## TRUE HOME TOWN PATRIOTISM

Patriotism, like other homely virtues, begins at home. It is only given to the few to serve in high places. But all of us have the opportunity to serve at home. Loyalty to the home town is the test of real patriotism. When we fail to support Home Trade and Home Industries we fail in our loyalty to our country and to ourselves. Great are the rewards of Home Town Patriotism. Great are the results. It brings prosperity to us and ours, employment for all, activity in business and progress in every direction. With "Our Town First" as our slogan our Progress is assured.

## How to Save that Extra Cent . . .

A good many people have found a way to secure the extra cent demanded by the street car company. THEY SAVE IT by trading with us. Our prices on all staple and fancy groceries are the lowest and WE GIVE PENNY CHANGE. By trading here you can frequently get the same article and save a few pennies over other's prices and your carfare increase will not be noticed,
