Miss Laura Harvey, of 90th St., is entertaining Miss Nellie Young, of Crabtree, Mrs. Margaret Ham, and Miss Nora Baird, both of Monmouth, at her home this week. They are here to attend the N. E. A., of which they all, including their hostesses, are members.

Mrs. D. H. McKinley and daughter, Miss Clara, and her sister, Mrs. C. Holmes, all of 92nd St., left Monday for a two weeks' stay at Gladstone Chautauque. As members of the Harmony Club they will have the use of the beautiful cottage belonging to that organization.

Miss Laura Hammer, of Klamath Falls, who is spending her vacation at the home of her brother, Jesse Hammer, 86th St., was taken suddenly ill last week and was removed to the Good Samaritan Hospital where an operation for appendicitis was found to be necessary. She is recovering nicely and was able to be brought to the home of her brother on Monday evening. Miss Hammer is a teacher in the Klamath Falls schools.

Miss Katherine Butterfield, of 90 E. 34th street, gave a birthday party on Friday in honor of her mother's 52nd birthday. The following ladies from Lents attended: Mesdames Nellie Woodworth, Blything, Armstrong, Soberin, Hawkins, Wilkinson, Miss Ada Hamilton, Mrs. Cooper and daughter, Margurite. A very pleasant afternoon was spent with games and music, after which Miss Katherine served ice cream and cake, assisted by her little sister, Miss Alice.

Geo. V. McClure, formerly of Lents, but at present of the Friends Church at Rex, was in town on Saturday. This

little community, the immediate population not exceeding 75, with a somewhat larger contributing territory, recently cleared \$123 00 for the Red Cross by holding a Strawberry Festival and chicken dinner. It was by far the largest affair ever pulled off by the community, about 800 people attending. One of the attractions of the occasion was a lecture by J. Dean Butler, formerly Principal of Schools in the Philippine Islands. He donated his services, bringing his Philippine exhibit with him.

## Church Notes

### Evangelical Church.

The subject of the sermon Sunday morning at the Evangelical Church will be "The Coming Resurrection." Rev. Hornschuch will speak in the evening on "Lessons From Daniel." There will be special music by the orchestra at both services. In the evening the praise service will commence at 7:45 and continue for thirty minutes.

Owing to vacation time the attendance at the young people's services Sunday evenings has been small. Our president, Paul Bradford, is untiring in his efforts to make the meetings as attractive as possible and securing the best possible leaders. He announces a surprise in store for next Sunday evening. Why not surprise him by a large attendance?

After the monthly business meeting of the Young People's Alliance, which was held at the church on Tuesday evening, the young people were informed of the recent marriage of one of their members, George Moffett, residing one and one-half miles East of Lents. After the session adjourned the young folks hiked to the home of the newly-weds and surprised them with a short serenade. After a pleasant hour spent with music and eating cantaloupe, which was provided by the young men, the crowd heartily congratulated the young couple and took their leave.

### Friends Church.

Services will be held next Sunday both morning and evening. The time of the evening services has been changed for the summer months. Christian Endeavor will begin at 6:55; the evening service will be held at 8:00 o'clock. Prayer meeting will be held at the usual hour. Seven new members were received into the church last Sunday morning.

There is every likelihood that Mrs. Nettie Riley, former pastor, will be present soon at a Sunday evening service to deliver a "Peace" sermon for the special benefit of the young men of military age. Mrs. Riley is down from Entiat, Wash., attending the Oregon State Holiness Association Campmeeting.

The monthly business meeting of the Christian Endeavor society was held at the home of Mr. and Mrs. Ben Brumwell, 10003 Foster Road, on Tuesday evening with forty-seven present. Some splendid reports were read from the various committees. The most inspiring report of the evening was given by the Flower Committee, under the chairmanship of Carroll Tamplin. Much credit is given them for their unusual activities in decorating the church each week. One new active member was reported. A very enjoyable social hour was spent at the conclusion of the business session under the supervision of the Social Committee. Ice cream and cookies were served as refreshments.

### Methodist Church.

Mr. Jasper will take for the subject of his sermon next Sunday morning, "The Inner Circle." The topic for the evening sermon will be "The Enthusiasm of Jesus." There will be special music at both services including a selection by the Mixed Quartette in the morning and a duet by Messrs Frost and Repp in the evening.

The Sunday School will observe Red Cross Sunday on the 15th inst., a special collection being taken for this cause on that day.

On Tuesday evening of next week the Sunday School Board will meet at the church. A full attendance is desired.

The Epworth League service Sunday evening will be of unusual interest. It will be held out of doors if the weather continues nice. Miss Wilhelmina Harvey will lead. The topic is, "What Would You Do With One Million Dollars?" The question will be discussed in the form of a debate on the following: Resolved, That it Would Make for the Betterment of Conditions in This Country to Limit the Accumulation of Wealth Both Individually and Collectively. Luella Kearney and Ivan Gay will take the affirmative, while Mrs. Minnie Hyde and Berry Ott will support the negative side of the question.

(Continued on Page 7)

The cry has gone forth in California, "Draft the idle land!" Why not? What is there sacred about a speculative tract that in time of national defense homes should be bereft of sons and acres should be left to intensify the shortage of food?
