What's the reason people from Grays Crossing, Woodmere, Tremont, Kern Park and even Portland come out to Brugger's Bakery to buy bread? Not because its cheaper, but because it is better than all the highly advertised bread. If you try it once you will say the same.

"TRADE-AT-HOME" DAY

To make Every Day a Trade-at-Home Day. To make our town the best trading town in this locality. Not only once or twice a year, or once a month, or once a week. But every day. That is the only goal worth striving for. We can do it. Other towns have done it. And we have the same means that they had. All we need to do is get together. We can fight off outside competition by displaying each day the trade-at-home banner. Each day we can demonstrate the value of Home Buying.

"PIECING" YOUR INCOME

Is a real art these strenuous days

OUR SERVICE is calculated to help our customers make their dollars cover the largest possible territory—get the greatest possible value.

OUR PRICES are as low as it is possible for the permanent up-building of a substantial family grocery.

OUR LINES are staple, but we do claim that our coffee cannot be duplicated.
