THE COMMUNITY BURDEN

What are you and I doing to lighten our Community's Burden? Are we piling on the back of our Community indifference and neglect? Are we holding back our patronage? If so, we are adding to the Burden. We are making it heavy. But if we are generously giving our Community our loyal support, then we are doing our share in making the Burden light. We can so direct our thoughts, words and actions as to lighten that Load. Don't break the back of your own community. Do what you can to lighten the load.

This announcement is published at the request of

The United States Food Administration

which enlists the Aid of Every Woman to Help Win the War

The men of the Allied Nations must be fed. All our boys fighting for us must be fed. The food is here. We must send more food across the sea than ever before. Help to conserve food and you do a bit for the war. We must send more wheat. We must send more meat. We must send more butter and milk. We must send more sugar.

THEREFORE:—Buy less; cook no more than necessary; serve smaller portions. Use local and seasonable supplies. Patronize your local producers and lessen the need of transportation. Leave a "Clean plate" when you leave the table.
