CHURCHES UNITE IN MEMORIAL SERVICES

Sunday Evening Close of Reid and Troy Evangelistic Meetings.

The Union Evangelistic meetings are now on their last lap, but people are more eager and enthusiastic than in the first week. The week just past, though cold and wet, saw the largest crowd of the series. Every night crowds have gathered on Liberty Board corner to hear the singing and speaking. Dr. Reid has spoken with great power and tenderness and Mr. Troy has sung the Gospel into the hearts of the people. The afternoon meetings have been well attended.

Sunday night saw the Evangelical Church taxed to its utmost capacity. A large number of soldiers were present in a body and they were wonderfully attentive and seemed to enjoy the services. Dr. Reid spoke of Judas and his price for the Savior, showing that when Judas received his thirty pieces of silver he sold himself and not his Lord. So in life, each man has his price, some men are cheap like Judas, others you cannot put the dollar mark on.

Next Sunday being Memorial Sunday the churches will unite at the morning services as well as in the evening. The old soldiers will be present in a body. Dr. Reid will preach the Memorial sermon. The evening service will conclude the evangelistic meetings.

MRS. T. C. HEPPERLY PASSES ON

After a busy day's work, which included casting her ballot in the primary election Friday, "Mother" Hepperly retired in apparently usual health at her home, 9105 Fifty-seventh Avenue S. E. About midnight Mr. Hepperly was aroused and arose and made a fire, but before any sense of alarm was felt in regard to her condition, Mrs. Hepperly passed quietly into eternity.

Her son, Wade Hepperly, and daughter, Mrs. Thomas Brown, of Vancouver, Wash., with their families, came Saturday morning, arranged for their mother's funeral and looked after their aged father, who will reside with them in the future.

The funeral services were conducted from the Kenworthy parlors at 4 p. m. Monday, May 20, interment being at Multnomah cemetery. Rev. E. A. Smith conducted the services.

Mr. and Mrs. Thos. C. Hepperly had resided in Lents for ten years, having moved here from Springbrook, Ore., where they located when they came west in 1904. They were married in September, 1863 at Peoria, Ill. Mrs. Hepperly was Selina A. King, her birthplace being Washington County, Ohio. She is survived by five children, Frank and Curt Hepperly of Nebraska, John Hepperly of Clearfield, Iowa, and Wade Hepperly and Mrs. Thomas Brown of Vancouver, Wash.

Mrs. Hepperly was a member of the Methodist church and in earlier life was a prominent worker in the W. C. T. U. She was held in high esteem in the community.

All Must Register June 5

Wednesday, June 5, has been officially designated as Registration Day throughout the United States, for all young men who have attained the age of 21 years since draft Registration day one year ago.

On Wednesday, June 5, every 21-year-old man in the United States must appear at the registration place designated by his local draft board, and register.

The only exception are men already in military or naval service. Special arrangements have been made whereby absentees and those too ill to appear at the registration places may register by mail.

But they must all register. Failure to do so makes the guilty young man liable to imprisonment for one year. Ignorance of the fact that June 5 is Registration day will not be accepted as an excuse.

The burden of informing themselves as to the place and date of registration is placed on the men themselves.

Registration will be in charge of the local boards in their respective districts. They are required to post immediately a list of the registration places.

These registration places will be open from 7 o'clock the morning of June 5 until 9 o'clock that night they will be in charge of officials of the local draft boards.

June 5 has been selected as the date for registration day because it is the anniversary of the first draft registration day, when approximately 10,000,000 men between the ages of 21 and 30 years, inclusive, registered for the draft.

MENTAL CULTURE CLUB MET WITH MRS. GESELL

The Mt. Scott Mental Culture Club met last Thursday at the home of Mrs. Janet Gesell, 6119 Eighty-ninth street. This was the last program meeting of the season and was of unusual interest.

Mrs. Harold Wagstaff gave a comprehensive review of "Sweet Lavender" by Pinero; Mrs. Rogers read interesting biographical sketches of Fitch and Moody, American dramatists; Mrs. F. R. LeRoy reviewed "Truth," by Fitch, and Mrs. F. N. Dobbs reviewed Moody's "Great Divide."

Reports for the year were given by the president and chairmen of the committees.

PLEASANT VALLEY

Mr. and Mrs. Thomas Ellingham and Mrs. Emma Godfrey of Portland were guests at the home of Mrs. G. N. Sager Sunday of last week.

Mr. and Mrs. H. E. Poppleton entertained friends from the city Sunday.

Mr. and Mrs. Charles Leiner and daughter, Miss Grace were recent guests at the home of Mr. and Mrs. W. N. Moore.

Mr. and Mrs. Mike Henrick are receiving congratulations on the arrival of a son May 8.

The G. H. Richey family have moved into the P. P. Jenne house.

W. G. Cameron was a recent Valley visitor.

Miss Lydia Saunders of Corvallis was a Sunday guest at the W. N. Moore home.

Oscar Byers of Portland, formerly of this place, who recently graduated from the Forestry Department at O. A. C., has gone to Washington, D. C., where he will enter the service on a government cruiser and will probably be sent to France at an early date.

President T. R. Berry called a meeting of the Red Cross committee on the 13th, at which plans were perfected for the second Red Cross Drive.

CHERRYVILLE

The sawmill above us turned out 1350 ties at a \$1 each one day last week. This is good work and a benefit to the community.

About 300 autos came up last Sunday, or more than twice as many as those going the other side of the river. The big Portland dailies tell every now and then about the good roads on the Marmot route being paid for by a certain Dutch booze-fighter, and yet they can't get anyone to believe them, as there is too strong evidence to the contrary.

One soldier boy with an aero squad in England says the city of Lincoln, near where they are located, is a city of 75,000 inhabitants yet has but one building of any pretensions and that is a cathedral.

W. J. Wirtz of Sandy spoke in the church here Sunday, the 12th. Mr. Wirtz is a member of the Unity organization, which body has no creed, but advocates an uplift for all humanity along utilitarian lines, and says that it is not what a man believes, but what he does, that counts.

Every prospect for a good crop of all kinds here. Even the cherries have not fallen badly, as they have farther down the valley and around the Dalles.

Fred Beechel, who has the contract for driving ties down the Sandy river from the mills above us at 5 cents each, drove over 40,000 the month of April. He has two helpers at \$5 a day each.

Willie, the 13-year-old son of Mr. and Mrs. W. R. Allen, died Saturday in a Portland hospital. He had been sick for some days and was too weak to rally from the operation. He was buried in the cemetery here Tuesday, W. J. Wirtz of Sandy conducting the services.

THE RED CROSS SPIRIT SPEAKS

By JOHN H. FINLEY.

I kneel behind the soldiers' trench
I walk with shambles' smear and stench
The dead I mourn.

I bear the stretcher and I bend
O'er Sammy, Pierre and Jack and mend
What shells have torn.

I go wherever men may dare, I go wherever woman's
care
And love can live.
Wherever strength and skill can bring
Surcease to human suffering
Or solace give.

I am your pennies and your pounds;
I am your bodies on their rounds
Of pain afar;
I am you, doing what you would
If you were only where you could—
Your avatar.

The cross which on my arm I wear,
The flag which o'er my breast I bear,
Is but the sign

Of what you'd sacrifice for him
Who suffers on the hellish rim
Of war's red line.

AMERICAN NAVY ELIMINATES WASTE

SLICING BACON ON BATTLESHIP

HOW THEY PEEL POTATOES ABOARD SHIP

ACKIES in the American navy are classed as the best fed body of men in the world. In the ship's galleys every effort is made to eliminate waste.

In the upper photo one of the cooks on the North Dakota is operating a meat slicer that cuts bacon with the least possible wastage.

Fat is fuel for fighters. Bacon is badly needed in the allied armies and navies. The allied needs in pork products are 150,000,000 pounds monthly, three times as much as before the war.

Another waste-eliminator on the North Dakota is the potato peeler, shown in the lower photo. Nothing is lost except the actual potato skin.

There is a sufficient quantity of po-

tatoes in America for greater use in every home and for all needs of army and navy. Eat more potatoes, eat less wheat.

G. A. R. CALLED FOR MEMORIAL SERVICES

Will Attend Church in Body Sunday and Cemetery Thursday

Memorial Sunday services will be held at the Evangelical Church at 11 a. m. on Sunday, May 26. Shilo Circle and Reuben Wilson Post will meet at C. C. Wiley's office on Main street and car line at 10:45 a. m. and will march to the church in a body.

The regular Memorial services will be held at Mount Scott Cemetery May 30 at 2 p. m. We will meet at C. C. Wiley's office on Main and car line at 1:30 p. m., where the Cemetery Association will furnish conveyances to and from the Cemetery.

We invite Shilo Circle, Spanish War Veterans and the Sons of Veterans and Boy Scouts, Lents and Woodmere schools and citizens in general to join with us.

The boys of 61 to 65 are passing away. Soon the last Grand Army man will have passed the great divide. Can you do anything that would teach the rising generation a greater patriotic lesson than to come with your auto to take those in who have no machine and join with us in our services.

Remember the boys who wore the blue and made this nation what it is, abolished slavery, solidified the states so there is but one country and one flag, and made it possible for President Wilson to raise millions of men and billions of dollars to build the best navy in the world. Will you come?

JOHN WALROD, Commander.

Mrs. A. Wright, of 6442 Eighty-second street, reports having received a letter recently from her son Frank saying he is well and busy in France.

Mrs. A. H. Nelson and Mrs. R. E. Thomas attended a wedding anniversary at the home of Mrs. C. McGill on Gregory Heights May 9th. This date was also the birthday of Mrs. McGill. A number of friends were present and all enjoyed themselves to the fullest extent and wished the hostess many happy anniversaries.

Mrs. C. R. Nicholson is captain for the Red Cross Drive in this section this week. We look for her success, as she is a worker for this war and liberty.

A. H. Nelson of Eighty-first street and Sixty-sixth avenue has been at home sick for several days.

Mr. and Mrs. William James have returned from The Dalles with their family and are occupying the house at Eighty-seventh avenue. Their many friends welcome them back to the community.

Mr. Hickey, of Eighty-second street near Johnson creek, has gone into the insurance business.

Christian Endeavor Entertains

The regular monthly business meeting and social of the Millard Avenue Christian Endeavor was held at the home of Mrs. W. J. Hollingworth, 5627 Seventy-second Street S. E., Friday evening. The business session was followed by games and an informal program. In keeping with the times, some of the popular liberty songs were sung by Major Repp and Messrs. Ruth Putnam, the former accompanied by Mrs. Griffith and the latter by Mrs. Putnam. Mrs. Griffith also favored the guests with piano numbers. Miss Nell Hornor of Woodmere gave some of her delightful readings and was compelled to respond to two encores, the house all but rocking with laughter. The committee and hostess wish to express their appreciation of these entertainers.

Dainty refreshments concluded a delightful social evening.
