

A CIRCUS

TAKES LOTS OF MONEY OUT OF TOWN--BUT--A MAIL ORDER HOUSE DOESN'T EVEN GIVE A PARADE.

Of course if your money circulates here you won't even trade "down town"--you can do better here anyway--but will buy from these merchants who endorse this

BRUGGER'S BAKERY

is still selling a large loaf for 5c and will continue to do as we bought flour at the low price. Why pay 10c for Portland bread hardly bigger than our 5c loaves. If the grocer wants a big profit and you want expensive wrappers and like to pay for bill board advertising; (if you believe in red tape, hot air, bunk and humbug you'll have to pay for it.) Don't be humbugged--save money and buy at home.

YOUR NEWSPAPER

THERE is one stronghold in every community that the mail order house has not been able to reach. This is the home town newspaper. In face of all kinds of bribery the Home Newspaper has stood its ground for forty years and steadily refused the advertising patronage of the mail order houses. Right now millions are being spent by the "catalog kings" in a continuous attempt to secure as an ally the Home Town Newspaper. But the country Editor is standing solidly by his Home Community. He refuses to "sell out" to the enemy. He turns down all kinds of inducements. Let us think of this the next time we are tempted to dicker with the enemy of our Home Town. Let us take the stand taken by our newspaper. Let us refuse to be bribed by a seeming bargain.
