LOCAL BRIEFS

How many people in Lents know that we have a monthly pay-roll of \$3,000 right in our midst.

Little Arthur Smith, the five-year old son of Mrs. Mina Smith, of 90th St., is quite ill with pneumonia.

Mrs. Chas. Bisehoff, of Troutdale, Ore., is the guest of her niece, Mrs. Wm. Anderson, 90th street.

Mrs. C. M. Harvey and Mrs. Maud Blything, of 90th St., spent the day Sunday with Mrs. D. Wood, at Ball Run.

It is impossible that anything but benefit can come to the American family which signs the Food Administration Pledge.

Word has been received that Melvin Acton, formerly a pupil in the Lents school, is in the Montana contingent of enlisted men.

Mrs. Minnie Hyde, of The Herald, spent the week end at Clatskanie, Columbia County, looking after business interests.

Do not forget the Tea for the benefit of St. Paul's Church on Wednesday of next week, the 14th inst., at the home of Mrs. A. Geisler.

Mr. and Mrs. Claude Alexander and daughter of Doe Bay, Wash., are visiting this week with Mrs. J. T. Berry and family of 57th avenue.

Mrs. Fred Frost, until recently of Lents, but now of Rex, is calling upon friends in town to-day. She is accompanied by her young son, Burton.

The first rain for over a month visited Portland the last of the week. Oregon has given us the most delightful Autumn that any country could produce.

Apples and Shoes and Autumn leaves are a queer combination, nevertheless they are very artistically displayed in the show window of W. E. Goggins.

Capt. Klingil, of Camp Lewis, spent the week end with his wife and family at their home on 89th St. He is training the depot brigade and at present is doing the work of a Major.

When you contemplate the shortage of coal, remember that the liquor trade is using 3,000,000 tons of coal a year and would be using 4,500,000 tons if the distilling of whisky had not been stopped.

The Demand in Portland for experienced workers in the sawmills, logging camps and ship yards is still strong; homes and accommodations are available to house the families of new employees.

Roy Boatright, of 55th Ave., visited one of the city hospitals on Saturday last and had his tonsils removed. He was able to return home the same night and is doing nicely. Dr. E. Watkins attended him.

Mr. and Mrs. A. G. Wright, of 6442 82nd St. S. E., received a letter from their son, Frank, who is in the American Aviation Corps in London. He is well and has participated in four air raids. He sailed from New York Aug. 12.

Ered Kelley, a graduate of Lents school, at present a senior in Franklin High, has enlisted in the Navy and left yesterday, (Wednesday) for Columbia College, N. Y., where he will be given a six-months' training in engineering.

Earl Wise, son of Mr. and Mrs. Geo. Wise, 88th St., is another Lents boy to recently enter the service. He is at present stationed at Vancouver, but expects soon to be sent to a school for bakers, having enlisted in the quartermaster's department.

There will be a community sing at Franklin High School Gym on Tuesday evening of next week. All parents and patrons of the school are invited to attend. The school glee clubs will sing and addresses will be given by City Supt. of Schools Alderman and Bishop Sumner.

The Eureka Rebekah lodge of Lents will give a card party in connection with their regular session on Friday evening, of next week. There will also be a program and refreshments served later in the evening. Friends of the order are invited to this feature of the evening's session.

W. A. Ainsworth, formerly in business in Lents, has enlisted as a truck driver in the Aviation Corps, and left last Tuesday for Camp Sam Houston, Texas. This will give him the rating of a Sergeant. Mrs. Ainsworth and her mother, Mrs. Mary C. Jefferies, have moved into the Westonia Apts. in the city for the winter.

Prof. Eric Bolt, of the Army Y. M. C. A., at present in charge of the educational work at Vancouver, is a guest at the O. E. Lent home, 56th avenue, today. He is leaving this evening for Eastern Oregon where he is scheduled to fill several dates in the interests of this work in the special campaign to be launched the first of the week.

Portland Independent First Aid Society has been organized and meets every Wednesday evening at 8:00 o'clock in the Story Room of the Central Library. On Saturday evening, Nov. 10th, they will hold a basket social in the Woodmere Hall, Mt. Scott district, for the benefit of the poor of Portland. The sewing room of the Meier & Frank store has been secured for Thursday afternoon of each week for this society to meet and make over garments for needy children.

Rural Items

Happy Valley.

H. W. Kanne, who was on the sick list last week is again able to be up and around.

Mrs. Orville Johnson and children are visiting at the home of her parents, Mr. and Mrs. H. C. Ulrich, this week.

Geo. B. Hartung, who has been visiting in the neighborhood the past few weeks has returned to his home in Connell, Wash.

No services were held at the church on Sunday afternoon on account of the illness of the pastor, Rev. T. R. Hornschuch.

The young folks of the neighborhood spent a very enjoyable time at the home of Mr. and Mrs. Earl Dearthoff on Tuesday evening, the 30th, the occasion being a Halloween surprise party.

Albert Buswell and family, who have been farming the Strickrott ranch this last year have moved to Kenton.

Woodmere.

The Thomas and Peters families enjoyed a Sunday trip up the Highway. We didn't hear of any arrests for speeding, but we understand the Thomas car is up for repairs.

Johnnie Howe was out in this vicinity Sunday digging his potatoes. He says they are not turning out very well, he has to dig them out himself. Hard luck!

The Parent-Teacher Association of Woodmere school has opened a supply depot at Gray's Crossing. All kinds of clothing and food supplies are solicited, which will be distributed as occasion demands. Also, all old papers are solicited, these will be sold and proceeds applied on funds for this work.

Kenneth Forte is confined to his home on 66th Ave. with a severe case of blood poisoning in one of his arms. It has been necessary to lance the afflicted member.

Mrs. R. E. Thomas of 8113 66th Ave., is confined to the house this week with a severe cold.

Town Talk.

T. J. Kreuder wonders why the business men can't co-operate a little more closely.

Too bad a mutual closing hour has never been arranged for the benefit of the workers. Arleta stores close every Wednesday afternoon.

S. D. Campbell is more interested in an alliance between United States and Japan than anything else.

Katzky's are mighty poor reporters, or perhaps the instinct is not fully developed. However, Leo has promised us some "Town Talk" items for next week.

F. R. Peterson has received some samples of cotton in various stages of growth from "Sergeant Fred," who has been stationed in North Carolina. He is now in New York. Next move, uncertain.

Mrs. Maier, of the Mt. Scott Bakery, says that the 18-oz. weight of her 10-cent loaf of bread has never been altered and they are not contemplating any change in price. The 5-cent loaf weighs 10 oz.

A. S. Pearce has a large order for galvanized tin boilers which he is making for Marshall, Wells & Co., and a house furnishing store on the West side.

Some one is getting ready to make sauer kraut. Mr. Pearce's cabbages have all been stolen.

Acetylene Welding outfit has been installed at the Lents Garage—welds cast iron, steel, aluminum, or other metal.

At the G. A. R. meeting on Saturday night the two little boys who sang were Rollin Call and Lyle Peters. They have been asked to sing for the Sunnyside G. A. R. Camp entertainment, to be held shortly. Rollin is the son of "Sid" Call, of the Lents Garage.

Jay Whitacre, of the Lents Garage, is handling paragon at the Land Show in the Auditorium. He was married a couple of weeks ago to Miss Campbell, of 6323 83rd St., thereby surprising all his friends. The monthly business of the garage is practically double that of last year.

L. E. Wiley has been under the doctor's care for a week past with a severe attack of lumbago and kidney trouble.

Postmaster Johnnie Howe says all trains are late on account of lack of oil; using coal instead. The result will probably be no oil on roads next Summer. Johnnie thinks it will be a fright out here if Foster Road is not paved.

F. F. Ehrlich anticipated cold weather. He has a fine line of over-coatings.

The Perfect Come-back.

"Willie, your master's report of your work is very bad. Do you know that when Woodrow Wilson was your age he was head of the school?"

"Yes, Pa; and when he was your age he was President of the United States."

Just Basis for Blame.

"You can't complain if people criticize you for letting your girl pay for ice cream treats."
"I can complain that I was mis-treated."

There are thousands to tell you it cannot be done, there are thousands to prophecy failure, There are thousands to picture a hundred and one grave dangers that wait to assail you.

But just buckle in with a bit of a grin, just take off your coat and go to it. Just start in to sing as you tackle the thing that cannot be done, and you'll do it.

Extravagance - Not Efficiency

A great writer describes the "efficient extravagance" of the American people. But he is wrong. Extravagance can never be efficiency—except in WASTE. And WASTE makes WANT.

But SAVING insures COMFORT, and comfort is the highest goal. You can take care of your own comfort while you are making money. But if you waste your money, the time will come when you CAN'T have comfort.

This bank wants to co-operate with you in saving for future comfort. Start an account NOW.
