OUR CHALLENGE

If you have patronized down town stores, bring their price list to us, check the articles desired and match them price for price at our store.

We solicit an opportunity to show that you can buy just as cheaply here in Lents as any other place in the city. You can examine the goods, save time and carfare and of course have return privileges if not satisfied.

KICK OUT THE "TOWN KNOCKER"

THE only thing to do with the "Town Kicker" is to kick him out. Tolerate him for a minute, and he spreads like an epidemic all over the community. He is the original "Calamity Howler" and "Bird-of-Ill-Omen." He is never so happy as when he can persuade other people to think the same way as he does. If allowed to "get the floor," he will knock the pins from under the best proposition on earth. He is against every form of improvement, and if he converts enough people to his way of thinking, the town will come to a dead stop. After having killed everything, he glories in the fact that nothing can be done for the town. It is doomed. The only thing to do with the "Town Kicker" is to head him for the cemetery. His habit of knocking is so infectious that it has been known to spread among the best people. Kick the knocker out.
