CANNING TEAM IS FORMED IN LENTS

Eight County Teams To Compete At Fair—Winning Team To Enter State Competition.

Miss Helen Cowgill, of the O. A. C., visited Lents on Friday, accompanied by County Agricultural Agent, S. B. Hall. The object of their visit was the organizing of a Canning Team, to be one of eight similar teams formed in the county, under the direction of a leader, to compete in demonstration at the County Fair at Gresham. The winning team to enter into competition with winning teams from other counties for the State championship at the Salem Fair. Mrs. E. P. Smith, of 92nd St., S. E., is to be the leader of the Lents team; her two young daughters and Miss Ruth Kruder, of Powell Valley, to comprise the team. These girls were present on Friday afternoon at the home of Mrs. Smith to meet Miss Cowgill who went into the details of the plans under which the teams are working and also gave a most interesting talk on methods of drying and canning fruits and vegetables. Mrs. Kruder, Mrs. Spring and other ladies of Lents were also present and were much interested in the discussion.

The points to be considered in the county and state competitions are skill, neatness, team work, speed, finished product. The suggestion is made that the teams wear white middie suits, preferably with white aprons and caps, upon the front of which to be embroidered the four leaf clover, emblem of the State Industrial Clubs.

Each team will be expected to put up the same amount of the same kind of fruit or vegetable, going through the entire process of cleaning, preparing, scalding, blanching, cold dipping, filling jars and putting over the fire, afterward cleaning up, and team to stay on the job until their product is taken from the boiler and pronounced finished.

Much interest will be taken locally in the progress which the little ladies of Lents will make in this contest. The Lents team is the fourth organized team, making one-half the number.

MEN FOR NAVY STILL IN DEMAND

The Navy wants men and more than ever has opportunities for certain trade lines which should offer hundreds in the next few weeks.

Owing to the fact that certain ratings are closed, the impression has gone out that the Navy is restricting enlistment generally, but the Portland office wants it particularly understood that only certain lines are closed and that many men are needed to fill ratings which offer good clean men splendid opportunities.

There is a big need today for apprentice seamen, machinist's mates, first and second class. There is a special opportunity for musicians. This particular need is most urgent and because so much of the spirit and morals of the men on board ship depends on their band, musicians everywhere are being urged to consider the call.

It is the band which gives the men their daily entertainment and relaxation from stern duty. The band helps the sailors in their drills, and in general is recognized as a big factor in the building up of the organization of the ship's crew.

Those who have a desire to see service in the air also have an excellent opportunity at this time, for the Portland office has an opening for ratings as Landsman for Quartermaster in the aviation section.

Another interesting place in the same section is Landsman for Machinist's Mates, aviation. This will include the building of aeroplanes, instruction in the case of engines and handling, and in other ways studying the interesting phases of air navigation. Those two fields should attract hundreds and the man who is selected for such service can count himself quite lucky.

In addition to those posts, several cooks are needed and mess attendants which is a field of utmost importance to the Navy. Through the many modern appliances which the Navy supplies for the use of cooks, this phase of ship life ranks well forward in the need of capable men who can take over the responsibilities of feeding hundreds.

Let us draft the slacker speculator's profits.

Let us draft the slaker acres.

POISON PLANT FATAL TO STOCK

Death Dealing Camas Growing In Pasture Kills Twenty-Five Cows And Several Sheep.

County Agent Hall who was in Lents on Friday last assisting in the organization of a Canning Club, received a telephone message calling him at once to Gresham to investigate a malady which was proving fatal to several dairy cows. The State Veterinarian was called and a thorough investigation made. It was concluded that the cows met their death from a plant known as the "death camas" was found growing in the pasture. About 25 cows have died on farms near Cherryville. Several sheep also died, supposedly from the same cause. Mr. Hall was handicapped somewhat in his investigation owing to the fact that the cows had been cremated as soon as they died, thus preventing an autopsy, but from the fact that this death-dealing plant was found to be growing in the pasture this conclusion was reached. It is said that cattle will never eat this plant voluntarily, but crop it incidentally.

"UNEXPECTED" CLUB RESUMES ACTIVITIES.

Delightful Meeting at Anderson Home, Creston—Banquet On Lawn a Feature.

The "Unexpected Club, of Gilbert-Belrose, has gone on another rampage. The "victims" of their latest escapade were Mr. and Mrs. L. E. Anderson, of Creston station, who supposed they had safely effected their escape from the danger zone when they moved from Gilbert early in the Summer. Mr. Johnson, however, started out one day on a tour of investigation and succeeded in locating their hiding place. The word was immediately sent round and the "clan" assembled for the "raid" which occurred on Tuesday of this week.

The affair was well planned and successfully executed. The force attacking in relays were soon able, by their superior strength, to storm and take the castle, a most graceful surrender being made when it became evident that further resistance was hopeless.

Not having any intentions of submitting to war rations the attacking party came well prepared for a "feed" and the sumptuous "spread" on the lawn around which the company gathered, about twenty-five in number, was most certainly not "Hooverized." Mr. Anderson attempted to introduce the "ghost," but he evidently missed his rural haunts and failed to respond.

An interesting and varied program was rendered, part on the lawn in the early evening and the balance in the parlor later. The victrola was rolled out on the porch and to its beautiful strains little Miss Doris Hicks danced the Highland Fling and Miss Lucile Ellis, of Fresno, Calif., a teacher in the schools of that city, executed some very dainty character dances. Mr. Anderson and Mr. Himebaugh attempted something of the kind, but it terminated in the "goose" step. Indoors later in the evening Mrs. L. W. Rae, of Eugene delighted her audience with some Scotch ballads. Miss Lucile Ellis also rendered a solo and responded to a hearty encore. A little "homey" ballad by J. L. Johnson was also much enjoyed. Doris and Elmer Hicks gave instrumental solos. Mrs. E. E. Southard and Miss Elizabeth Hyde gave readings. Mr. Himebaugh and Mr. Henderson executed a very clever practical illustration of the difference between a hymn and an anthem. This number brought down the house. Mr. and Mrs. Anderson furnished the "Gasoline" to keep the wheels going round during the evening.

Mr. Hawksley, a stranger to the Club, spoke briefly in appreciation of the pleasure which the evening had afforded and in anticipation of future pleasures of like nature which he hoped to be permitted to enjoy. It was decided to make the "raid" on the Andersons an annual event. The following were present: Mr. and Mrs. J. L. Johnson, Mr. and Mrs. Himebaugh, Mr. and Mrs. Field and children, Julia and Hilda, Mr. Henderson and daughter, Miss Stella, Mrs. Rindle and Mr. Ambler, all of Gilbert; Mrs. L. W. Rae, of Eugene; Mr. and Mrs. E. E. Southard and son, Cedric; Mrs. Ruth Hicks, Mrs. F. E. Hicks and children, Doris, Elmer and Mildred, Mr. and Mrs. W. H. Hawksley and little daughter, Dorothy, all of Portland; Lucile Ellis, of Fresno, Calif.; Mrs. Minnie Hyde and daughter, Miss Elizabeth, of Lents.

Order in Which all Mt. Scott Young Men are Drawn for Service, shown in Supplement to this Paper.

For the information of those young men of military age who recently registered, The Herald is publishing this week and next a special supplement showing the order in which these names are drawn. Last week showed the names of those who in all reasonable likelihood will be in the first draft--or rather as Portland has her full quota of enlisted men--in the second draft. No one can tell when these young men will be ordered to report, but it is quite conceivable that it may not be for some time yet. Those who follow will be ordered to report in the numerical order in which they are chosen, in batches which may very likely affect the boys in Mount Scott about fifty at a time. Of course every registered name has been drawn, although there are manifestly some errors in this newspaper report; the important fact is to ascertain the order in which they are drawn. As to when those chosen among the 3000 or the 7000 or the 10,000 will be ordered to report one man's guess is as good as another's, but it is thought that in all human probability the war will be over before those whose names appear towards the end of the list will have been called for examination.

\$1.00 GIVEN AWAY IN PREMIUM COUPONS

As indicative of the enterprise of Mt. Scott firms a Campaign has been started by them to encourage local residents to TRADE AT HOME.

Premium Cards are being given away containing twenty coupons, each representing 5c in cash, redeemable at certain stores. These can be obtained free, one to a family, with every yearly subscription to the Mt. Scott Herald. One year's subscription can thus be obtained free.

The Herald is able to make this offer because these wide-awake business men, realizing the value of a live newspaper and the need for its entry into every home in the community, are honoring these coupons.

Call at the Herald office for your Premium Card, or ask our representative to call. Present subscribers may get this coupon by having their subscription extended one year.

Lents Child Scores 99 1-2.
Mr. and Mrs. Wm. Henry Kepcha are the proud parents of a six months old son which scored 99½ in the eugenic test at the State Parent-Teacher Congress of Mothers on July 23rd. The child was perfect except in chest width.

The parents are of Irish nationality. Mr. Kepcha is yard foreman at Kelly Butte.

It is the slacker acres we should go after most of all.

ANNUAL FIELD DAY HOWLING SUCCESS.

Patriotic Program, Basket Picnic, Sports, And Dance Comprise Program.

One Thousand Grangers assembled in Gresham on Saturday last for the purpose of participating in the annual Field Day event, which proved to be the most successful affair of the kind yet held. The morning program was intensely patriotic. The grand chorus, led by Prof. Ball, Principal of Franklin School, consisted of 100 voices and was a leading feature of the program.

Mayor Stapleton, of Gresham B. F. Mulkey, Judge Galloway, of Spokane, A. W. Cawthorne, Oregon director of the Federal Land Bank, were among the speakers on this occasion.

A basket dinner in the big grove followed the program of the morning. The afternoon was devoted to sports. There were all kinds of races, including fat man's, boy's 50-yd dash, girl's race, free for all, pillow fight, crab race, human wheelbarrow race, shoe scramble, wild pig, tug-of-war, relay races, automobile, pony race and Shetland race.

A number of comic stunts given by five different granges of the county proved a very attractive feature of the afternoon. Each number was a patriotic tableau, in three of which Uncle Sam was a conspicuous figure. Multnomah, Fairview, Evening Star, Lents and Pleasant Valley were the Granges which provided these tableaux.

The day closed by a dance at Regner's Hall, which lasted until midnight.

SPRAY NOW FOR APPLE WORMS

Oregon Agricultural Bulletin Urges Immediate Attention To Fruit In The Valley.

The Oregon Agricultural College reports a heavy crop of wormy apples in the valley orchards. A recent bulletin states that the early crop of worms have gotten in their work, but that it is the new crop that will sting the fruit the hardest during August and September unless it is controlled. It is this generation of worms that increases the loss to growers and now is the time to spray for them.

From Corvallis South, spray August 1 to 6. From Corvallis North, spray August 4 to 8. Use the arsenical solution applied as a fine misty spray, making every effort to cover the entire surface of the fruit. Prof. A. L. Lovett, O. A. C., entomologist, states that evidences now indicate that it will be highly advisable to make a second application about August 25 to Sept., 5.

Home Wedding of Woodmere Couple.
On the eve of July 24th at the cozy little home of the groom at 411 92nd St., occurred the wedding of Mrs. Ida Kehoe and Mr. Lyndale Jamison, Rev. Wm. Amos, of the Millard Ave. Presbyterian Church, officiating. Mrs. Gertrude Keith attended the bride, while Matthew Keybain acted as best man. The rooms were beautifully decorated with roses, with a beautiful bouquet of Shasta daisies presented to the bride by Mrs. Geo. Merry, of Millard Ave.

A delightful supper was served. The following guests were present: Mr. and Mrs. Bruce Keith, Mrs. Minnie Gray, Mr. Matthew Keybain, Mr. and Mrs. Harry Usher.

Summer School Closes.
This week will witness the close of the Summer schools of the city. The school at Lents has enjoyed a successful term under the competent direction of Prof. Killgore, of the Glenn Haven school, assisted by Miss Richardson and Miss Anderson. There was an enrollment of 107 at the beginning of the term, 65 remaining until the close, which is above the usual average of these Summer schools. Some good work has been done, most of the pupils making the grades attempted. Prof. Killgore reports that he is well pleased with the efforts which have been put forth by most of the students.

Improvement to Be Extended.
The improvement of Foster Road has reached 92nd St. There was a rumor abroad that it would not extend beyond this point. The matter was taken up by the Lents Improvement Club, as well as by individual citizens, and the assurance has been given that the improvement will be extended to connect with the pavement at 102nd St.
