Hear Ye! Hear Ye!
Hear Ye!

This is a summons in which every man, woman and child in this community should be interested. It is a Call for Co-operation---an appeal to our community Spirit---a plea for us "to get together." Each week we will show a cartoon and tell in story the needs of our community---what is holding it back---the things we must overcome to progress and how this can be accomplished by co-operation. We will "Knock the Kicker" and "Boost the Booster." We may hit some of you pretty hard---the truth always hurts---but it's our most powerful ally for advancement. If you are interested in the progress and future of our city you can help by reading these editorials each week---and co-operating with us in making this a bigger---better---happier---more prosperous community.
