

Co-Operate for Prosperity

It is just as true of a community as of an army, success cannot be attained without co-operation---pulling together. If we want a wide-awake, prosperous, self respecting community, LET'S ALL PULL TOGETHER. A good place to start is with the local Improvement Club. Are you a member? Are your dues paid? Are you insisting and co-operation on energetic action?

GET AFTER THESE DOLLARS.

Our town should get all of the trade in our trade area. We can't worry about our neighboring town's business. We have enough to do to take care of our own. But we should get all of our own. How about these dollars that are getting away from us? How about the dollars that are slipping through our fingers? We have the goods. We have the values. Our prices are right. And yet there is a lot of money slipping away from us constantly. The best way to get after this money is to tell the truth about the man or the system that is taking it away. Join in the Trade-at-Home campaign.

How to Save that Extra Cent . . .

A good many people have found a way to secure the extra cent demanded by the street car company. THEY SAVE IT by trading with us. Our prices on all staple and fancy groceries are the lowest and WE GIVE PENNY CHANGE. By trading here you can frequently get the same article and save a few pennies over other's prices and your carfare increase will not be noticed.
