DON'T WAIT FOR COLD WEATHER

We are wonderfully fortunate in having such a mild fall, but---
MANY PEOPLE ARE LOSING OUT on their fall buying
DELAY in preparing for winter, whether in the purchase of Dry Goods, Shoes, Clothing, or food, will inevitably mean a big rush when the cold weather strikes us, and consequent HIGHER PRICES.

HALT!

The command to halt has back of it the power of the army. In hundreds of communities in this country today a halt has been called on the Community Robber, on the man or woman, who, thinkingly, or unthinkingly, robs the community by refusing to patronize home interests. What is needed today are more sentries, more men and women to call a halt on such thoughtlessness. Our community is asked to take a definite stand on this question; Let each man appoint himself a sentry to see that the community life is preserved. Other communities have fallen in line. They have hoisted the Home Trade flag. We must fall in line or fall behind. Forward, March.

FOOD CONSERVATION WEEK

In response to our Government's request this nation, this week is considering the kind of food economy that will best help our allies over the water.

Many families are having to reconstruct their habits of buying. Whatever your problems **OUR SERVICE** is at your disposal to help you find suitable substitutes for the food which the government wishes to conserve.
