THE WOMANS WORK.

You, madam, are only one of a thousand women today who are deluded by the long-distance bargain. Don't be carried away by a beautiful picture in a catalog. You can get better bargains from your own home merchant, where you see the goods before you pay for them, where you are assured of a fit and satisfaction in every respect. In trading at home you are doing your share in building up your community. This is your work.

This announcement is published at the request of

The United States Food Administration

which enlists the Aid of Every Woman to Help Win the War

The men of the Allied Nations must be fed. All our boys fighting for us must be fed. The food is here. We must send more food across the sea than ever before. Help to conserve food and you do a bit for the war. We must send more wheat. We must send more meat. We must send more butter and milk. We must send more sugar.

THEREFORE:—Buy less; cook no more than necessary; serve smaller portions. Use local and seasonable supplies. Patronize your local producers and lessen the need of transportation. Leave a "Clean plate" when you leave the table.
