

IF THERE IS ANY QUESTION in your mind as to my ability to fit glasses correctly, even after others have

failed to give satisfaction, read this: Dear Mr. Pratt: I am glad to report that the glasses you fitted for me are working finely. My eyes are better now than they have been for several years. After the best specialists I could find back East failed to help them, I was about discouraged, but they are all right now. Mrs. Farr's glasses are also a perfect success. Her head quit aching before she had had them on an hour and hasn't bothered her any since. We are both recommending you to all our friends here.

Yours cordially,

REV. H. IRWIN FARR. Come in and consult me about your vision troubles. You will incur no obligations whatsoever.
