Optometrist

An optometrist first of all is a Specialist. He devotes his life to correcting errors of vision with proper glasses and seeing that they are properly fitted, because he realizes that without absolutely correct adjustment glasses are not nearly so efficient.

The Optometrist never treats diseased eyes. He is trained to detect diseased conditions and always refers such cases to a physician. The Optometrist never uses medicine or drugs.

LOCAL BRIEFS

E. P. Allen of 53rd avenue is spending the winter in California.

The knife, fork and spoon are the most powerful implements of war just now.

Mrs. Rena Carr, of Prineville, Oregon, has been spending some weeks with her daughter, Mrs. Lewis Coryell, on 53rd avenue.

Lew McKinley, who has been working in the shipyards at Astoria, phoned last Saturday for his wife and baby to join him as he had a comfortable place ready for them.

W. O. Ash was re-elected for his 8th term as President of Local 23, Elevator Constructors International Union of Portland. Mr. Ash is very popular among his fellow workers.

The funeral of Mrs. Ida Thorne, formerly of Lents was held Saturday from the Seventh Day Adventist Church at E. 11th and Everett Sts. Mrs. Thorne leaves a husband, two grown daughters, and a small son.

Take the 25 cents you did not spend for pork chops and buy a thrift stamp with it, thus doing the double patriotic service of saving the most needed meat and leaning Uncle Sam money with which to carry on the war.

The Methodist Church shows faith in this community. They find that so many new families are moving in who come from Methodist circles and are unable to find the local church that they have posted bulletin boards in several conspicuous places around Lents.

Lents Hardware seems to be going into the house cleaning business in a wholesale way judging by the amount of brooms and mops that they have strung up on their patent rack. They have a nifty broom holder that every housewife will want. They also have a new and large shipment of graniteware just in.

G. K. Williams and wife of 4813 91st St. S. E. have sold their interests here and left Monday for Sacramento where they will engage in the bee business. Let's hope they won't get badly "stung" by moving from this part of the country. Their many friends are sorry to see them go and will welcome them back if they decide to return.

It is rumored around Tremont that one of the local men there is going to give T. M. Hurlburt a run for his money in the Republican Primaries, for the office of sheriff. We'd like to see a Mt. Scott man get his toes in somewhere in the Court House so that possibly this district might receive adequate consideration for the many matters about which it seems almost impossible to get relief.

Ben W. Olcott in his announcement of his candidacy for the Republican nomination for Governor states that he will resign from his present office if elected governor and thus allow Governor Withycombe to appoint the new Secretary of State. He also states that he will endorse and urge the passage of both the Prohibition and Suffrage Amendments when referred to Oregon by Congress. He does not expect to spend time campaigning as he states that he believes the people expect him to stay right on the job for which he is paid.

Mrs. S. J. Allen returned Sunday from Tacoma, Wash., where she was called to attend the funeral of Hon. E. Moore, a near relative. Mr. Moore's funeral was one of the largest ever held in South Tacoma. It was held under the auspices of Clover Lodge A. F. and A. M. City Commissioner Athens, Past Grand Master of the State of Washington, A. F. and A. M., conducted the ceremonies. Mr. Moore and family are members of White Clover Chapter, O. E. S., of which Mrs. Wm. York was organizer and first Worthy Matron. His family visited Lents in September.

Mrs. Janef Gazell is the hard working assistant to Professor B. Hastings of Reed College in connection with the Thrift Stamps and W. S. S. Campaign (if you don't know what W. S. S. stands for you are a back number sure enough!) Prof. Hastings was a caller at the office this week, and has been appointed as head of the district south and east of Hawthorne Avenue and the river—some territory. Mrs. Gazell is making an excellent showing by her persistent personal calls and all help should be given her. She has set aside her egg money to be turned into thrift stamps, and has decided that in future movie money can better be spent that way also.

C. C. Barker, of 91st St. spent a few days home with his family the first of the week on account of the death of his brother-in-law Charles O. Conant. Mr. Barker is in the employ of the Northern Express Company at Camp Lewis. He gave a very warm tribute to the splendid work being done by the Red Cross at that Camp. He mentioned one instance where the wife of one of the men had to be operated upon and the soldier was unable to pay. The Red Cross took the case over and the results were most satisfactory. In another case a soldier was in danger of losing his home through foreclosure of a mortgage when the Red Cross found one of their members who kindly took up the mortgage and agreed to carry it without interest until the close of the war. Mr. Barker's descriptions of the camp, and their training activities getting ready for field conditions were most interesting.

RURAL ITEMS

Bellrose-Gilbert.

The stork made another visit last Saturday the 26th inst., at the home of Mr. and Mrs. Wright Davis of Park Drive. Mother and baby girl are reported as doing fine. Hearty congratulations from all their many friends in this community.

Last reports from Mr. J. Lenox are a slight improvement. A consultation was held by Dr. Nelson and a city physician, who express hopes for recovery by using "patience and care," something which he is sure to have in all its fullness in the care from Mrs. Lenox and their loyal daughter.

William Gilbert is confined to his house with a cold, but we trust his strong vitality will soon whip that cold to a frazzle—"and then some."

The revival services were closed with the evening service Sunday, the 27th inst., but we trust the spirit of the meetings will leave its mark in unity and progress for years to come. Altho Captain C. O. Branson, the evangelist, and wife, who conducted the meetings, leave for their home in Gresham the 28th, his name, work, and personality will live with and in the hearts of the many friends which he has made here, both old and young. May their lives be brightened by our abiding love.

Mrs. Smythe of Foster Road has been having her house tinted and painted. Watch out for Spring now. J. L. Johnson did the work.

Mrs. C. H. and Mrs. Thomas Bateman will move the first of February to their new home near Wilson station. We can all find it.

The baby daughter of Mr. and Mrs. Bush of Lenox avenue has been quite ill, but last reports were bright with hope for a speedy recovery.

Reports are made that three acres of land which faces on Lenox avenue, and lies between Mrs. M. L. Franco and J. L. Johnson, were recently disposed of by the owner at the rating of \$1000 per acre.

Anabel and Archer Place.

Grandpa O'Mealy, who was operated on at the Portland Sanitarium by Dr. Holden, for gall stones, last Sunday morning recovered from the shock of the operation promptly and at present is doing nicely. The physicians have great confidence in his ultimate recovery in spite of his advanced age.

Watson Station

Nearly everyone in this section has a severe cold in the head or throat, some with both—must be a mild epidemic.

The little daughter Emma, of Mr. and Mrs. Fred Hogue, on 86th St. and 71st Ave., has been seriously ill, and under the doctor's care, with Bronchial-Pneumonia. She is expected out of danger now.

Little Mary Margaret Headrick, the youngest depositor that we know of, as the sum of \$5.00 has been placed in a Portland bank each month since her birth. During the Holidays southern relatives helped to swell her bank account as a Christmas present. The young lady, not quite a year old, is a great favorite in this part of Lents, and promises to be quite a "belle" in later years.

Mrs. Anna B. Fletcher has sold her cozy home at 7030 35th Ave., to Mr. Metcalf. Mrs. Fletcher is the mother of Mrs. Eva Hayes and Jesse and Cal Ericson. She has purchased a cottage and two lots at 8742 71st Ave., formerly owned by Mr. Sidney Hayes' mother, Mrs. Jennie Amberson, now a resident of Newberg. Cal Ericson is a salesman for the Creston Feed Company, while Jesse is teaming for the Company. The latter will make his home with his mother at her new abode.

Soldier Insurance.

The Treasury Department is making every effort to have every member of America's fighting forces take advantage of the Government-insurance plan, which Secretary McAdoo asserts to be "the most just and humane provision ever made by any nation for its soldiers and sailors."

The purpose is rapidly being achieved, the insurance having passed the third billion mark in the total of policies written, and there are many military units in which every member has taken insurance.

The automatic insurance provided by the law is only partial and limited protection, payable only to wife, child, or widowed mother and ceases after Feb. 12, 1918. It is important, therefore, not only to the soldiers and sailors of the country but to their families and dependents, that before that date they avail themselves of the full Government protection, which can go as high as \$10,000 and is payable to a wife, husband, child, grandchild, parent, brother, or sister.

The law also provides for the reeducation and rehabilitation of the totally disabled and monthly compensation to those disabled.

THE SMILEAGE IDEA.

By STRICKLAND GILLIAN.
When khaki'd men desire to go To lecture, concert, play or show It is not right that they should bear, From out their wages, any share Of the expense. We want to give, To those who serve that we may live, The very best of all life's pleasures— They guard our homes and lives and treasures.
Let every officer and "rook" Get in scotfree to have a look. That's why we made this Smileage Book. And if you think 'tis right to try it, Please bundle up your coin and buy it!

QUESTIONS AND ANSWERS.

Q. What is a Smileage Book?
A. A Smileage Book is a book containing coupons entitling the holder to admission and seat tickets at Liberty Theatres, Liberty Tents, and auditoriums under the management of the Commission on Training Camp Activities in National Army cantonments and National Guard camps.

Q. By whom are they issued?
A. By the Military Entertainment Council of the Commission on Training Camp Activities, Washington, D. C.

Q. What do Smileage Books cost?
A. Smileage Books are of two kinds: The first costs \$1; the second \$5.

Q. How many tickets does each book contain?
A. The \$1 Smileage Book contains 20 coupons; the \$5 book contains 100 coupons.

Q. Where are they good?
A. In all Liberty Entertainments in all National Army cantonments and National Guard camps under the management of the Commission on Training Camp Activities.

Q. Are the books to be inscribed by name to soldiers?
A. There is space for an inscription to soldiers by name, but this is not necessary.

Q. Are they transferable?
A. Yes, to soldiers in uniform.

Q. How many theatres have been built?
A. One permanent theatre, seating 3,000, has been built in each National Army cantonment. Two chautauqua tents, seating 1,800 each, have been erected in each National Guard camp.

Q. Are Smileage Books available for use by civilians?
A. Civilians are allowed in these entertainments only when accompanied by a soldier friend with Smileage coupons.

Q. How much money does the Military Entertainment Council hope to raise from the sale of Smileage Books?
A. The goal for the drive of the week of January 28th has been set at 1,000,000 Smileage Books, but if a million dollars' worth of smiles are good for our soldier boys, why won't two million dollars' worth be much better?

Q. How can I get these Smileage books to the soldiers?
A. Send them by mail. Let the next letter you send to any camp, contain a \$5 or \$1 book; think of the laughter in those coupons. And, of course, if you have a boy, son, brother, sweetheart or husband of your own in camp, you will see that he gets one.

Q. Under what authority is the Smileage campaign conducted?
A. The authority for this campaign is that of the United States Government.

Q. Who supervises the handling of the finances?

Use This Camouflage

A good many car owners are still expecting winter and have their cars laid up in their garage. Old Dame Nature is so skillful, however, at the new game of camouflage that she has hidden winter in the garments of spring. Take advantage of the old lady's fun and GET OUT YOUR BUZZ WAGON AGAIN.

If its a little out of tune and hard to start we are at your service.

By the way, if you want to remember "camouflage" the new French term which means to make things appear what they are not, just remember that IT RHYMES WITH GARAGE and every time you read it think of us.
