## PUBLIC INSTALLATION OF LENTS GRANGE

Three or Four Substitutes Try to Fill Master-elect Kreuder's Shoes.

The public installation of the officers of the Lents Grange Saturday afternoon was an impressive sight, and a large attendance lent interest to the scene. There were so many "outstanding features" that it would be difficult to pick out the "outstandingest." Installing officer, John D. Chitwood, of Damascus Grange always lends dignity and grace to any occasion. His address to the patrons and officers was timely and forceful, while his faultless memory of the installing ritual caused everything to go off by clockwork. The excellent team-work of the drill team, led by Mesdames McNeil and Hotchkiss, their daintiness and womanly charm as, all dressed in white with their long ribbon streamers they moved as a unit throughout the maneuvers, was only equaled by the grace and precision of their leader, Mrs. George Spring. Following the installation ceremonies was a good musical program, and between the afternoon and morning sessions a sumptuous grange repast was served in the banquet hall.

At the morning session J. J. Johnson, Master of Evening Star Grange, took charge in place of Master T. J. Kreuder and six candidates were initiated into the third and fourth degrees. Judge Morrow gave an interesting patriotic address, and Mrs. Edith Tozier Wethered announced a meeting of the Grange women's club to be held in the Public Library on Friday afternoon. At the afternoon session, while the installation ceremonies were being conducted by Mr. Chitwood, W. H. H. Dufur, Master of Woodlawn Grange took the place of Mr. Kreuder.

The afternoon musical program was in charge of Mrs. H. A. Darnall, the retiring lecturer. She has held this position for six years. Undoubtedly the outstanding feature was the playing of the Stipples orchestra consisting of Mrs. Stipples and her three children. Mrs. Stipples plays the piano, a wee boy plays second fiddle, a young miss first fiddle and the big brother supplies the double bass with his cello. Every number brought great applause and called for encores. These people are members of Lents Grange. Other numbers were given by Miss Eva Huntington, an instrumental number, little Miss Dorothy Hess, a recitation, and Mrs. Gilbert and daughter, violin solo with piano accompaniment. State Senator Orton read some extracts with reference to the evolution of the Juvenile Court. Owing to his absence from the city Master-elect Kreuder will be installed at the next meeting.

## BABY GIRL COMES TO BRIGHTEN TREMONT HOME

Will Eggman is the Lucky Man.

On Friday morning the stork alighted at Tremont for a few moments in his arduous rounds and deposited at the home of William Eggman of 6829, 58th Ave. a wee baby girl. If Mr. Eggman's customers at his Meat Market get short changed or over weighted, or even not waited on at all for a few days they will have to be patient. Maybe their turn's coming. The baby's name is "Elizabeth Beuna."

## LOCAL SIGNWRITER LANDS A GIRL BABY

Watch for Billboard Announcement Around 94th Street.

Charlie McIntyre the local signwriter who works for Foster & Kleiser had the stork stop at his home a week ago Saturday, and it is quite evident from a personal view of the columns of the Herald week by week that that auspicious bird is decidedly partial to this community. Mr. McIntyre lives at 6528, 94th St., and it is rumored that Foster & Kleiser are to come out and put up a special billboard announcing the arrival of the new baby. It's a girl.

## MONTHLY MEETING GILBERT P. T. A.

The Gilbert School Parent Teacher Association held their usual monthly meeting last Friday it being the second Friday in the month. The report of the school activities were read. A circular of the Junior Red Cross was read by Mrs. Bush. Miss Myrtle McNeil gave her report of the Eugene Convention, Mr. Ager, the Principle, gave a talk on War Saving Stamps. Hot lunches were talked of but no decision was arrived at.

## LARGE MEETING OF WOODMERE P. T. A.

Inspiring Address By Sadie Orr Dunbar--Red Cross Reports Good.

The Woodmere-Parent Circle held one of its largest meetings in Room 9 at 2:30 last Thursday p. m. After the reading of the minutes of the last meeting, and the new business was attended to, Mrs. Sadie Orr Dunbar gave a very interesting talk on "The Prevention of Disease and the Care of the Health of our School Children." She went into detail showing the need of Tuberculosis Sanitariums and hospitals in Oregon and with what lack of interest officials have taken any offered suggestions or appeals for aid. Her time was limited but her inspiring message was very timely. Several Red Cross reports were given, and a lot of industrial cards were signed and returned. At the last meeting it was voted to accept an invitation to join the confederate association of clubs in the city which will be a social benefit to the circle. The sewing auxiliary are making a big showing and thru the kindness of the boys of Woodmere school all the new skeins of Red Cross yarn have been wound into balls ready for knitting.

## SUMMING UP OF RED CROSS CAMPAIGN

Spectacular Rally Turned Apparent Defeat Into Another Record.

Although on Christmas Eve, the original time scheduled for the completion of the Red Cross Drive in Oregon, the results, especially in Portland, were anything but satisfactory, sufficient progress had been made in another week as to ensure Oregon's share being well up to the usual Oregon standard. The figures are not yet ready for publication as there is an immense amount of tabulation necessary before results can be given out, but it appears that the state secured 245,000 members, or 31 per cent of its entire population. From figures available it seems that Washington state secured 355,000 members, or 28 per cent of its population. Portland's total was 92,000, a percentage of 33 per cent.

It will be interesting to note how much the Mt. Scott District accomplished, and the following statistics are supplied by W. A. Eatchel, the generalissimo for this part of Portland. There were fifty-eight workers in all, but it is impossible to indicate more than the captains of the precincts. In some instances Mr. Eatchel said more credit is due some of the lieutenants than to the captains, but all are deserving of the highest possible praise. The statistics include the precinct number, name of captain, and amount of money turned in. 116, 123½, 123, 125, Mrs. Fannie Bushman, \$172.00; 115, Mrs. W. M. Abel, \$136.00; 121 and 122, Mrs. C. P. McGrew, \$125.00; 118, 19 and 20, Mrs. Janet Gesell, \$110.00; 157, Mrs. A. D. Jones, \$100.00; 128, Mrs. Fred Bourne, \$71.00; 124, Mrs. Ora Byers, \$69.30; 129, Mrs. M. A. Scott, \$66.50; 117, Mrs. H. S. Boane, \$66.00; 126 and 126½, Mrs. J. L. Baker, \$53.50; 127, Mrs. Nellie M. Smith, \$35.00; 157½, Mrs. W. H. Pickering, \$30.00; 130, Mrs. L. A. Cummings, \$25.00; 114, Mrs. W. J. Jeffries, \$23.00; 131, Mrs. J. Swift, \$3.00; Miscellaneous, \$13.00; 113, man worker sent by Red Cross, say, \$113.00; total, \$1211.30.

The following letters will show the appreciation shown by Red Cross headquarters for the help of local people: Manager for Multnomah County, Christmas Red Cross Membership Drive, Morgan Bldg., City. Dear Sir:—Your campaign workers braved the weather and went from house to house and farm to farm, canvassing for Red Cross memberships. There was no hardship they were not willing to undergo. The distressing shortage of buttons and other supplies embarrassed them, but they went ahead with lofty courage. They were animated by love of our country, affection for our soldier boys and a desire to be of actual service in relieving the suffering caused by frightful war; also they were determined Multnomah County should do its full share in the enrollment of members in response to the appeal of President Wilson, asking every man and woman to join the Red Cross.

The results in Multnomah County speak for themselves. To your heroic workers belong the credit. It was individual work like this all over the State that won again for Oregon the proud distinction of being among the foremost states of our Union in patriotic achievement.

No mere letter of thanks can convey to your workers anything like the credit that is their due. Their devotion demonstrates that they were not staving for personal credit. Their rich reward is in the consciousness of sacrifice made and duty done, but in behalf of the Northwestern Division Campaign Committee, will you kindly convey to each and all of them, through any channel that may be available, the deep sense of appreciation felt by Division and State Headquarters for their devoted service. Yours gratefully, Hervey Lindley, Chairman, Northwestern Division Campaign Committee.

Dec. 29, 1917. Mt. Scott Herald, Lents, Station. Oregon. Gentlemen:—We cannot refrain from complimenting you upon running so many news items of the Red Cross Membership Campaign in your issue of December 20th; also upon the splendid full-page advertisement you carried with its beautiful three-colored border.

Unquestionably a considerable part of the results obtained throughout your suburban district were made much easier to procure through this splendid publicity contributed by you. Yours very truly, C. C. Chapman, Oregon State Chairman

January 5, 1918. The Herald, Lents, Ore. Gentlemen:—After glancing over the clippings from the Herald, I am pretty well convinced that there was

## NO HOOVERIZING AT FLORIDA CAMP

Emil Helman of Portnomah Recommends Camp Joseph E. Johnson

The Herald is in receipt of the Christmas Dinner Menu served to the Quarter Master's Department, Barrack C. 8 Camp Joseph E. Johnson, Jacksonville, Florida, where Private Emil Helman, formerly of the Portnomah Farm, is stationed. A perusal will bear out Emil's words. He says, "Tell the fellows to come to this camp if they get a chance, they treat us fine." Here it is, "Oyster Stew, Celery, Pickles, Roast Turkey, Cranberry Sauce, Strawberry Preserves, Cream Potatoes, English Peas, Apple and Peach Pie, Cocoanut Layer Cake, Plain Chocolate Cake, Apples, Assorted Nuts, Oranges, Cigars, Cigarettes, Black Coffee." Without in any way casting any doubt upon the loyalty of Uncle Sam himself, it would appear as if that worthy gentleman did not practice Hooverizing when handing out a Christmas Dinner way down in Florida to a few of his nephews. Mr. Helman says he first went to San Francisco, then Los Angeles, through Texas and Arizona, and finally to Florida. His remarks concerning Arizona are not very complimentary, but we believe he is very favorably impressed with Florida.

## CASHIER'S OFFICE IS NOW 100 PER CENT

Boy Baby Fishburn Saves Father's Job With Southern Pacific.

When little Phillip Ralph Fishburn, weight 10 lbs. arrived at the home of Mr. and Mrs. P. H. Fishburn, 7129, 54th Ave., Thursday, his sex saved his father from losing his job. At least that was what Fishburn Sr.'s associates say. Mr. Fishburn works in the Cashier's Office of the "Espee" and all the other employees in the office were the proud possessors of baby boys. Dire penalties were threatened unless P. H. upheld the dignity of the office. With the arrival of a baby boy all doubts were set at rest, the office proudly claims to be 100 per cent perfect and Mr. Fishburn has gone back to work. It is rumored that his associates have to help him put on his hat to come home, and it is hoped the present quiet weather will prevail until the temporary swelling has disappeared; a strong wind would be a calamity just now. Mr. Fishburn is some odd fellow. If the little fellow is as odd as his dad local residents of Arieta say he'll be all right. Some logic!

## FRANKLIN HIGH.

"When do they come?" "Are there many of them?" These were some of the questions asked by the students of Franklin High concerning the Freshies elect. At noon they began to arrive and were ushered thro the rooms during the fifth period to get an idea of Franklin.

Today (Thursday) is the Franklin Birthday which is to be celebrated by an assembly with a good program.

Some of the students are having a pleasant vacation Tuesday, Thursday and Friday afternoons, for those who had the misfortune to fail in the examinations before Christmas are being allowed to make up their grades on the aforementioned days.

The Sophomores and Freshman had an enjoyable evening Tuesday at their dancing club. One enthusiastic Sophomore declared, "I nearly danced my life away."

very little lacking in the campaign you conducted in Multnomah County in the Membership drive of the American Red Cross which has just ended so successfully.

Oregon leads the entire United States and this showing is due, in a very large measure, to the wonderful patriotic efforts of the newspapers which donated so much time and space to the needs of the campaign. It was a wonderfully patriotic showing and one which I doubt whether any other state in the Union can duplicate.

This was not what I intended to write you, however, but I do desire to express to you our very warm appreciation for your own efforts in the campaign, which really could not have been exceeded. Very truly yours,

The American Red Cross Christmas Membership Campaign.

## YOUNG PEOPLE ENTERTAIN ROYALLY

Efforts of Aeronauts Successful--High Altitudes Reached.

Forty dollars in money, tremendous enthusiasm, a downright good time, some vocal surprises sum up some of the results of the entertainment given by the Aeronauts' Class of the Friends Sunday School last Friday evening in the Church. The object of the entertainment was to present the matter of the needed finishing of the Church Annex and secure co-operation toward that end. As we go to press, the plastering work is practically completed, and other improvements as well, all as the result of the hard efforts of a few boys and girls of high school age.

At the close of the program Mrs. O. M. Tamplin gave a condensed history of the Annex and its needs and made the appeal for funds. In cash and pledges \$40.65 was received and work was authorized immediately. Part of her "history" was in alphabetical primer style, as follows:

"A" is for Annex to the Church of the Friends.  
"B" is for Boatwright who'll plaster both ends.  
"C" is for Carr, the heavyweight man.  
"D" is for Dunbar who does all he can.  
"E" is for Emel who'll put in the wire.  
"F" is for Fox who works without tire.  
"G" is for grouch who grumbles and growls,  
"H" is for Hunt, who helps without howls.  
"I" is for Isler, so modest and coy,  
"J" is for Joycie, the Editor's joy.  
"K" is for Kenworthy who is a good giver,  
"L" is for Littlefield who is a good liver.  
"M" is for Markell who gladly did work,  
"N" is for "nerve" of all who did shirk.  
"O" is for Openhouse we're holding tonight,  
"P" is for Pastor—we think she's just right.  
"Q" is for queer if we can't all agree that without Clifford Barker we're all up a tree.  
"R" is for Repp, a stalwart young man, who'll willingly give all the help that he can.  
"S" is for Sines, the latest to wed,  
"T" is for Thomas; they'll both help, 'tis said.  
"U" is, "United the work will be done."  
"V" is for vision of souls to be won.  
"W" is the wisdom for which we all seek.  
"XY" is Xpecting You a good word to speak.  
"Z" is for Zeal we all hope to show for good works for Jesus; we love Him you know.

The surprise of the evening was supplied by the singing of Albert Boatwright and Myron Richardson, who fairly brought down the house with "The Old Oaken Bucket." They were twice recalled. Both young men appeared in this role for the first time, their bashfulness was as becoming as their singing voices were astonishing. Albert Boatwright, who by the way was the apprentice in the Herald for "some time took the alto an octave high as a tenor, and "got away with it." Many a tenor singer would have shied at the task.

The program was good from start to finish and showed the result of careful training, credit for which probably belongs to Mrs. J. Allen Dunbar and hubby. It is reproduced herewith: Instrumental, Miss Goldie Carr; Chorus, "Beulah Land" by the whole class; Prayer, Marion Cook; Solo, "Nancy Lee" by Miss Dora Dunbar with Guitar accompaniment by Mrs. Theodora Fox; Reading, "The Darkies' Christmas," Mrs. J. Allen Dunbar; Chorus, "The U. S. A. Forever," Tune, Dixie, whole class; Recess with refreshments in the Annex; Instrumental Music, Kenneth Tumpkin; Duet, "The Old Oaken Bucket," Messrs. Myron Richardson and Albert Boatwright; Chorus, "Crazy Me Back To Ole Virginny," Class; "The Old Settler's Story," Theodora Dunbar; Quartet, "De Massa ob de Sheepfold," Messrs. Boris Mann and Goldie Carr, Messrs. Albert Boatwright and Carroll Tamplin; the needs of the Aeronauts, Mrs. Tamplin; Benediction.

## A Good Reason.

Teacher—Why has the giraffe such a long neck?  
Charlie—Because its head is so far away from its body.
