberal contribution to the fund.

ANNIVERSARY AND ALTERATION SALE

Only one year ago we purchased the Emporium, reorganizing and renaming it

The Stevens' Cash Dept. Store

Our success depended on the support of the people of Lents and vicinity. The patronage we have received has been most gratifying, and to show our appreciation we hold this SPECIAL Sale; also to make room for the carpenters to make necessary alterations and room for our increased business and a larger stock for which we are now pressed for room. We feel sure these cut prices will meet with favor, considering the present business conditions.

Sale Starts APRIL 28 AND RUNS FOR THREE WEEKS. See bills for prices

PLAN TO STAMPEDE VOTERS BEING HATCHED

Indications are that a plan is being incubated whereby advertising and publicity of different kinds will be used to frighten voters from their intended support of the two-platoon measure for the benefit of Portland Firemen. Where the money will come from to pay for newspaper space and personal work is not clear.

The voter should look out for sensational statements against reform in the fire department. Garbled statements mean little, and should mean nothing in this campaign, where the firemen have presented a solid bulwark of facts in favor of the two-shift system. Stand firm, voters, and give the firemen a square deal.

Firemen's Two-Platoon Com.

Trade Conspiracy Ordinance

This ordinance provides a means of dealing with the causes of unfair attacks upon business concerns, without curbing the legitimate rights of individuals to express themselves as they may see fit.

Makes it possible for the general public to be protected from the humiliation and irritation of being used as a tool of a small group, in a campaign to wreck an industry.

It is hostile to nothing legitimate, and it is extremely friendly to the rights of all men, regardless of their industrial affiliations, and to the general peace of the community.
