KEEP IN TUNE

COMMUNITIES are like people. They are apt to get "out of tune." HARMONY is any community's most valuable asset. Without it little can be accomplished. When the town is off key it is on the down grade. Something should be done all of the time to keep our community in tune. We are apt to overlook this, and only tune up spasmodically. In the intervals we are apt to forget we are part of a community. We lapse into mere individuals and lose our community sense. We can't go too far in an effort to preserve community Harmony. Let's all work in order to keep on the key.
