A Merry Christmas
and
a Bright and Happy New Year.

The Spirit of Christmas

HE prosperous community is one dominated by the Spirit of Goodwill. No community prospers if its merchants are jealous of each others' success. No merchant is popular or successful who knocks his town. "Its a knock at yourself when you knock the town; it isn't the town, IT'S YOU." May our community be prosperous and contented, and to that end may this season fill us with the spirit of Him who came to bring goodwill to men, in celebration of whose birthday all Christendom drops its wonted occupation for a brief moment, and even Mars is awed into silence.

In wishing you The Compliments of the Season, we desire also to thank you for your kindly patronage during the past year and assure you of our intention to be of every possible service to you thro 1918.
