

Nothing Worth while Can Succeed

Without Tremendous Effort. IF WE FAIL to secure the paving of Foster Road, the establishment of a paid Fire Department, more water hydrants, street lights and side walks, it will be because

DO YOUR CHRISTMAS SHOPPING EARLY. WE HAVE THE GOODS

Is there any way to stop this flight? How many communities are making an effort to check this stampede of money that flies out of their home town. What is our community doing? What would all this money mean to you and me, if it were spent with our business men? The picture is no dream or fancy. The artist has simply brought home to us the hard facts. Let us face them as they are. The group of men with rifles provides the right action for us. Let us organize to stop this flight. Let each one of us remember this: That home values increase in proportion as we spend our money at home. That home values disappear with every dollar sent away.

... SERVICE THAT SATISFIES ...

Our service is of that kind.

FIRST. We give you just what you want if it is in the house.

SECOND. We employ every effort to have what you want.

THIRD. We never substitute for an article called for, unless the customer is satisfied.

This three-fold policy has secured for us a line of SATISFIED CUSTOMERS, of which we are indeed proud.
