P is for
PRESBYOPIA

Presbyopia is a condition that comes to all eyes no matter how perfect they are. It begins at about forty years of age, and makes the use of glasses necessary for reading, sewing, etc.
It's first symptoms are inability to see fine print clearly or a tendency to hold reading away from you—both threading a needle, etc., etc.
Don't neglect your eyes at this time, let us tell you about it.

LENTS BRIEFS

Mrs. F. Bryant entertained her sister, Mrs. Geo. H. Bryant of the Arlington Hotel, Astoria, last week.

All auto owners will be interested in the free test of the wonderful new electrical instrument at the Lents Garage Monday.

Mrs. Geo. W. Simpson, and Mrs. Carrie Day were visitors at the home of Mrs. F. Bryant of 9510, 57th Ave. S. E. last week.

We find James Henderson, who was for some time assistant in the Lents Post Office is now Superintendent at the Arleta Office.

Mrs. J. M. Baker, of Tillamook, Ore. is visiting at the home of her cousin, Mrs. Oscar F. Freeberg of 9305 58 Ave. S. E. Mrs. Baker was Miss Oatie Hedge before her marriage to Mr. Baker.

The many friends of Rev. Peter Conklin, formerly pastor of the Evangelical Church of Lents were glad to see his face on the street early this week. He was only here a few hours, and is on his way to Tillamook.

Reuben Wilson Post and Shilo Circle G. A. R., will have a FREE ENTERTAINMENT on Feb. 16th in their lodge room in the I. O. O. F. hall, it being in memory of Lincoln's and Washington's birthday. It is open to the public.

Miss Anna Barrett, sister of Mrs. C. J. Holway is successfully evading the St. Paul, Minn. climate. Her father is still here also, and delighted with Oregon. He is particularly pleased with the seclusion and privacy afforded by a home in Lents.

Mrs. Hattie Beldin of 4123, 65th St. S. E. is now in the campaign headquarters of A. W. Lafferty, 437, Pittcock Block where she is doing her best to meet enquirers and boost his campaign along. She tells us that she has worked for him for many years.

Lawrence Mills, little son of Edward Mills of 9118, 57th Ave. was operated on yesterday at St. Vincent's hospital for the removal of his adenoids. He had been left so long that the operation was a difficult one and occupied nearly an hour and a half. The physician was Dr. French.

James W. Parsons, formerly in the furniture business and with A. D. Kenworthy & Co., of Lents was a visitor to this office yesterday. He is now engaged in the furniture business at Walla Walla, Wash., and is up on a visit to his mother and sister, Mrs. and Miss Ruth Parsons of 7820, 55th Ave.

Mrs. G. W. Haddon has just received word from her son D. Claude Haddon that he was married in Butte, Montana Jan. 20th to Miss Marjorie Gleason. Claude was well known when he lived in Lents and his mother expects him and his bride very shortly on a visit. He was a little too young to register in the recent draft registration, and most of his companions while here are now in the service.

There is the remains of a buggy resting serenely in a vacant lot on south 92nd St. For a time it was leaning up against a telephone post with a wheel smashed to atoms where it was left by a horse who decided to part company with it. It is said to belong to Frank Tobin, and we have an idea there must have been something doing round those parts Monday morning.

Mrs. M. A. Ainsworth and mother, Mrs. M. C. Jeffries have just returned from Omaha, Neb. where they visited Milton A. Ainsworth formerly of Lents, who is at Fort Omaha, a member of the Balloon squadron of the Aviation section of the signal Corps. There are several Lents and Portland boys there and the boys are very nicely cared for by Uncle Sam having plenty good food and warm clothing. There is plenty of zero weather, 24 below part of the time. The boys are all getting fat and enjoying the best of health. Earl Walker, whose parents are in Lents, is looking fine and has a fine position as motorcycle man for the Balloon squadron. The boys wish their friends to know they are anxious to get across the water and fight this war to a finish. Each man wants to be the one to bring home the Kaiser's scalp.

War Garden Bulletin.

Corvallis, Ore., Feb. 7. The first of a new series of bulletins dealing with the home vegetable garden has just been published and is ready for distribution to all who appreciate the value of the garden as a means of economy in war time. The series is being prepared by A. G. Bonquet, of the O. A. C., vegetable garden section of the horticultural division.

A practical planting plan for the home garden is given, together with a suggestive list of the horticultural varieties of each vegetable.

Church Notes

Baptist Church.

Services, Sunday Feb. 10th, E. A. Smith, Pastor. Sunday School at 9:45. Mrs. A. M. Randolph, Supt. Good music and a live School. Preaching Service at 11 a. m. Subject, "God the Salvation of the Ages." Young peoples Prayer Meeting. Theme, "My Denomination, What it Stands For." Evening, "Christ's Challenge to the Age." Prayer meeting, Thursday evening. A cordial invitation to every one.

The Pastor will have for morning subjects, "God The Salvation of the Ages." "Jesus Christ, His Person and Power." "When will Jesus Come again." "The Christian Attitude Toward the Second Coming." "The Judgement of the Nations." and "What Shall we do While He Tarryes." The evening themes will be Evangelistic in Character.

Evangelical Church.

Because of inclement weather the attendance at the services last Sunday was not very large, yet it was a good day as the interest in the several services was very satisfactory, and we believe some good was done. Rev. Gile did credit to his subject on "Prayer," in the morning. He brought out very forcibly the need of more prayer as individuals, churches, communities and a nation. The "Day of Prayer" offering of \$14.00 was commendable considering the congregation. The evening subject "What is the Church Worth to Me and What am I Worth to the Church?" was indeed timely. Many who were not present could profit by heeding the admonition of more faithful church attendance and performance of duty.

Next Sunday services at the regular hours. Rev. Lienes of the First German Evangelical church will preach the word in the morning. In the evening Rev. A. E. Myers, of Lents will bring the message. We welcome you to all services.

Millard Ave. Presbyterian Church.

The Y. P. C. S. E. held their monthly social at the home of Olive Reed, 6743, 78 St. and 67 Ave. A splendid program was rendered. The program included, a reading given by Miss Buena Margason, a solo by Mr. Freeman, a violin solo and a reading by Bertha Case. The rest of the evening was spent in playing games. Refreshments were served and enjoyed by everyone.

Kern Park Christian Church.

"War from the Bible Standpoint," will be the subject considered at the Public Forum to be held Sunday, February 10 at 7:30 p. m., in the church, 46th avenue and 69th street. The speakers, besides the minister, R. A. Moon, will be Prof. Elbert Haskins, Ward B. Swope, and H. O. Cartozian, an Armenian, who will discuss the subject from the experience of Armenia.

Methodist Church.

The people of the Lents Church are rejoicing that they have so far been able to raise the sum of \$92.50 for the Armenian-Syrian relief fund, and they believe that it will be at least \$100 before the drive is ended.

Beginning with next Tuesday evening Mr. Jasper is to give the Boy Scouts an illustrated serial story, illuminated by radioptic pictures drawn by Mr. J. A. Hollingworth, of Arleta. If there are any boys between the ages of twelve and twenty who would like to become identified with the Boy Scout movement he would like to meet them at some of the meetings.

The subjects for next Sunday will be: Morning service, "When is a Man Free." Evening, "Converting Hell." This will be a Radioptic address describing the rescue work of the Morgan Memorial of Boston, which is one of the finest and most scientific rescue mission in the world.

Friends Church.

Sunday Services, Sunday School, 9:45. Everybody is urged to be present and on time. There are going to be some interesting times when some of the contests and other things of interest get well under way. The Intermediate girl's class "Quaker Maidens" have challenged the Intermediate boys class, "Quaker Giants" to a membership contest. The boys will have to hustle if they don't wish to be hosts to the Quaker Maidens for they are out to win. Then there is a men's class with J. Allen Dunbar as teacher which expects to be a leading class in the Sunday School in the near future. Other classes are worthy of mention and will be noticed later on. The school pledged itself last Sunday to have 100 out on time next Sunday.

Sunday a. m. service, the pastor will give a message to the church and christian people, which will be helpful in preparing us for the revival meetings which will begin Sunday night. Everybody is invited to attend; if a christian help "lift," and if unsave learn the way of salvation.

Bulletin No. SIX

CLEANLINESS has been a conspicuous part of civilization since the beginning of time. Ancient nations had very strict customs regarding washing. It is only comparatively recently, however, that the manufacture of soap has been perfected to a stage where there are soaps of various kinds for various uses. MEDICAL SOAPS now abound, although authorities declare that all pure soaps have medicinal value. It is not generally known that soap is an excellent antidote for mineral acid poisons LABOR SAVING Soaps of all kinds are now in general use. A well known housekeeper volunteered this information to us yesterday. "I always use CRYSTAL WHITE because it smells good, doesn't hurt your hands, lathers easily and makes the clothes white."

Our Special for SATURDAY AND MONDAY ONLY is 6 Bars of CRYSTAL WHITE LAUNDRY SOAP for 25 cents. The regular price is 5c a bar.

We have secured the services of Lewis I. Hadley and Chester A. Hadley, father and son, both ministers of the gospel to have charge of the meetings. Lewis I. will have charge of the afternoon meetings and Chester A. the evening services. Lewis I. will preach Sunday evening at 7:30, his son beginning Monday evening.

The choir is getting a nice start on their Easter music. Choir practice is every Tuesday night at 8:15 with solo and quartette practice every time there is an opportunity to get in extra work.

The Elizabeth Frye Sewing class was smaller than last week, yet there was a good showing made and will be plenty of work next week for all.

Tonight (Thursday) is monthly meeting night.

GO THOU AND DO LIKEWISE.

Germany plants more than twice as great an acreage in potatoes as the United States. Germany gets more than twice as many bushels per acre, and she eats three times as many potatoes. Germany's wise use of potatoes helps her hold out against the Allies. Hoover calls the attention of the American people to these facts and asks everybody to eat potatoes. Are you eating your share?

License to Fight.

"Well, that's enough to try the patience of Job!" exclaimed the minister, as he threw aside the local paper.

"Why, what's the matter, dear?" his wife inquired.

"Last Sunday I preached from the text, 'Be ye, therefore, steadfast,'" answered the parson, "but the printer makes it read, 'Be ye there for breakfast.'"
