

Church Notes.

(Continued from Page 7)

On Sunday morning members of Wilson Post G. A. R. and Relief Corps were present in a body and Rev. Jasper preached a patriotic sermon. The church was beautifully decorated, the national colors being in rich profusion everywhere.

The Adult Bible class held their monthly meeting at the church on Wednesday evening, Major Reep, president of the class presiding. A short musical program was given consisting of solos by Mrs. Daniels and Mrs. Jasper, a duet by Mrs. Daniels and Mrs. Sells and several selections by the audience, after which Rev. Homer L. Cox, of the First Friends Church, gave an intensely interesting address on "How to Study the Bible."

The Service Sunday evening was largely musical, The Male Quartette giving several numbers which were greatly appreciated. The Quartette is broken up at present, owing to Mr. Wilkinson departing this week for California. This will be a distinct loss to the church.

Friends Church.

Ernest E. Taylor, of Newburg, preached last Sunday morning. Many people will remember Mr. Taylor as the executive secretary of the Prohibition state committee from 1910 to 1914. He expects to devote himself for a while to building up the interests of the Friends Church in unoccupied fields. As a result of a narration of his call to the ministry four persons were at the altar Sunday morning.

The peace committee of the church furnished an interesting program in the evening.

Emile Swanson outlined the work of the army Y. M. C. A. and took an offering for its extension.

Mrs. O. M. Tamplin discussed the attitude of the Friends Church toward military service and gave an account of the work of the English Friends ambulance work in France. The British government speaks of this work in the highest terms. Besides administering to the sick and wounded, British Friends are helping the homeless to rebuild and get a start again in life. They are spending \$25,000 a month of their own funds for work of this character.

Mrs. George L. Carr very gracefully conducted the program. Kenneth Tamplin and J. Sanger Fox rendered solos.

Sunday morning will be Children's Day at the Sunday School and the school will be reorganized into classes conforming to the school grades. Promotions will be made in accordance therewith. The following program will be given:

Hood, through here, in less than three years and that a different base would then be laid. This will make the road one of the most extensively traveled in the country and a part of the great Columbia Highway.

geles, Calif., where they will make their future home. They will be greatly missed by a circle of friends, especially in the circles of the Methodist Church, where they have been active workers. Mr. Wilkinson is a member of the Male Quartette and his place will be hard to fill.

Small burglaries are being successfully negotiated all over the city according to reports and Lents seems to be having its share. The latest to be brought to our attention occurred at the Goggins home on Monday. As Mrs. Goggins was busy in the kitchen a screen at a front window was cut, admitting of the entrance of some one who made his get-away the richer by \$11.00 which he had secured. No clue was left as to the perpetrator.

We are in receipt of communications from various of the candidates, stating the reasons why they should receive the support of the voters of the city. We are not able to publish them for lack of space. However, a mass meeting will be held at the school auditorium of Lents on Saturday under the auspices of the Lents Improvement Club, to which all candidates have been invited and to which all citizens of this district are urged to come.

JOSELYN AND CALDWELL

Tell Lents Citizens Why They Should Be Elected To Office.

B. S. Josselyn, candidate for Mayor, and G. W. Caldwell, candidate for Commissioner, addressed the people of Lents Monday evening in the school auditorium.

Mr. Josselyn based his claims to the suffrage of the people on his record as President of the P. R. L. & P. Co. The city is a big corporation and a man who has successfully handled big corporations has great promise of succeeding as mayor.

It is doubtless true that Mr. Josselyn supervised the expenditure of more money in public utilities while head of the Light & Power Co. than any other man in Oregon has expended in any way. If he should work for the interests of the city as faithfully as he did for the corporation he would make a good mayor.

Mr. Caldwell emphasized the importance of civil service; expressed himself in favor of the Two Platoon measure, and stressed the importance of electing men to the city commission who could refund the bonded debt of the city, now rapidly coming due.

MEAL OF MUSHROOMS NEARLY PROVES FATAL

Dr. G. F. A. Walker, Optometrist, residing on Buckley Ave., with offices in Morzan Bldg., is just recovering from a severe case of ptomaine poisoning, which nearly resulted fatally, caused by eating mushrooms, picked locally. He was discovered in his office in an unconscious condition and taken to the Good Samaritan Hospital, where heroic efforts were made to save his life, which finally proved successful. He remained in the hospital nearly a week. It is now the third week and he has not fully recovered. His hearing is affected and his limbs seemed to be partially paralyzed.

The mushrooms were declared to have been genuine; otherwise nothing could have saved his life. The theory is given that they may not have been entirely fresh, or else they grew near some poisonous plant and being of a porous nature they absorbed the poison.

EPWORTH LEAGUE GIVES SUCCESSFUL SOCIAL

The entertainment given by the Epworth League at the church on Friday evening of last week was well attended and greatly enjoyed. A program was rendered including musical selections by Miss Dorthea Anderson, of Creston Station, vocal solos by Mrs. Daniels, Mrs. Jasper and little Virginia Daniels, a reading by Elizabeth Hyde, and a little play in two acts, entitled "Young Dr. Devine," the scene being laid in a young ladies' seminary. It was a simple little girlish comedy, such as might occur in any similar school. A social time followed the rendering of the program which was greatly enjoyed. The Church Improvement fund was increased to the amount of \$10.00 as a result of this event.
