That Dutch scientist who built a room with vacuum walls to give him quiet, went to unnecessary trouble and expense. Most any business house that doesn't advertise could meet his demand.

Mr. Cone has secured a position as janitor of one of the city schools. They have many friends who are glad to extend a welcome to them as they take up their residence among us.

The funeral of Robert Desky, of Montavilla, was held on Sunday last. He was a brother of Mrs. Otto Katzky, of Lents. He was a native of Germany and was a member of many orders. He came to Portland in 1913 and established a store at Montavilla. A widow and two sons survive him. He had been ill but a short time.

Mr. and Mrs. Clyde Sager and small son, Clyde Jr., of 94th St. S. E., returned on Monday from a two weeks' auto camping trip which they very much enjoyed. The president, Mr. Roberg, has entered the military service. There were eight candidates in the class taking the examination this year.

Rural Items

Bellrose-Gilbert.

Mrs. Page, Mr. and Mrs. Dano and small daughter, Ramona, and Miss Page, of The Dalles, were guests of Mr. and Mrs. J. L. Johnson during the week. They were formerly residents of Gilbert where they have many friends. On Wednesday evening a small dinner party was given in their honor at the Johnson home. Mr. and Mrs. Lenox, of Gilbert, and Miss Elizabeth Hyde, of Lents, being present and Mrs. Hyde coming later in the evening. A sumptuous dinner was served, such as Mrs. Johnson excels in preparing. The Pages and Danos are on their way to California where they contemplate making their home. Miss Page was formerly news editor of the "Herald" and in that capacity will be remembered by many of our readers.

Master Robert F. Muzzey, of 5501 42nd St. S. E., Portland, has just concluded an extended visit with his aunt, Mrs. Kurt Lane, of Gilbert. He has made many friends, especially among the grown up, by his ingenious and old-fashioned ways. He is quite a little poet and has amused and entertained his friends by repeating some of his efforts along this line. (Master Robert made this office a pleasant call before returning to his home. Ed.)

Kendall.

The Ladies' Aid has decided to hold one more ice cream social before the rainy season begins. This will be held on Saturday evening of this week on the lawn of the Johnson home near Kendall.

The extending of the gas mains along 82nd St., and the Oregon City road is quite an important improvement. It will be extended into Clackamas County. This will be a great convenience, especially in the Summer time.

Mrs. Fowler is preparing to move the family to the vicinity of N. E. Portland. They will be missed by all, but may return in the Spring.

While the "Herald" has in this district as many or more subscribers per capita than most others, nevertheless we are out after twice the present number. We will probably be able to realize this result; we certainly will if the people get the habit and see the interest which the "Herald" takes in the whole South East district. It contains more local items than any other paper and costs but little more for a whole year than the others for one month, and this amount under the present arrangements subscribers can get back from the stores of the Mt. Scott district. Speak to your neighbors about the "Herald." Let us try and double the subscription list while this arrangement is operative.

Card of Thanks.

We wish to express our thanks to the business firms of Lents and others who contributed so generously in the fund which was raised for us when we lost all we had in the fire which destroyed our home.

Mr. and Mrs. E. Mills.

What use is a legislature, anyhow? Dan Kellaer asks that question and finds few who answer that it is any use whatever. Why a U. S. Senate? Isn't the House of Representatives long winded enough without two doing the same thing?

Five contracts, aggregating \$271,123.15 for grading 17.6 miles of the upper and lower Columbia River Highway to make ready for paving next year, have been awarded by the State Highway Commission.
