KEEP THE BALL A-ROLLING

Community Enterprise is like a snowball. When all push together the work is easy for each. Today is the day of the home town. "Back to the Home Town" is the slogan of the nation. The big city is a self-confessed failure. It has failed to provide for its own. It has shipwrecked humanity. But there are no breakers ahead of us. In our community all interests can unite. All we have to do is to keep the ball in motion. It grows by itself if we only start it. Let's all take a hand.

Food Will Decide The War

—We must remember that every flag that flies against Germany is, by proxy, an American flag; that those fighting in our defense cannot be maintained over this winter without the food necessary for their armies and ours; and for their men, women and children at home. Their needs can be supplied only by the resolute personal service of every man, woman and child in this country. This is your individual service in this war.
