

Goodyear Tires

We are especially proud of our Goodyear line of Tires, Tubes and Accessories. We feel that supplying these for our customers constitutes a valuable part of our real service. May we serve you, too?

Prevent Battery Troubles Before They Start

and that means regular inspection by competent men. We shall be glad to inspect your battery FREE. We'll tell you its exact condition and then—it is up to you.

There is no excuse for your neglecting your battery and running up big repair bills when we make you such an offer. Today is a good time to take advantage of it.

We can supply repair parts for any storage battery and a Gould Battery to fit the battery box on your car.

Gould Batteries are used on practically all railroads.

We have the only Battery Charging Station in the Mt. Scott district.

Vulcanizing

In our vulcanizing department we can make repairs on any make of casing or tubes. Have your tires fixed while you are not using your car.

Road Courtesy and Safety

NOGLARES

are a safe and sane lens that throw the light from your headlights onto the road where it is needed. How often has the light from your unprotected headlamps caused the oncoming driver to stop lest he run his car off the road or collide with you. Courtesy and fairness demand that you use some form of protection for your headlights—NO-GLARES kill the glare without diminishing the amount of light—in fact, they put MORE light ON THE ROAD than you ever had before.

RETAIL PRICES

8 to 9 inch, \$3.00 per pair

9 1-2 to 10 inch, \$3.50 per pair

10 1-2 to 11 3-4 inch, \$4.00 per pair

DEALER PRICES ON REQUEST

In wishing you a Merry Christmas, let me also extend best wishes for a Bright and Prosperous New Year. It will be our policy in 1918 to continue to merit your patronage by giving the best service of which we are capable, and to branch out in the various ways required by local automobile owners.

We thank you for your patronage in 1917, and trust that it may be continued during the coming year to our mutual satisfaction.
