SUBSCRIBERS, PLEASE NOTE

Subscribers to The Herald will please note that under the new ruling inaugurated by the government in order to conserve the supply of newspaper as much as possible, all subscriptions three months in arrears must be discontinued. While The Herald management would prefer to await the convenience of the subscriber, yet it cannot refuse to do the bidding of the new ruling. Therefore, all subscribers knowing themselves to be in arrears for subscription to this paper for a period of three months or longer are earnestly requested to call in and have their date advanced.

In order that all those in arrears may remember this fact, notices to this effect will be mailed to each individual the first of next week. The great majority of those now three months in arrears are good paying subscribers and have, as a rule, paid up when the year had expired, and these especially we dislike to notify that they must either settle up or have their names removed from the list. But there is no other way, and such being the case we earnestly trust that none will take offense at receiving such peremptory notice.

Newspaper publishers are also prohibited from sending or giving out any free papers. Such is the government ruling, and to such we must obey.

No Red Cross Seals This Year.
There will be no sale of Red Cross Christmas seals throughout the United States this year. The distribution of the seals and of tuberculosis literature has been taken over by the American Red Cross and will be conducted in connection with the rollcall or membership drive which the Red Cross will put on in December.

May Call Special Election.
Recommendation that an election be called to provide opportunity for the taxpayers to vote additional funds for an increase in the salaries of Portland teachers, as a war emergency measure, has been approved by the school board. Petitions for increases in the amount of \$200 each per annum were presented at a special meeting of the finance and judiciary committee which reported in favor of the special election.

To meet the great demand for Sunday school teachers, the Y. W. C. A. and the Multnomah County Sunday School association has organized a training class which will be in charge of the Rev. J. D. Springston. The course will cover ten weeks of study in teacher training and Sunday school administration.
