PARENT-TEACHER MEETING POSTPONED TO FEBRUARY 21

The regular meeting of the Arleta Parent-Teacher association has been postponed to the third Friday of this month. On Tuesday of this week this association joined the others of the city at the Franklin High for the mother-and-daughter meeting at 3:30 P. M.

CONGREGATIONAL CHURCH HAS MISSIONARY WORKER

For the first time in the history of the Arleta Congregational church a missionary superintendent, Mrs. Thomas Davis, has been appointed. She is doing a great work in stimulating interest in missionary things. The mid-week service of the church has been devoted by Mrs. J. J. Handsaker for some time to Fosdick's "Meaning of Prayer," and last week marked the conclusion of the series of lessons. Next Sunday morning, Mrs. Handsaker will speak on the seven missionary organizations of the Congregational church, giving a birdseye view of this kind of work.

Mrs. Lockwood Gives Birthday Party

Mrs. W. D. Lockwood, 4504 65th St., S. E., celebrated her birthday February 1, with an informal afternoon at-home given over to fancy work and music. Those present were Mesdames George Combs, Bert Combs, A. C. McDonald, S. D. Lacy, W. O. Boon, H. Stow, W. D. Lockwood, and Miss May McDonald. Refreshments of birthday cake and ice cream concluded the pleasant affair.

A very successful convention of the No. 9. Sunday school district was held at the Anabel Presbyterian church, Sunday, February 9. Friday of this week at 6:30 o'clock, the father-and-son banquet is to be held under the direction of Prof. A. J. Pridaux. Next Sunday morning the pastor, Rev. John E. Nelson, will speak on "Home Missions."

Miss Gladness Murray, 3126 62d St. S. E., is now in charge of the Dennison booth at Olds, Wortman & King's. Miss Murray, being 16 years old, is the youngest manager of a booth in that store, and probably in the city. She has been highly complimented by the floor manager for her tireless industry.

Among those from the Arleta neighborhood who attended grand opera, Faust, last Saturday, were Mesdames W. D. Lockwood, W. O. Boon, and the Misses Helen Lockwood and Mildred Boon. Mr. Harry Frass, of Kern Park, saw "Madame Butterfly" on the preceding Thursday evening.

Roy Perry, son of Mrs. Lillie Perry, of Kern Park, returned home last Friday from San Diego, Cal., where he has occupied the position of pharmacist mate, first class, in the base hospital. Mr. Perry, who is an accredited pharmacist, is again with the Phoenix pharmacy at Kern Park.

Mr. and Mrs. Nelson Hackett, of Corvallis, spent last week-end with the latter's sister, Mrs. W. D. Lockwood, 4504 65th St. S. E. They were returning to their home after a visit in The Dalles with Mr. Hackett's brother, Dolph Hackett, a leading furniture merchant of that place.

Miss Sadie Carlson has moved from 5245 67th St. S. E., to 529 W. Yamhill. Miss Carlson is the daughter of F. A. Carlson, formerly a well-known cement and fuel business man of Kern Park, now a rancher near Forest Grove.

The family of H. H. Sherman has moved from 6122 1/2 Foster road to 6404 48th Ave. S. E., the residence formerly occupied by the late Rev. W. G. Handley, of the Arleta Baptist church.

Mrs. MacAuley, 4809 65th St., S. E., came home from Good Samaritan hospital last Thursday. She is still bedfast, but convalescing.

W. M. Zehrung, 6095 47th Ave., has been ill at his home for several weeks. He requires almost constant attendance.

GILBERT

E. Gale who has been sick for the past 10 days is improving.

Mrs. Bush of Lenox avenue, who has been under the care of a physician for sometime is also improving.

WOODMERE AND MILLARD AVENUE

"Grandma" Hollingworth is much improved these lovely spring days, which we are all so happy to hear.

Mr. and Mrs. D. Covey and son, who formerly resided with Mrs. Covey's mother on Millard avenue, have moved to their new home in Woodstock.

Mrs. O. Huber and children, formerly of Gilbert Station, have moved to their new home on 57th avenue and 80th street. Mr. Huber recently died of influenza. He was a very successful dairyman. They have only been over from Switzerland three years.

Notes of Millard Avenue Presbyterian Church

The Intermediate Society of the Christian Endeavor are planning to give a very pretty "Martha and George Washington" party on Feb. 22. It will be a basket social and a good time is going to be enjoyed.

The congregation of the Millard Avenue Presbyterian church was delightfully favored by a solo, Sunday morning, by Mrs. Lena Casper. Mrs. Casper is one of the advanced pupils of Prof. A. Hollingworth, director of the choir.

The weekly prayer meeting of the Millard Avenue Presbyterian church has been changed from Wednesday to Thursday. Rev. W. Lee Gray is reviewing the bible and all are invited to attend these helpful discourses.

The Y. P. S. C. E. of Millard Avenue Presbyterian church are going to give a Valentine party this Friday evening in the basement of the church. All the young people of the community are invited to come and enjoy the evening.

The lecture given at the Millard Avenue Presbyterian church by R. Reid last Saturday evening, was well attended in spite of the stormy night. It was one of the most interesting and enjoyable events enjoyed by us for some time—and we are glad to announce that in the near future we are to be favored with several more of Mr. Reid's series of stories. His theme was very laughable the other evening and we were very sorry when he thought his time was limited. The members of the Y. P. S. C. E. were very thoughtful in preparing delightful refreshments later in the evening and we want to congratulate Mrs. Reid on her delicious punch, which was so thoroughly enjoyed. Songs were enjoyed by all, and the clock was near the hour of midnight when all said "good-night." The entire proceeds, which came to \$15, go to the Christian Endeavor reserve fund which they hope to gradually enlarge in the future.

LENTS SCHOOL NOTES

Last Saturday, the 8-a class from the Lents school held a skating party at the Oaks, chaperoned by Miss Edna Peterson.

Mr. Hershner, principle of the Lents school has suggested that the pupils organize a Sanitary Committee for preventing the children littering the school grounds. They will elect a girl and a boy president to enforce new city law.

C. Earl Kenworthy and Mr. Kent, field organizer for the state of Oregon, met with 51 boys at Woodmere school Friday evening, February 7, and organized a Boy Scout Troop. Mr. Kenworthy is Scout Master and reports the boys very enthusiastic and looks forward to great times. They will meet every Friday evening at Woodmere school.

Funeral services were held in Kenworthy's Chapel Saturday, February 8, at 2 p. m. for B. E. Brumbaugh, of Cascade Locks. Rev. Staub, of Sunnyside Congregational church officiating. Mr. Brumbaugh was a resident of Lents some years ago. Interment was at Multnomah cemetery.

Wanted—To rent a five room bungalow. C. Earl Kenworthy.

GARY TRUCKS GAIN A GREAT ADVANTAGE IN THE NORTHWEST

The establishment at Portland as headquarters for the GARY COAST AGENCY for the purpose of organizing the northwest and establishing distributors, dealers and agents for Gary Motor Trucks in every city, town and hamlet gives the GARY LINE OF MOTOR TRUCKS a tremendous advantage. It means the extension of Gary service, with a full year's guarantee, and the establishment of the GARY SYSTEM OF DISTRIBUTION, WITH EASY TERMS OF PAYMENT, to every section where trucks can be used to advantage.

THE GIGANTIC STEEL INDUSTRIES of Gary, Indiana, are known throughout the world for the hundreds of millions of dollars invested and its tens of thousands of men employed and its output of steel products by the hundreds of thousands of tons for world-wide use. The superior quality of these Gary products is the result of years spent in scientific research and experiment and unlimited millions invested in modern methods and equipment, and for the development of an army of intelligent, trained and skilled mechanics. GARY MOTOR TRUCKS have the benefit of this most wonderful efficiency and have added another star to the established greatness of Gary, as a manufacturing center.

THE GARY LINE OF MOTOR TRUCKS comprises every size from one ton up to the special heavy duty type for pulling trailers and semi-trailers carrying twenty tons or more if desired. The Gary 3 1/2 Ton with Dump Body equipment for road and construction work overpowers, outpulls and outclasses in load carrying qualities, any truck of its rating ever made or sold.
