

PASTE *the* **KAISER**

WITH

W. S. S.
ON June 28th

Paste him in the eye with a War Savings Stamp—then paste him again and again. Don't think that you have already done your duty. Pershing's men "over there" don't go home after their first battle—they go after the Huns again—they keep on pasting the Kaiser.

Your government has officially set—

Friday, June 28th

National War Savings Day

On that day every American is summoned to "sign the pledge"—to save and invest in a definite amount of War Savings Stamps each month.

Every real American will prove his patriotism by agreeing to regularly paste the Kaiser.

*W. S. S. cost \$4.17 in June,
Worth \$5.00 on Jan. 1, 1923*

"Sign the pledge" on June 28th. Paste the Kaiser with War Savings Stamps.
