## DON'T WAIT FOR COLD WEATHER

We are wonderfully fortunate in having such a mild fall, but--  
**MANY PEOPLE ARE LOSING OUT** on their fall buying  
DELAY in preparing for winter, whether in the purchase of Dry Goods, Shoes, Clothing, or food, will inevitably mean a big rush when the cold weather strikes us, and consequent HIGHER PRICES.

### THE WRONG MEDICINE

A COMMUNITY is no better than the men and women who live in it. If you and I do ill our Community suffers. But it is useless to look far away for the remedy. The real remedy is near at hand. It is we who are able to kill or cure. The wrong medicine kills--the medicine that bears the out-of-town label. But the tonic that cures is the practice of "trade-at-home." Let us all--each one of us--from this day on practice and preach, "trade at home."
