The Shadow of the Big City

The mail order king with his shadow is the FORCE that is keeping the farmer and the home merchant apart. This is the one big THUNDER cloud on our country life. This SHADOW of the BIG CITY is killing our COMMUNITY growth. The GIANT monopoly works NIGHT and day to keep us APART. He knows that once WE GET TOGETHER HIS business is doomed. Where, then, do WE stand? WHAT shall WE do? Remain in the GRIP of the GIANT? 'Rest CONTENT under the DARK shadow? Rather let, us break up the monopoly and the shadow by the SUNLIGHT of co-operation. LET'S GET TOGETHER and scatter that GLOOM.
