Pave Foster Road.

Next issue will be devoted entirely to the paving of Foster Road. All news that can possibly be held up for a week will be so handled in order to make room for the special matter. We have undertaken to send it, at our expense, into the homes of practically every influential citizen in Mt. Scott. If you do not get a copy, please excuse us and call at the office, there will be one for you there free. It will be twice the usual size, and we have been generously helped in this undertaking by the business people who have taken space in our advertising columns. When the issue reaches you, read it from first page to last and remember that its publication would not have been possible without the cordial co-operation of those who have used its columns. J. S. F.

Help Hoover Win The War.

If there was ever a time to prove our Americanism now is the time. Our soldiers are on the battle line to help our allies to make the world safe for Democracy.

Not all of us can serve in the trenches or risk our lives going over the top across no man's land, but all of us can take part in "Hoover's Drive" to save wheat and meat, butter and sugar for the men who are fighting our battle in Europe. We are not asked to stint ourselves or go without food, but simply to eat wisely and without waste, and to use substitutes for bacon and ham, wheat foods and other concentrated foods that can readily be shipped across the water. One wheatless meal a day, one meatless day a week will keep the non-combatants in Europe from having eatless days most of the time. Remember that the person who wastes food during war time is giving aid and comfort to the enemy. This war will not be won on the battle line alone, but on the bread lines as well, and every one of us can be soldiers in the fight for conserving our food supplies.

Pledge Card Week takes place between October 21st and 28th. Every loyal housewife should be willing and glad to promise co-operation with the Food Administration Department. We can render efficient service by using home grown supplies, which will save transportation, by practicing the gospel of the clean plate, by cooking no more than necessary, by using corn or rye bread for at least one meal each day, by substituting chicken, rabbit or fish in place of beef and pork, by boiling and baking and frying less.

The united co-ordinated effort of the Nation will win the War. Do your part and get others to do likewise.

Some months ago a skilled manufacturer with over \$50,000 capital wanted a site of four acres. One was shown him seven miles from the river for \$20,000. That was the best he could do. So he went to Tacoma. There they gave him a waterfront site for less than half that sum, and agreed that if he used it for 10 years as outlined they would forego any interest whatever. He is using it, and Portland is out the business resulting from 300 employees simply because our capitalists and First Families are always 25 years behind times.

If you haven't enough money to buy a whole bond bring what you have to the banker maybe he can help you.

If "Daddy Hoover" can bring down the retail price of bread he will do some tall pulling. Apparently there is a waste somewhere. Men have been known to spend two days under an automobile trying to locate a "lost motion," and between wheat at \$2 a bushel and a barrel of flour that retails when baked into bread at \$30 there is some considerable "lost motion," for the flour should cost less than \$10.

In recognition of the splendid work of the Army and Navy Y. M. C. A. a general order has been issued by the Navy department authorizing commandants at navy yards to issue permits for the construction of Navy Y. M. C. A. buildings as the association is considered a valuable adjunct and asset to the service.

The attempt to break up the Portland branch of the Seattle fish trust is doing very well, but it would do better if the fish were bought from some other source than the Seattle fish trust itself, don't you think. Why couldn't Portland hire fishermen by the year the same as it does its street sweepers and firemen?

Church Notes

Methodist Church.

The subject of the sermon next Sunday morning will be, "The Propelling Power of Faith." The evening topic will be, "Burning Heretics." There will be special music at both services.

The Sunday School Board will meet in the basement of the church on Friday evening at 7:00 o'clock. Dinner will be served on this occasion and the business discussed during the meal. It is hoped to organize a teacher's training class at this time to meet weekly. It is planned to make these 7:30 o'clock dinners monthly features of the Sunday school board.

The church was filled on Friday evening last by the members and friends who gathered to tender a reception to the returning pastor and wife, Rev. and Mrs. F. M. Jasper. The church had been prettily decorated for the occasion and the evening was very pleasantly spent. A brief program was rendered under the direction of Mrs. Hurd. Addresses of welcome were given by Mrs. J. C. McGrew, for the Ladies' Aid; Miss Wilhelmina Harvey, for the Epworth League; Mrs. Minnie G. Hyde, for the Sunday School, and Mr. J. L. Johnson, for Bennett Chapel, Gilbert, a large delegation from this church attending and participating in the reception.

Among the musical features of the program were a violin solo by Miss Ruth Turner, accompanied by her sister, Miss Mildred; vocal solos by Miss Zella Landon, accompanied by Mrs. Burgett, and a piano solo by Miss Grace Jasper.

Mr. Jasper responded to the addresses. Refreshments were served. The church enters upon the new year under very auspicious circumstances, much pleasure being expressed over the return of Mr. Jasper for another year.

The Ladies' Aid held a very successful and pleasant time at their silver tea, held Wednesday afternoon at the home of Mrs. J. C. McGrew. The attendance was large. A short, but interesting program was rendered, including solos by Mrs. Lettie Cone and instrumental solo by Mrs. Burgett. Little Dorothy Hess and Clyde Sager, Jr. delighted the company by singing "While we are Canning the Kaisers." Little Miss Dorothy also gave a recitation, as did little May Howe. Dainty refreshments were served.

Laurelwood Congregational Church.

The pastor, Mrs. Hansaker, will take for the topic of her sermon Sunday morning, "Some Church Habits."

On Sunday evening next the first Vesper service will be held, continuing throughout the Winter months. This service will be held from 5:00 to 6:00 o'clock and will be addressed by various speakers from the city, which will afford a splendid opportunity for residents of this vicinity to hear these speakers of note. The speaker at this first service will be Captain W. H. Hardy, who is the only survivor of the Captain Perry expedition to Japan. Capt. Hardy has spent many years in Japan and will speak about this interesting country. There will be special music. On the last Sunday of each month the Vesper service will be in charge of Reed College, various speakers from this institution of learning speaking on up-to-date topics.

On Friday evening of this week an entertainment will be held at the church under the auspices of the Ladies' Aid. The entire program will be furnished by students of Franklin High School. The Glee Club will furnish several numbers. Miss Mildred Boone will be the reader of the evening. There will

be a sale of home made candy and popcorn balls in connection with the entertainment. All are invited to attend. Millard Ave. Presbyterian Church.

The Christian Endeavor will be held on Sunday evening next by Miss Aimee Hollingworth. The topic is "Politics and Religion," and a very interesting and lively program has been arranged. J. Sanger Fox, of the Lents Friends Church, will be present as one of the speakers of the meeting. Mr. Freeman will favor us with special music. We hope for a big attendance. Come and bring a friend.

The Y. P. S. C. E. held one of the most enthusiastic business meetings held for some time at the home of Mrs. Wm. Lope, 64th Ave., last Friday evening. The new committees seemed to be alive to new business and all had lively and original plans to submit to their president. We have many new prospective members and our society is growing in every way. Many big things are hoped for in the future. The social committee submitted a new plan which we think will work out very nicely. The proposal was to eliminate refreshments from the business meetings and have a get-together social once a month, with the object in view of asking outside young people and striving to get new members. It was decided to put this plan on trial for three months and if it proves successful to continue throughout the year.

Mesdames Geo. Merry, Fletcher, Grandma Jones, Mrs. A. J. Hollingworth and daughter, Esther, Mr. and Mrs. Ed. Williams and daughter, Ina, represented the Millard Ave. Church at the Sunday School Convention held at the Laurelwood Congregational Church Sunday afternoon. They were very much pleased with the address given by Prof. Ball, of Franklin High.

Last Thursday evening after the usual choir practice strange noises were heard in the basement, ending by a march being played on the organ. An investigation revealed a most delightful surprise arranged for the choir. A table set with an abundance of cake and fruit and coffee, which was greatly enjoyed. A vote of thanks is extended to Mrs. A. J. Hollingworth, Mrs. Christenson, Mrs. Marsh, Mrs. Jordan and the two attractive young ladies who served so royally, Misses Esther Hollingworth and Lucile Marsh.

A. J. Hollingworth, Superintendent of the Millard Ave. Sunday school, conducted a service at the Men's Resort, 14th and Burnside Sts., last Sunday afternoon. This is the first of a series of services to be held at the resort by representatives of different Presbyterian Churches. Prof. Hollingworth conducted the music. The mixed quartette rendered two special selections.

Anabel Presbyterian Church.

Last Sunday morning in the opening service of the Anabel Presbyterian Sunday School by the use of large maps the young men of the school who have joined the army were located in nearly all parts of the world. When Superintendent Tripp asked "How many of you would like to help win the war," all hands went up. He then explained how the school could help the government by purchasing a Liberty Bond. Before the classes went to their respective places the teachers were instructed to respond to the call of their names with the amount subscribed by their classes for the purchase of the Liberty Bond. Much enthusiasm was shown in the undertaking. The amount was over-subscribed about twenty per cent.

The C. E. social which the young people of the Anabel society had planned for Friday evening, October 19, has been postponed until Friday evening, October 26, when a Halloween party will be given in the Sunday School rooms of the church.

Kern Park Christian Church.

On Tuesday evening of this week the members and friends of the Kern Park Christian Church gathered at the church for the purpose of extending farewell greetings to their departing pastor and family, Rev. and Mrs. G. K. Berry, who are leaving this week for their new home at Corona, Calif. The purpose of the gathering was also a reception to the new pastor, Rev. Moon, formerly of Pomeroy, Wash. Invitations had been extended to other Christian churches of the city, six pastors responding. Addresses were made by Rev. Conner, of the First Church, whose remarks were largely in appreciation of Rev. Berry, with whom he had been closely and intimately associated for many years; Rev. Stines, of Gladstone and Rev. Ryder, of Centralia, Wash., spoke briefly. A quartette from the Montavilla Church contributed a duet, "A Perfect Day," which was greatly enjoyed. Various musical numbers were given by members of the Kern Park Church. Tea and wafers were served at the conclusion of the program.

Much regret is felt because of the departure of Rev. Berry and family, whose only reason for leaving is the necessity of a change of climate for Mrs. Berry and their daughter. They are retaining their home here however and give the assurance that if possible for them to return they will be pleased to do so. Rev. and Mrs. Moon are given a cordial reception and will receive the hearty co-operation of the church.
