Funeral services were held at Kenworthy's chapel Wednesday, February 12, under the auspices of the Rebekah lodge. Rev. Lienkemper, pastor of the Reformed church, officiated. She was laid to rest on the beautiful slope of Mt. Scott Park cemetery.

SCHOOL BOYS MUST STOP USING TOBACCO

Resolutions Pledging Help of all in Eradicating the Habit Were Adopted.

The meeting at the Lents school auditorium Monday evening held for the purpose of discussing ways and means of eradicating the use of tobacco among the pupils was well and enthusiastically attended. In the absence of Mrs. Hess, president of the Parent-Teacher association, Mrs. Echo McCord presided.

Professor Hershner outlined the circumstances leading up to the meeting and introduced Mr. Crum, truant officer of district No. 1, who read the law on the use of cigarettes and tobacco among minors and explained in detail the penalties provided for by law.

Rev. Smith, of the Lents Baptist church, then introduced the following resolution, which was unanimously adopted:

"Whereas, The use of cigarettes and tobacco is injurious to mind and body of growing children, and,

"Whereas, the habit is contracted and increasing by the youths of Lents school district and among the pupils belonging to Lents school and Franklin High school to their detriment and retardation in their school work, now, therefore be it

"Resolved, That we, the patrons of the school, the business men and residents of the district do hereby agree to do all in our power to discourage the habit and will co-operate with the school and churches to create a healthful public sentiment against the habit that is so harmful to youth, as well as a violation of the state law. Be it therefore

"Resolved, That we, the patrons, citizens and residents of Lents, will do all in our power to aid the proper authorities to bring to justice each one who is selling, giving away or in any way causing the youth of our community to use cigarettes or tobacco in any form."

A discussion by business men followed in which Mr. Coulter, Mr. Davis and Mr. Cieslinski took part.

J. E. Brockway, scout executive of the city, offered the Boy Scout movement as a solution of the habit, as it teaches the habits of good, clean living and healthful outdoor sports. Miss Terrill, of the Friends church, also gave an interesting talk on the subject.

MT. SCOTT W. C. T. U. MET TUESDAY OF THIS WEEK

Mrs. Sleeth, State President, to Be Present at Next Meeting.

Mt. Scott W. C. T. U. met in the cozy home of Mrs. Rowley Tuesday. There was a good attendance and interest. Mrs. McGrew, of Eighty-fourth street, and Mrs. Brown, a newcomer who expects to locate in Lents, were pleasant visitors. Much interest was expressed in the anti-cigarette movement, and a resolution was passed declaring the Union's readiness to co-operate with the Parent-Teacher association and school authorities in every way.

Plans were made for the next meeting to be a Willard memorial service with State President Mrs. Mattie M. Sleeth, as the speaker. Date and hostess will be given next week.

It is very encouraging to see new members coming into the Union, and hear of more that are coming. No one should think that the work of the W. C. T. U. will be ended when national prohibition is accomplished. Our movement is now world-wide, and touches every moral issue. Annual dues are still only \$1, but part of every dollar reaches the woman's Union. Come and help reconstruct the United States and the world for morality and temperance.

Mrs. William Tungstead, nee Mary Hall, of Alberta, Canada, is visiting her mother, Mrs. Hall, at Eighty-fourth street and Fifty-fourth avenue.

new in Portland will be inaugurated—an outdoor reading room. It will be a lattice enclosure banked with shrubs and roses, a roof at one end, and with reading tables and chairs on the graveled earth.
