Refreshments consisting of ice cream and cake were served at the conclusion of the installation ceremonies in the banquet hall above.

RESIDENCE SCHOOL OPENED IN DISTRICT

A new educational institution has opened up in the Mt. Scott district, which is known as the Mt. Scott Residence School, 5627 72nd St., S. E., Nashville Station. English is made a specialty; preparatory courses in stenography and typewriting are also taught. Other public school branches are taught by arrangement.

The Principal is W. Aimee Hollingworth, A. B., graduate of the University of Southern California. She is experienced in business colleges and public school work; has had work toward the Master's Degree under the University of Oregon. Day and evening classes are held.

Undoubtedly this school will prove itself invaluable to those who wish special coaching in certain subjects, as well as others who wish for various reasons to avail themselves of the excellent advantages offered.

With coal at \$1.90 a ton at the mouth of a mine less than 100 miles from Portland we should not have slabwood held up for \$4.50 a cord.

LENTS FIRE BOYS ELECTS OFFICERS

Effort To Be Made To Secure Motor
Equipment For Ladder And
Chemical Apparatus.

The annual meeting of the Lents Volunteer Fire Department was held at their hall on Wednesday evening. The following officers were elected to serve during the coming year: Chief, W. E. Goggins was re-elected; assistant chief, Wm. J. Boland; treasurer, Dr. Ogebury; secretary, C. Baker.

The department will meet the first and third Wednesdays of each month. The membership at present numbers 18.

An important item of business which came up for consideration was the commissioning of Chief Goggins to appear before the City Fire Department and request motor equipment for the ladder and chemical apparatus which comprises the present outfit of the local department. There is every reason to believe that this very reasonable and modest demand will be met.

What To Do If You Are A Man Of
Military Age—It Is Easy If You
Know How.

Portland, Ore., July 25.—Every man in Oregon registered under the selective conscription act should know just what to do if his number is drawn and he is called for service on the first draft, soon to be made.

First, he should learn at once, if he has not already done so, the new red ink serial number of his registration card. He can learn this by applying to his local county exemption board.

As soon as the names of the men to be called from Oregon on the first draft are known, the local exemption board in each county will post a list of the men drawn from that county. Only in counties that have already supplied their full quotas through volunteers in the regular army and National Guard, will this not be done.

The county exemption boards will also send notification, at the address on his registration card, to each man called. This letter will direct the man drafted to appear before the board for physical examination on a specified date.

Whether or not the man called intends to file a claim for exemption or discharge, he must appear without fail on the date named.

If he desires to file a claim for exemption or discharge, he has seven days in which to do so from the day the call to him was mailed and posted. The procedure is more simple than is generally supposed.

First, if you come under the exempted class, go to your exemption board and ask for Form 110 for exemption, or Form 121 for discharge (men having dependents apply for discharge instead of for exemption.) Second, fill out the proper form and file it with the board. Third, do this within seven days of the posting of the call to you to present yourself before the board.

After having filed your claim, however, you will still have ten days in which to file proof. All proofs must be in the form of affidavits. Upon application the board will give you the official blank forms for these affidavits. Have the affidavits properly made out and return them to the board within the 10 day time limit.

Another important fact to remember is that county exemption boards cannot consider claims for industrial exemption. Such claims must be made to one of the three district boards that will sit at Portland, at LaGrande and at Eugene.

Moreover, claims for industrial exemption cannot be filed with the district boards until the county exemption board has certified and posted your name as one who has been called for service and not exempted or discharged.

Card Of Thanks.

To the many friends and neighbors who rendered such kindly assistance to us during the illness and subsequent death of our father we wish to extend our heartfelt thanks, especially to the members of the Oddfellow lodge of Lents, Mr. and Mrs. C. E. Kennedy.

Congress seems to have given enough authority to the executive department to bust the food combines.

RAISE BEANS SAYS MR. HALL

Potatoes And Grain But Half A Crop
Owing To Dry Spell—Prospects
For Beans Good.

County Agricultural Agent, S. B. Hall, was in Lents Wednesday and made this office a pleasant call. Mr. Hall is actively and efficiently looking after the agricultural interests of this county and is thoroughly conversant with conditions. He, with other county agents of the State, met in Portland last week to submit a report of conditions in their respective counties to Carl Vrooman and it developed that because of the continued dry spell the potato and grain crops of the state will only yield about 50 per cent. The prospect for beans is fairly good. The acreage set to beans la Multnomah County this year is greatly in excess of anything ever before attempted. The impression has prevailed that extensive growing of beans was not practicable in this section since a late, dry Fall was essential to the maturity of the crop. However experiments during the last two or three years have resulted so successfully as to greatly encourage increased attention to the cultivation of this profitable crop. A representative from the famous Heinz factories who was in Portland and the surrounding country in the Spring contracting for beans stated that the best beans received at their plant were shipped from Portland and were grown locally. He stated in this connection that the possibilities of this section for growing beans for seed were practically limitless.

Mr. Hall was assisting in the final arrangements for the yearly Field Day at Gresham on Saturday. A splendid program has been prepared, full announcement of which appears in another column of this issue.

LYDIA J. TIBBILLS DIES AT WOODMERE

Prominent In Mt. Scott Church and
Lodge Circles—Loved By All For
Her Sterling Qualities.

A spirit of sadness pervaded church and lodge circles of the Mt. Scott district on Friday of last week when the news was received of the death of Mrs. Lydia Tibbills which occurred at the home of her daughter, Mrs. Percy Harris, 7819 64th Ave. S. E., on Thursday evening, the 19th inst., after an illness of but three or four days' duration, although she had been in poor health for some time, being afflicted with diabetes. She was 49 years, 9 months and 8 days old at the time of her death.

Mrs. Tibbills formerly resided in Kansas, coming to Oregon eight years ago, residing in the Woodmere district ever since, making her home with her daughter, with whom she has lived since her marriage 13 years ago. She was an active and much loved member of St. Paul's Episcopal Church and also of Mountain View Rebekah lodge, of Arleta, joining the latter organization seven years ago, just three months after its organization. She has been honored with the highest offices of the lodge. During the past term she has acted as right support to the vice grand and at the installation ceremonies held on Saturday evening, the 14th inst., when Mrs. Alvord was installed as noble grand, she appointed Mrs. Tibbills as her left supporter and she was duly installed into that office. She was greatly loved by all who knew her for her beautiful, unselfish Christian spirit, popular with young and old alike.

The loving sympathy of a wide circle of friends is extended to the bereaved daughter and her husband. The latter was in the East at the bedside of his own mother who was critically ill and was unable to return in time for the funeral. A niece, Mrs. Frank Terrant, of 612 Crookham Ave., whom Mrs. Tibbills brought up, also survives.

Funeral services were conducted at St. Paul's Episcopal Church, Woodmere, on Monday morning at 10:00 o'clock, the Rev. O. W. Taylor, officiating. Services at the grave were in charge of Mountain View Rebekah Lodge, the members of which attended in a body. The beautiful and impressive services were read by Mrs. Alvord, noble grand, Mrs. Gallings, vice grand, and Mrs. Morgan, chaplain. She was laid to rest in Mt. Scott Cemetery.

"Sleep on beloved, sleep and take your rest.
Lay down your head upon the Saviour's breast—
We loved you well, but Jesus loved you best—
Good night! Good night! Good night!"

Mr. and Mrs. Zumwalt and son, Edwin, of Powell River, B. C., left on Friday last for their home, after a three weeks' visit with Mr. and Mrs. R. D. Armstrong, 7327-55th avenue S. E. Mr. Zumwalt is the superintendent of the Powell River Paper Co.

Mrs. A. J. Hollingworth entertained on Monday evening in honor of Mrs. C. J. Hollingworth and daughter, Dorothy Jean, of Seattle; also, in honor of her eldest son, Wilford, who will leave shortly to join his company, the Coast Artillery. Forest Welhorn of Salem, was included among the members of the family.

Mrs. J. Bissonett, 63rd St. S. E., died subsequent to an operation at the Good Samaritan Hospital on Saturday last. She had been ill at the hospital for the past three weeks. Funeral services were held at Holman Undertaking Parlors Wednesday afternoon. Her husband died about a year ago. A little adopted daughter survives.

Dr. W. O. Boon, of Kern Park, motored out to Gladstone Park on Monday afternoon, returning with his daughter, Miss Mildred, and Mrs. George Howard, who have been there in camp during the Chautauqua session. Dr. and Mrs. Boon and little son, Billy, spent the week-end at Brightwood, a resort about fourteen miles this side of Mt. Hood.

Robt. McLean, Professor of Spanish, Dubuque, Iowa, gave a fine address at the Millard Avenue Presbyterian Church on Sunday evening last. His subject was, "Our Neighbors in our Backyard," and the address treated of the Mexican situation and the possibilities of missionary effort. It was thoroughly enjoyed by an appreciative audience. Two musical selections by Wilford Hollingworth and Major Repp, accompanied by Mrs. Repp, were greatly enjoyed.
